

Emergency Services Sector Pandemic Influenza Webinar

Join us for a Webinar on December 12

Register today to participate in a web-based workshop designed to help your organization prepare for a catastrophic pandemic. The U.S. Department of Homeland Security and the Emergency Services Sector are hosting the Webinar. The Webinar will bring hundreds of owners and operators from across the Emergency Services Sector together live online to discuss Sector-Specific issues regarding preparing for, responding to, and recovering from a global Pandemic Influenza outbreak.

The Emergency Services Sector Pandemic Influenza Webinar will:

- engage sector stakeholders in pandemic planning;
- promote the new Emergency Services Sector-Specific Pandemic Influenza Planning Guideline, the Pandemic Influenza Preparedness, Response and Recovery Guide for Critical Infrastructure and Key Resources, and other relevant pandemic studies;
- explore pandemic issues specific to the sector; and
- highlight existing pandemic preparedness efforts of the sector.

Title: Emergency Services Sector Pandemic Influenza Webinar

Date: Friday, December 12, 2008

Time: 2:00 PM - 3:30 PM EST

Format: web-based with live, interactive capabilities and an archived copy available for later viewing by stakeholders.
