## Online Rx Refill Bypass Certificate Error

Due to a conflict between the server's Secure Socket Layer (SSL) Certificate and the actual server name that our DNS server is routing you to, you are being presented with a warning message stating "There is a problem with this website's security certificate."

We are working to resolve this issue expeditiously, but in the meantime, please click on "**CONTINUE TO THIS WEBSITE (NOT RECOMMENDED)**" and be assured that the information you submit is secure and encrypted.

There is a problem with this website's security certificate.

The security certificate presented by this website was issued for a different website's address.

Security certificate problems may indicate an attempt to fool you or intercept any data you send to the server.

**We recommend that you close this webpage and do not continue to this website.**
