The State of Hawaii Department of Transportation Harbors Division received FEMA's approval of the Detailed Budget Worksheet submitted for this grant on April 12, 2010. During the quarter ended December 31, 2010 the procurement processes in accordance with State of Hawaii statutes were conducted, i.e., bids were solicited for the four equipment purchases that will be funded by this ARRA Grant. During this quarter ended March 31, 2011 Purchase Requisitions for two Equipment Purchases were issued and are in the process of being approved so that the related required Purchase Orders can be issued. The estimated value of those two purchase orders is expected to be approximately \$590,000. Of the other two solicitations for bids, both were closed on January 14, 2011; the bid quotes submitted for one of the equipment items did not meet specifications and the lowest bid selected for the other solicitation is being protested by a competitor manufacturer of that equipment item.
