<b>Footnotes:</b>										
1/ GLAC 3100 will only be used with appropriations from the Treasury General Fund (Not the Reclamation Fund) except revolving funds.										
2/ All GLACs 3200 have been eliminated per FASAB. To track these accounts, GLAC 331C has been established for DOI bureaus for capitalized assets equity.										
3/ All appropriations from the Reclamation Fund as well as other special receipt or trust funds will use this equity account.										
All entries to 331- will be posted through revenue, financing sources (572X), expense (6XXX), and gains/losses/prior period adjustments (7XXX)										
No entries will be posted to change 3310 during the year except to reclassify the cumulative results balance between non-cap to cap.										
4/ Budgetary entries have to be made for advances from others. The entry will 4210 credit/4222 debit will only be applicable to reimbursable funds.										
5/ Budgetary entries have to be made for advances to others. The entry will be 4801 debit/4802 credit.										
6/ Accrued expenditures are not broken out by paid and unpaid. Unpaid represents accounts payable pending confirmation of outlay by Treasury.										
<b>7/ Does not post to generate budget authority.</b>										
<b>8/ Distributive clearing account has been changed from 1993 to 610B.</b>
