

## AMENDMENT 01

- 1.) Please refer to Item No. 9 under the Sources Sought titled “Information Technology Services, including Telecommunication Services”, NAICS Code: 518210 - Data Processing Hosting and Related Services. There has been the following change with the following sentence (See below).

**“Additionally, the purpose of the above request is for the Government to determine the submitter's capabilities and qualifications to meet the requirement.”**

The **updated sentence** should now read as follows: “Additionally, the purpose of the above request is to assist the Government in identifying potential interested sources that may be capable of performing this requirement.”

- 2.) Please note the change in **title** for Catherine Holland from Contract Specialist to Contracting Officer.
- 3.) In protection of the Sources Sought information, please mark your pages accordingly and any page thereafter as: **SOURCE SELECTION INFORMATION—DO NOT DISCLOSE.**
