

Breakout Group Brainstorming Questions

Please answer the following questions in your small breakout group. Have one group member take notes and then report your answers back in the larger group.

Round 1: Your Projects and Partners

What are your current activities?

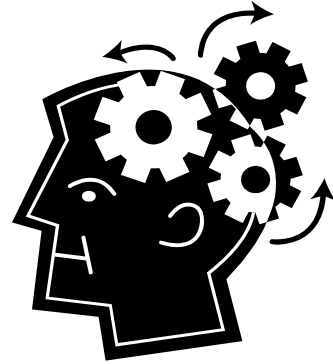

What activities would you like to do, but have not yet implemented?

Who are your partners?

Who are partners that you'd like to have, but don't have yet?

Breakout Group Brainstorming Questions

Round 2: Your Challenges, Opportunities and Resources

What challenges have you faced in integrating homeland security activities with service learning?

What have been some unexpected (or expected) opportunities?

Project
TAHS

What resources have you found that have been helpful?

Technical Assistance
in Homeland Security

Are there additional informational needs you may have?
