Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

HUD implemented the Line of Credit Control System/Voice Response System (LOCCS/VRS) to process requests for payments to grantees. Grant recipients fill out a voucher form for the applicable HUD program with all the necessary information prior to making a telephone call using a touch tone telephone to initiate the drawdown process. The grantee will be prompted for entering the information and for confirming information that is spoken back by the VRS simulated voice. This information is required to obtain benefits under the U.S. Housing Act of 1937, as amended. The information requested does not lend itself to confidentiality.

**Privacy Act Statement:** Public Law 97-255, Financial Integrity Act, 31 U.S.C. 3512, authorizes the Department of Housing and Urban Development (HUD) to collect all the information which will be used by HUD to protect disbursement data from fraudulent actions. The Housing and Community Development Act of 1987, 42 U.S.C.3543 authorizes HUD to collect the SSN. The purpose of the data is to safeguard the Line of Credit Control System (LOCCS) from unauthorized access. The data are used to ensure that individuals who no longer require access to LOCCS have their access capability promptly deleted. Provision of the SSN is mandatory. HUD uses it as a unique identifier for safeguarding the LOCCS from unauthorized access. This information will not be otherwise disclosed or released outside of HUD, except as permitted or required by law. Failure to provide the information requested on the form may delay the processing of your approval for access to LOCCS.
