I.

The Commodity Futures Trading Commission (“Commission”) has reason to believe that Mansur Capital Corporation (“Mansur”) has violated Commission Regulation (“Regulation”) 4.7(b)(3)(i), 17 C.F.R. § 4.7(b)(3)(i) (2008). Therefore, the Commission deems it appropriate and in the public interest that a public administrative proceeding be, and hereby is, instituted to determine whether Mansur has engaged in the violations as set forth herein and to determine whether any order should be issued imposing remedial sanctions.

II.

In anticipation of the institution of this administrative proceeding, Mansur has submitted an Offer of Settlement (“Offer”), which the Commission has determined to accept. Without admitting or denying any of the findings herein, Mansur acknowledges service of this Order Instituting Proceedings Pursuant to Sections 6(c) and 6(d) of the Commodity Exchange Act, Making Findings and Imposing Remedial Sanctions (“Order”).¹

¹ Mansur consents to the use of these findings in this proceeding and in any other proceeding brought by the Commission or to which the Commission is a party; provided, however, that Mansur does not consent to the use of the Offer, or the findings in this Order consented to in the Offer, as the sole basis for any other proceeding brought by the Commission, other than in a proceeding in bankruptcy or to enforce the terms of this Order. Nor does Mansur consent to the use of the Offer or this Order, or the findings consented to in the Offer or this Order, by any other party in any other proceeding.

III.

The Commission finds the following:

A. SUMMARY

Mansur, a registered commodity pool operator (“CPO”), claimed for its commodity pools exemptions from recordkeeping, disclosure and reporting requirements under Regulation 4.7(b). Pursuant to Regulation 4.7(b)(3)(i), Mansur was required to file with the National Futures Association (“NFA”) and distribute to each pool participant an annual report for each of the pools subject to this exemption, within 90 days of the end of the pool’s fiscal year. Regulations 4.22(f)(1) and (f)(2) provide CPO’s with extensions of this annual report deadline under certain circumstances and conditions.

Mansur failed to distribute to pool participants and file with the NFA one or more of its commodity pools’ annual reports in a timely manner, in violation of Regulation 4.7(b)(3)(i), 17 C.F.R. § 4.7(b)(3)(i) (2008).

B. RESPONDENT

Mansur Capital Corporation is located at 875 N. Michigan Avenue, Suite 3620, Chicago, Illinois 60611. Mansur has been registered with the Commission as a CPO since June 4, 2002.

C. FACTS

Mansur is a CPO for pools that operate as “fund-of-funds” (i.e., a pool that invests in one or more other collective investment vehicles). For the years ending December 31, 2004 through December 31, 2006, Mansur’s commodity pools’ fiscal years ended on December 31st. Pursuant to Regulation 4.7(b), Mansur claimed for all its pools exemption from recordkeeping, disclosure and reporting requirements under the Regulations. Accordingly, under Regulation 4.7(b)(3)(i), Mansur was required to distribute and file annual reports for all its pools subject to this exemption within 90 days of the end of its fiscal year on December 31st.

For fiscal years 2004 and 2005, Mansur requested pursuant to Regulation 4.22(f)(1) and received from the NFA 90-day extensions of time from the date its annual reports were to have been filed and distributed, thus extending its deadline for filing and distributing its annual reports to June 29th. For fiscal year 2006, Mansur claimed an extension of time under Regulation 4.22(f)(2) for certain of its pools, requiring it to file and distribute its annual report for those pools no more than 150 days after the end of the pools’ fiscal years, *i.e.*, by May 30, 2007.

For fiscal years 2004 through 2006, Mansur failed to distribute to pool participants and file with the NFA one or more of its commodity pools’ annual reports in a timely manner.

D. LEGAL DISCUSSION

Sections 4n(3) and (4) of the Commodity Exchange Act, as amended (the “Act”), 7 U.S.C. §§ 6n(3) and (4) (2006), provide, in relevant part, that every CPO registered with the Commission shall file such reports, and regularly furnish statements of account to each pool participant, and that such reports and statements shall be in such form and manner as may be prescribed by the Commission. Regulation 4.22(c) requires a CPO to distribute to pool participants and file with the NFA within 90 days of the end of the commodity pools’ fiscal year annual reports for its commodity pools that contain the information required by and in accordance with Regulations 4.22(c) and (d).

Pursuant to Regulation 4.7(b)(3), a CPO may claim relief from the reporting requirements of Regulation 4.22(c) for certain pools where the CPO offers or sells participations in the pools solely to qualified eligible persons (as defined in Regulation 4.7), in an offering that is exempt from registration under the federal securities laws and the offering is not marketed to the public. However, a CPO claiming such exemption must, within 90 days after the end of the exempt pools’ fiscal year, electronically file with the NFA and distribute to each pool participant an annual report that contains, at a minimum, certain financial information in lieu of the information required by Regulations 4.22(c) and (d). Regulation 4.7(b)(3)(i), 17 C.F.R. § 4.7(b)(3)(i) (2008).

Under Regulation 4.22(f)(1), a CPO may file with the NFA an application for extension of time to a specific calendar date not more than 90 calendar days after the date its annual report was to be distributed, if it cannot distribute a timely annual report without “substantial undue hardship.”

In addition, where a pool is a fund-of-funds, a CPO, under Regulation 4.22(f)(2), may claim by a notice filed with the NFA an extension of time to file and distribute the pool’s annual report. Under this extended deadline, the CPO is required to file and distribute its pool’s annual report no later than 150 days after the end of the pool’s fiscal year (i.e., up to 60 days beyond the original 90-day deadline).

For fiscal years 2004 and 2005, Mansur requested and received from the NFA a 90 day extension of time from the date its annual report was to have been filed and distributed, pursuant to Regulation 4.22(f)(1). For fiscal year 2006, Mansur claimed an extension of time under Regulation 4.22(f)(2) for certain of its pools, requiring it to file and distribute annual reports no more than 150 days after the end of the pools’ fiscal years.

As described above, over a period of three years, Mansur failed to distribute to pool participants and file with the NFA one or more of its commodity pools’ annual reports in a timely manner. Mansur, therefore, violated Regulation 4.7(b)(3)(i), 17 C.F.R. § 4.7(b)(3)(i) (2008).

The furnishing of the annual report was designed to “provide [pool] participants with the information necessary to assess the overall trading performance and financial condition of the pool.” Commodity Pool Operators and Commodity Trading Advisors; Final Rules, 44 Fed. Reg. 1918 (Jan. 8, 1979) (announcing the adoption of Regulation 4.22). Without timely reporting, the Commission’s goal of providing pool participants with complete and necessary data is hampered.

IV.

FINDING OF VIOLATIONS

Based on the foregoing, the Commission finds that Mansur violated Regulation 4.7(b)(3)(i), 17 C.F.R. § 4.7(b)(3)(i) (2008).

V.
