Helping You Make Informed Decisions

United States
Census
2000

Census 2000

Results from the decennial population and housing census as they relate to race and Hispanic origin; first-time data on people who reported two or more races; federal notices on race and Hispanic origin; census contacts; minority advisory committees.

Social Characteristics

In one place, find information on population, age, households and families, education, marital status, fertility and much more.

Economic Characteristics

In one place, find information on income, poverty, minority-owned businesses, employment and more.

Profiles

Find yearly social and economic profiles, special-occasion *Facts for Features* and mini-reports, as well as 1990 census data.

News Releases

Find news releases, sorted by topic, with links to the source reports and data sets.

Related Topics

Hyperlink to *American FactFinder*[®]; other federal statistics sites; the Census Bureau's radio show, *Profile America*; and information on contacting subject experts at the Census Bureau.

We've done the data mining for you!

Just click on Minority Links
