## FEE SCHEDULE (Effective December 1, 2011)

- <sup>1</sup> The Administrative/Technical Support Fee is assessed annually on a laboratory's anniversary, regardless of the laboratory's current accreditation status.
- <sup>2</sup> The Initial Application Fee is paid one time per laboratory only.
- <sup>3</sup> An on-site assessment is conducted before initial accreditation, during the first renewal year, and every two years thereafter. Pay this fee only when you are notified that an on-site assessment is scheduled to be performed.
- <sup>4</sup> If more than one Laboratory Accreditation Program (LAP) is selected, there is a \$2,600 discount to the Administrative/Technical Support Fee for each additional LAP. Contact NVLAP for details.
- <sup>5</sup> Contact NVLAP for determination of the On-Site Assessment Fee.
- <sup>6</sup> To qualify for the combined Bulk/Airborne rate, a laboratory must have the same Authorized Representative, renewal date, and on-site assessment schedule for both Bulk and Airborne. Otherwise, an additional \$1,000 Administrative/Technical Support Fee and separate On-Site Assessment Fees will be assessed.
