

2012 FGDC Guidance to the National Geospatial Advisory Committee

Ivan DeLoatch
NGAC Meeting
April 17, 2012

Guidance Development Process

Guidance was developed based on discussions and suggestions from...

- Steering Committee
- Executive Committee
- NGAC
- Coordination Group
- FGDC Leadership

Priority Issues Emerged

- ◆ Geospatial Platform
- ◆ Landsat Advisory Group
- ◆ Data Issues
 - OMB Circular A-16 Supplemental Guidance
 - National Enhanced Elevation Assessment
 - National Address Database
 - National Hydrography Database

◆ Geospatial Platform Implementation

- The FGDC will request continuing feedback and advice from the NGAC on opportunities to facilitate interagency and intergovernmental collaboration.
- Federal Lead: Jerry Johnston

◆ Landsat Advisory Group

- Will provide advice to the Federal government on the requirements, objectives, and actions of the Landsat Program.
- Federal Lead: Bruce Quirk

◆ OMB Circular A-16 Supplemental Guidance

- FGDC is requesting non-federal perspectives on specific questions to the revisions.
- Federal Lead: Ivan DeLoatch/Ken Shaffer

◆ National Enhanced Elevation Program

- USGS is seeking review and input on national program recommendations based on the results of the NEEA Study.
- Federal Lead: Kevin Gallagher/Larry Sugarbaker

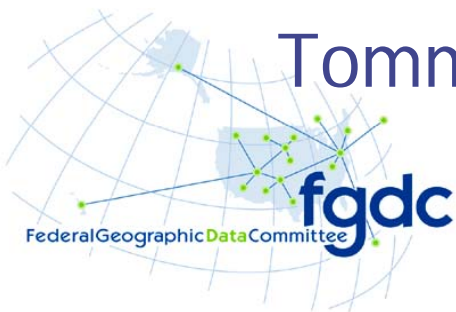

◆ National Address Database

- Federal government is seeking options for consideration on the need, concerns, and approaches for development.
- Federal Lead: Tim Trainor

◆ National Hydrography Dataset

- NHD Leadership is requesting review and feedback on the current NHD stewardship and funding model.
- Federal Lead: Mark DeMulder/Jeff Simley & Tommy Dewald

Geospatial Programs & Initiatives

NGAC Points of Contact will coordinate with the DFO and Federal Program leads to keep members updated on key Federal geospatial initiatives, programs, and issues. Selected programs may include the following:

- Broadband Mapping
- Geo-location Privacy
- Geospatial Workforce Development
- National Geologic Mapping
- National Parcel Data
- The National Map
- Transportation for the Nation
- Tribal Geospatial Activities and Issues
