and Standards

800 Independence Ave., SW.
Washington, DC 20591

JUN 04 2012

Dear Airport Lighting Stakeholders,

Federal Aviation Administration (FAA) Draft Advisory Circular (AC) 150/5340-30G, *Design and Installation Details for Airport Visual Aids*, is being circulated to interested parties to obtain comments and recommendations.

Please review this draft and submit comments as appropriate.

Comments should be submitted on a separate document, and not embedded in the draft AC. Additionally, please provide justification for all comments regarding oppositions with recommended modifications.

Comments received by July 9, 2012, will be considered for inclusion in the advisory circular. This AC provides guidance and recommendations on the installation of airport visual aids. Changes to this document are color-coded in bold blue for your convenience.

A PDF version of draft AC 150/5340-30G is posted on the FAA website at http://www.faa.gov/airports/resources/draft_advisory_circulars/.

Sincerely,

A handwritten signature in blue ink, appearing to read "John R. Dermody".

John R. Dermody, P.E.
Manager, Airport Engineering
Division
