This Agreement is entered into this \_\_\_ day of \_\_\_\_\_, 2007, by and among the

(SUIA) \_\_\_\_\_, and the  
(SUIA Agency Name)

(PACIA) \_\_\_\_\_, and the  
(PACIA Agency Name)

(PACIA) \_\_\_\_\_  
(Additional PACIA Agency Name – if applicable)

of the State of \_\_\_\_\_ and the United States Department of Labor, Employment and Training Administration.

## **I. Purpose**

The Wage Record Interchange System (WRIS) has been developed to facilitate the interstate exchange of wage data between participating states for the purpose of assessing and reporting on state and local performance for programs authorized under the Workforce Investment Act of 1998 (WIA), under other statutory provisions authorizing programs identified as One-Stop partners in the WIA, and for other purposes allowed under law. More specifically, the WRIS: 1) assists states in assessing the performance of individual training providers and state employment and training programs; 2) supports states in preparing and submitting reports to the United States Department of Labor (USDOL) regarding the performance of workforce investment programs and activities authorized under the WIA, or under other statutory provisions that are referenced in the WIA as authorizing programs identified as One-Stop partners; and 3) supports research and evaluation efforts authorized under the terms of this Agreement.

The purpose of this Agreement is to establish and implement the operating conditions and procedures that will govern the participation of the state agencies holding wage data (referred to as SUIAs), the state Performance Accountability and Customer Information Agencies (PACIAs) and the USDOL - Employment and Training Administration (ETA) in the WRIS and to establish certain conditions and procedures, consistent with 20 CFR Part 603, that are intended to protect the confidentiality of information disclosed among the participating parties through the WRIS.

## **II. Legal Authority**

The legal authority to establish this agreement is derived from Section 136(f)(2) of the Workforce Investment Act of 1998 (Public Law 105-220), which requires states to use wage records, consistent with State law, for performance measurement purposes. This section also authorizes the Secretary to make arrangements, consistent with State law, to ensure that the

wage records of any state are available to any other state, to the extent they are necessary for carrying out a state's state plan or completing their annual report.

The authority for workforce investment system reporting is derived from Section 136(d) and Section 185 of the WIA.

As required by the WIA, all data exchange activity conducted through the WRIS will be conducted in a manner consistent with both the Family Educational Rights and Privacy Act (FERPA) and with applicable State law. Further, the WRIS will be administered in accordance with Section 504(b) of the WIA, which prohibits the development of a national database of personally identifiable information on individuals receiving workforce investment services while allowing activities that are necessary to the proper administration and management of such programs.

Such transmissions shall be made no later than the quarterly upload date established by the Operations Contractor.

B. The data obtained from the SUIAs will be grouped by reporting state and included in the DDBI by the Operations Contractor.

C. A PACIA transmits a Request for Wage Data to the WRIS Clearinghouse containing SSNs. A PACIA may make Requests for Wage Data for the following purposes:

## **WRIS Data Sharing Agreement (Annotated to Reference May 25, 2007 Proposed Dispositions of First Round Amendment Proposals)**

b) There are no conditions under which use of Wage Data is approved for research and evaluation without the express, voluntary consent of the participating state whose data are to be used for such purpose;

c) A state that has elected to participate in research proposals shall share only its own data, and not any data obtained through the WRIS, for such purpose;

d) All data for approved research purposes shall be transmitted between participating PACIAs; no other entity conducting research may have direct access to the WRIS for this purpose.

E. Each Request is assigned an identifier by the WRIS Clearinghouse/Operations Contractor.

F. The WRIS Clearinghouse makes an inquiry to the DDBI to determine the state(s) that has Wage Data associated with the SSNs attached to the Request.

G. Requests are periodically consolidated by the WRIS Clearinghouse into Queries to be sent to SUIA(s) identified as holding pertinent Wage Data. Consolidation consists of creating Queries containing SSNs from different PACIAs that are for Wage Data held by the same SUIA.

H. The WRIS Clearinghouse transmits Queries to the appropriate SUIAs for processing. A copy of each Query sent to a SUIA is maintained at the WRIS Clearinghouse until a Reply has been received by the WRIS Clearinghouse.

I. SUIA(s) process Queries and create Replies containing Wage Data, which are sent to the WRIS Clearinghouse.

J. The source of the Reply is verified by the WRIS Clearinghouse and the Wage Data is extracted from the Reply by the WRIS Clearinghouse and temporarily stored.

## WRIS Data Sharing Agreement (Annotated to Reference May 25, 2007 Proposed Dispositions of First Round Amendment Proposals)

K. The WRIS Clearinghouse compares unfilled Requests with Wage Data received from the SUIAs Replies and if matches are found, Wage Data are sent to the Requesting PACIA in the form of a Result.

L. Information in Results provided to the PACIA is reduced by the PACIA to Aggregate Statistical Data for use in preparing PACIA program performance reports and consumer reports for individuals seeking appropriate training providers and for use in meeting program management requirements for the programs covered by the WRIS.

M. The WRIS Clearinghouse only keeps a copy of each Result it provides to a requesting PACIA until the Result has been downloaded by the PACIA. The entity originally requesting the Wage Data will receive an electronic message reminding it that the data are now available. If the data have not been downloaded within 14 days of being made available, it will automatically be removed from the WRIS Clearinghouse.

N. The WRIS Clearinghouse provides ETA with periodic reports detailing the volume of WRIS activity during the reporting period for ETA's use in preparing reports.

### VII. Confidentiality/Restrictions on Use of Information

Beyond the use of the DDBI for the processing of Requests, the SSNs contained in the DDBI shall be available for the use of an agency charged with administration of a state's unemployment insurance program to identify other states having data needed for: unemployment insurance claims administration, fraud detection, and benefit overpayment collection through the ICON system.

The confidentiality requirements under this Agreement shall apply to any Wage Data a party to this Agreement obtained under the prior Consolidated WRIS Data Sharing Agreement to the extent such Data are currently retained by the party.

All data exchange activity by the SUIA and/or the PACIA conducted through the WRIS will be conducted in a manner consistent with applicable state law. All such activity conducted by ETA and/or its contractor/s will be performed in a manner consistent with the Privacy Act of 1974. The parties agree to take all necessary steps to protect such confidentiality by complying with the following provisions that are applicable to their particular entity, which are consistent with 20 CFR Part 603, in governing their handling of confidential information:

13. The PACIA shall report to ETA, in writing, regarding any circumstances adversely affecting the PACIA's ability to meet its responsibilities or obligations under the terms of this Agreement.

### **C. ETA**

1. Access by ETA to Wage Data shall be limited to the access necessary for ETA to carry out its responsibility for overall administration and management of the WRIS, unless specifically accessed under the research and evaluation procedures set forth elsewhere in this Agreement.

Any reports produced as a result of ETA's program reviews that address compliance with this Agreement shall not contain any references to personally identifiable information obtained from the WRIS.

## **WRIS Data Sharing Agreement (Annotated to Reference May 25, 2007 Proposed Dispositions of First Round Amendment Proposals)**

  9. ETA shall protect Wage Data from disclosure to third parties to the fullest extent allowable by law. ETA does not have access to Wage Data through the routine operation of the WRIS. Therefore, a Freedom of Information Act (FOIA) request for Wage Data would be denied because the data are not in the custody, or under the control, of ETA. ETA's funding of the operation of the WRIS does not establish ETA's control of the data.
- As provided in Section VI, paragraph D, ETA may request Wage Data for research and evaluation purposes, subject to the limitations set forth in Section VI, paragraph C, subparagraph 5. Wage Data obtained by ETA under this provision could be subject to FOIA requests, as such data would be in the physical custody of ETA. In such instances, ETA shall not disclose this Wage Data to third parties, except where required by a court order or by the Freedom of Information Act (FOIA). If disclosure is required through either of these mechanisms, ETA shall redact any personally identifying information (PII) contained in the Wage Data prior to disclosure.

This Agreement remains in effect in perpetuity, unless terminated. This Agreement may be terminated in one of the following ways:

- A. Upon mutual agreement of ETA and a participating state at any time;
- B. Unilaterally by any state, provided that the terminating state provides a written notice executed by the appropriate representatives from the PACIA(s) and the SUIA of its intention to terminate the Agreement by a specified date, at least sixty (60) days prior to that date. Termination of this Agreement by any participating state shall not affect the continuing enforceability of this Agreement as to any other state or ETA.
- C. Unilaterally by ETA, provided that it provides a written notice executed by the appropriate representative of its intention to terminate the Agreement, at least sixty (60) days prior to the specified date of termination.
- D. Notwithstanding the above, if either a state PACIA or SUIA should fail to properly perform or fulfill its obligations under this Agreement in a timely or proper manner, or should violate any term of this Agreement, ETA reserves the right to immediately suspend or terminate the participation of the state in this Agreement, upon written notice.
- E. Further, notwithstanding the above, this Agreement may also be terminated immediately, upon written notice, should governing state or federal laws or regulations render performance hereunder illegal, impracticable, or impossible.

**Deleted:** Wage Data obtained by ETA shall not be disclosed to third parties, except where determined to be required by a court order or required by the Freedom of Information Act (FOIA). In either circumstance, ETA shall endeavor to protect from disclosure such data to the fullest extent allowable by law. ## IX. Amendment of Agreement

This Agreement may be amended in accordance with the following procedure:

- A. An amendment may be proposed in writing by a participating state, ETA, or the Operations Contractor, which must be accompanied by a statement of support and any other relevant material, by the party proposing the amendment to ETA.
- B. ETA will e-mail the proposed amendment and any supporting material submitted by the proposing party to the contacts identified in Section XVI. of this Agreement, in addition to posting it on its website for 60 days. During this 60-day period, all parties will have the opportunity to review the proposal and submit comments in writing on the proposed change to ETA for its consideration and review.

## WRIS Data Sharing Agreement (Annotated to Reference May 25, 2007 Proposed Dispositions of First Round Amendment Proposals)

C. The amendment will be considered by ETA, taking into account comments received from the states. ETA will contact those who submitted comments for clarification as necessary, especially in the case where it appears that the amendment under consideration may conflict with a state's law.

D. ETA will make a preliminary decision on the disposition of the amendment, which may include issuing a revised proposal in collaboration with the originating party to address comments received. The proposed disposition will be e-mailed to the contacts identified in Section XVI. of this Agreement, in addition to being published on ETA's website for another 30 days.

E. Prior to the conclusion of the 30-day comment period, ETA will host a conference call in which any party to the agreement can participate to further express its concerns. The proposing entity must participate in this conference call, so it can hear any objections to its amendment.
