

**NOTICE**  
**Change to a Published Agenda**  
**Plenary Executive Closed Session**  
**March 29-30, 2007 National Science Board Meeting**

On March 30, 2007, The National Science Board voted approve the addition of a discussion about the Elections Committee in the March 30, 2007 Plenary Executive Closed Session because the addition was required by agency business and no earlier announcement of the change was possible.

This discussion was covered by the Board's previous approval to close portions of this meeting and the corresponding General Counsel's certification.

Board Members Abbott, Arvizu, Barish, Beering, Bement, Benbow, Bruer, Clough, Droegemeier, Ford, Galloway, Griffiths, Hoffman, Lanzerotti, Leshner, Randall, Reilly, Strauss, Taylor, and Thompson participated in the vote and no Member objected to this change.
