Administration**

Office of Airport Safety and  
Standards

800 Independence Avenue, SW  
Washington, DC 20591

**APR 24 2012**

Dear Industry Representative:

Federal Aviation Administration (FAA) Advisory Circular (AC) 150/5220-22B, Engineered Materials Arresting Systems (EMAS) for Aircraft Overruns, is being circulated to interested industry associations to obtain comments and recommendations on the proposed changes.

Please review this draft and submit your comments including opposition to the proposed changes and any suggested modifications. Provide justification for all comments.

Submit comments in a separate document and do not embed comments in the draft document. Comments received by June 29, 2012 will be considered for inclusion in the AC.

A PDF version of this AC is posted on the FAA Web site at [http://www.faa.gov/airports/resources/draft\\_advisory\\_circulars/](http://www.faa.gov/airports/resources/draft_advisory_circulars/).

Sincerely,

A handwritten signature in blue ink, appearing to read "John R. Dermody".

John R. Dermody, P.E.  
Manager, Airport Engineering  
Division
