- **1.** <u>PURPOSE</u>: To issue the revised federal poverty guidelines for the Senior Community Service Employment Program.
- 2. <u>BACKGROUND</u>: The Department of Health and Human Services published the updated Federal Poverty Income Guidelines on February 13, 2004. These guidelines provide the basis for determining the income eligibility of SCSEP applicants and enrollees after being multiplied by 125 percent to convert poverty to "low-income" as defined at Section 516(2) of the Older Americans Act Amendments of 2000 (OAA Amendments). These guidelines also apply to eligibility determinations made for OAA Amendments section 502(e) projects.
- 3. <u>DIRECTIVE</u>: The poverty income guidelines found in the attachment are effective from the date they were published in the <u>Federal Register</u>, on February 13, 2004, (69 FR 7336-01). Grantees must use this effective date for program operations. Grantees must use poverty and low-income levels when making eligibility determinations and when preparing the SCESP Quarterly Progress Report.
