MEMORANDUM FOR PURCHASE ORDER FILE DJU4500434857

FROM: KIMBERLY SCHWINN, CONTRACT SPECIALIST

SUBJECT: URGENT & COMPELLING DOCUMENTATION

Purchase Order DJU4500434857 was awarded per FAR 6.3 Subpart 6.302-2 Urgent and Compelling. UNICOR was issued a order by Battelle for a Mobile Thermal Hot Water System, UNICOR part number MSHWS001 on December 20, 2011 with a delivery lead time of forty- seven (47) days ARO due February 6, 2012. Alternative Energy Technologies worked with UNICOR to develop this no-cost prototype along with training the inmates on how to construct additional units should new orders be placed. Alternate Energy Technologies will be delivering system to Danbury for preparation, construction, and training the week of January 30, 2011 with final delivery to customer on February 6, 2012. It is paramount that we receive system in January in order to fulfill our commitment in a timely manner and also deal with any unforeseen issues. Full and open competition procurement lead time is estimated to be ninety (90) days.
