Coastal Impact Assistance Program

Non-Construction Application Sample

Coastal Impact Assistance Program

Example of Incomplete Information

Are there any factors that could expedite/disrupt the schedule?

Incomplete:
"There are no known factors that will <u>disrupt</u> our schedule."

Complete:
"Flights conducted to acquire photography could be delayed by unusually severe or cloudy weather and/or rescheduling problems related to airplane availability could <u>disrupt</u> our schedule. Fair weather and timely airplane availability could <u>expedite</u> data collection."

Coastal Impact Assistance Program
