1. **Purpose.** The purpose of this SOP is to assist you in your role as the agency/activity parking representative. This SOP is also provided to establish policies and procedures for Marines/Civilian Marines and Contractor personnel who require parking aboard the Pentagon Reservation (**Pentagon and FOB#2**).

2. **Cancellation.** This SOP cancels and supersedes the previous HQMC Parking SOP dated 14 March 2008.

3. **Background.** The Pentagon Force Protection Agency (PFPA) administers and enforces the parking program and controls vehicle access aboard the Pentagon Reservation (Pentagon and FOB#2) per reference (a). The Department of the Navy receives parking allocations for Navy and Marine Corps personnel aboard the Pentagon Reservation from PFPA, based on the most current Pentagon Occupancy and Space Allocation Study (POSAS)

Subj: STANDING OPERATING PROCEDURES (SOP) FOR PARKING ABOARD
THE PENTAGON RESERVATION

percentages. The Navy distributes these parking allocations to the Marine Corps Parking Control Officer (MCPCO), who in turn distributes the allocations to Marine Corps Staff agencies/activities.

Executive parking allocations at the Pentagon are based on the Public Directory of "USMC General Officers & Senior Executives" list. Non-executive allocations will be based on the POSAS. Any remaining Non-executive allocations will be given to staff agencies/activities based on total population of civilian and military personnel.

Allocations for Executives and Non-executives located at FOB#2 are based on the total civilian and military population of each staff agency/activity.

4. **Action**. All HQMC Department/Agencies are to comply with the guidance within this SOP unless superseded by other directives and regulations issued by Director, Administration and Resource Management Division (DirAR) or PFFA, Parking Management Division (PMD). This SOP cannot address every conceivable situation that might arise in day-to-day parking matters. When confronted by a situation unfamiliar to you, and not in this SOP, please consult the DirAR (ARS) immediately for guidance.

5. **Responsibilities**

a. **Parking Control Officer**. The DirAR, Security Programs and Information Management Branch (ARS) is responsible for Marine Corps parking matters aboard the Pentagon Reservation. These parking matters include:

- (1) Permanent/Temporary Parking Permits
- (2) Executive Parking
- (3) Special Event Parking/Access
- (4) Visitor Parking
- (5) Official Business Access Passes
- (6) General Delivery (Remote Delivery Facility Access)

b. **Department/Agency Parking Representatives**. Department/Agency Parking Representatives are assigned in writing by the HQMC Staff Department/Agency. Enclosure (1) is an example of the appointment letter to be signed and returned to the MCPCO. Additionally, all parking representatives must complete enclosure (2), DD Form 2875 (Systems Authorization Access Request) to gain access into the Real Estate and

Subj: STANDING OPERATING PROCEDURES (SOP) FOR PARKING ABOARD
THE PENTAGON RESERVATION

Facilities (RE&F) website <https://refapps.ref.whs.mil/>, for the purpose of managing their respective agency/activity parking allocations.

c. Pentagon Forces Protection Agency Parking Management Division. The PFPA Parking Management Division (PMD) controls all parking aboard the Pentagon Reservation. Their responsibilities include parking allocations (cars/trucks/motorcycles), handicapped, special situations, temporary, and parking enforcement. All parking permits originate from the PFPA PMD.

6. Administration. The first step in the successful management of department/agency parking matters is to familiarize yourself with this SOP. By doing so, you will know exactly how to negotiate the many intricacies of parking management aboard the Pentagon Reservation.

Parking aboard the Pentagon Reservation is a privilege and not a right of employment. Enclosure (8) of reference (a) addresses the abuse of parking privileges. The following are examples that may result in the loss of the department/agency parking allocation, the individual's ability to park aboard the Pentagon Reservation for 6-12 months, a misdemeanor, prosecution, boot, and/or towing at the owner's expense:

- Improper transfer of a parking permit.
- Parking in an unauthorized parking area.
- Parking in an area not designated by the permit.
- Altering a parking permit or the falsification of parking documents or records.

After the MCPCO has received the department/agency parking representative designation letter (enclosure 1), and the Systems Authorization Access Request (DD Form 2875) (enclosure 2), the MCPCO will:

a. Forward enclosures 1 and 2 to the PFPA PMD for processing. Within one week, an account will be established in the Real Estate and Facilities (RE&F) database. This account will allow the department/agency parking representative to manage his/her parking allocations.

b. Provide the department/agency representative with the current parking allocation (by name) of all personnel assigned to that department/agency.

Subj: STANDING OPERATING PROCEDURES (SOP) FOR PARKING ABOARD
THE PENTAGON RESERVATION

c. Provide instructions and assistance to the department/agency representative to assist in the transfer, reallocation, deletion, or turnover of the department/agency parking allocations.

7. **General Parking Request**. Executive, temporary, and visitor parking fall under this general parking category. This category of parking does not impact the department/agency parking allocation unless the request is more than temporary in nature (more than five working days). Executive is defined as any General Officer (GO) or member of the Senior Executive Service (SES) (active or retired) or anyone that will be visiting a General Officer or member of the Senior Executive Service. All general parking requests must be submitted at least **24 hours** prior to the scheduled visit on the Parking Clearance Request Form (enclosure 3) via the **SMB HQMC ARS Parking Mailbox**.

In the event this mailbox is not functioning, the request may be e-mailed to the MCPCO. If your email is not answered by close of business, call (703) 695-0570 or (703) 614-2305. Upon receipt, the MCPCO will place the parking request into the RE&F for processing. Please be advised, the MCPCO is not the final approval authority for your parking request. This request, once entered into the RE&F database must be approved by the PFPA PMD. As such, requests not received within the required 24 hour time frame may not be approved in time for the visit. Therefore, it is imperative that all General Parking Requests are received at least **24 hours** prior to the visit. In the event of a same day parking request, send the Parking Clearance Request Form to the parking SMB mailbox and call (703) 695-0570 or (703) 614-2305 for immediate assistance.

8. **Visitor Parking**. The following is a list of visitor parking for the Pentagon Reservation:

- **Pentagon Executive Parking:** Executive visitor parking for the Pentagon will be assigned at the time of approval.

- **Hayes Street, Fern Street and North Parking (Lane 57-63) Parking:** Parking at the Hayes and Fern Street Lots located on Army Navy Drive and North Parking (Lane 57-63) is designated for visitors and permanent personnel that do not have a permit, or for personnel that are receiving metro subsidy and need to park in general parking areas if they have an urgent need to drive in for the day.

Subj: STANDING OPERATING PROCEDURES (SOP) FOR PARKING ABOARD
THE PENTAGON RESERVATION

- **FOB#2 (Navy Annex) Compound:** There are five (5) Executive visitor spaces (37 through 41) within the Navy Annex Compound that are shared between all DoD Agencies in the building. These spaces are strictly used for visiting General Officer and SESs, or for personnel that are visiting General Officers/SES that work at FOB#2. Compound visitor parking is not authorized for permanent personnel that work in FOB#2 or personnel that possess a parking permit unless it is a GO or SES from the Pentagon.

- **Southgate Road:** Visitor spots are available for non-executive visitors on Southgate Road, marked as visitor parking in between the two blue signs. Permit holders are not authorized to park in designated visitor spaces. Violators will be subject to boot or towing at the owner's expense.

- **FOB#2 General Visitor Parking:** Visitors that require parking for the entire day or more will be cleared for general parking in any FOB#2 designated (F-C) parking area.

9. **Special Event Parking.** Organizations may request special event parking for HQMC-sponsored events that are held aboard the Pentagon Reservation. Examples of these events include but are not limited to; Medal of Honor Ceremony, General Officer Symposium, Brigadier General Officer Symposium, Top Level School, and retirements and promotions hosted by a General Officer or Member of the Senior Executive Service. Since special events normally require a great deal of coordination for both parking and access requirements (non DoD badge holders), it is requested that the MCPCO be notified at least 21 days in advance of the special event. The specific details of your parking requirements and access will be discussed and formalized with the requesting sponsor during the course of individual meetings and by separate correspondence.

Do not place Special Event parking requests into the HQMC ARS Parking Mailbox. All parking requirements for Special Events must be hand carried to the HQMC Parking Control Office (Room 2104) or call (703) 695-0570 or (703) 614-2477.

Retirements and Promotions: Parking Clearance Request forms (enclosure 3) are required for all visitors attending retirements and promotions on the Pentagon Reservation. Executives, immediate family and family members with special needs will be processed and approved as needed. Family members that are not immediate or those who don't have special needs will be cleared for Pentagon Hayes Street parking and for FOB#2

Subj: STANDING OPERATING PROCEDURES (SOP) FOR PARKING ABOARD
THE PENTAGON RESERVATION

"F-C" parking. This category of parking does not impact the department/agency parking allocation.

10. **General Delivery (Remote Delivery Facility)**. All deliveries to the Pentagon Reservation **must** be received and screened at the Remote Delivery Facility (RDF) prior to distribution to any tenant activity. The vehicle driver and any helpers must have a current DoD Building Badge or a completed National Criminal Investigative Check (NCIC) prior to being granted access onto the Pentagon Reservation.

If the driver and/or helpers do not possess a current DoD Building Badge or have not completed the required NCIC check, the process for delivery may take **48 to 72 hours** to coordinate. Department/agencies should submit all requests for deliveries on the Pentagon Reservation Security Access Form, PFPA Form 78 (enclosure 4). PFPA Form 78 is used to verify access and to initiate an NCIC on drivers and/or helpers that do not have a current DoD Building Badge or a current NCIC. Once PFPA Form 78 is completely filled out, submit the form via the **SMB HQMC ARS Parking Mailbox**. Failure to complete the PFPA Form 78 will preclude the individuals from conducting business on the Pentagon Reservation.

The vehicle must be at the RDF within one hour of the time of the requested delivery. The RDF will not allow the vehicle to be processed through the Dock Master if the vehicle fails to be at the RDF in the allotted one hour time limit.

11. **Parking Permits**

a. There are many different types of parking permits aboard the Pentagon Reservation. Each permit is unique and distinct for the Pentagon proper and Federal Office Building #2 (FOB#2). The exception is Handicapped and Carpool permits, which are the same for the Pentagon and FOB#2. Each permit authorizes the holder to park in a specific parking area. It is particularly important that personnel pay strict attention to their assigned parking permit and the authorized parking area for that particular parking permit. **Failure to park in designated parking areas could result in booting or towing at owner's expense.**

Parking in excess of 24 hours in one location requires a prior written request or email from the authorized permit holder to PFPA PMD for approval. This information is provided to the Pentagon Police for security measures.

Subj: STANDING OPERATING PROCEDURES (SOP) FOR PARKING ABOARD
THE PENTAGON RESERVATION

The following is a list of the many different permits aboard the Pentagon Reservation.

<u>Pentagon</u>		<u>FOB#2</u>	
Mall	(M#)	Compound	(CP#)
Corridor #5	(C5#)	"A"#	(NA#)
North Secure #	(NS#)	FOB "A"	(F-A)
South Secure "A"	(SSA#)	FOB "C"	(F-C)
North "A"	(N-A)	B (Carpool)	(B)
South "A"	(S-A)	Handicapped	(H)
North "C"	(N-C)	Motorcycle	(BIKE)
South "C"	(S-C)		
B (Carpool)	(B)		
Handicapped	(H)		
Motorcycle	(BIKE)		

b. Permanent parking is defined as parking spaces assigned to permanent employees (Military, Civilian, Contractor) of HQMC. Permanent parking spaces consist of all the aforementioned parking categories. All requests for permanent parking permits must be submitted on the DD Form 1199 (enclosure 5) along with the Permit Holder's Acknowledgement Statement (enclosure 6). The Permit Holder's Acknowledgement Statement informs all Pentagon Reservation permit holders of their obligation to comply with parking responsibilities.

All information on the DD Form 1199 must be accurate. Both forms (DD 1199 and Permit Holder's Acknowledgement Statement) will be validated by the requestor's signature.

Falsification of the DD 1199 may result in the permanent loss of parking privileges aboard the Pentagon Reservation. Under no circumstances should personnel loan or share a parking permit.

c. General Officers and Members of the Senior Executive Service that possess Mall and Corridor #5 parking permits are authorized to park on the FOB#2 Compound with their current Pentagon Parking Permit. These personnel may park in spaces 37 through 41 if available. If these parking spaces are not available, the MCPCO should be notified at (703) 695-0570 to assist with locating the General Officer or SES Member a parking space. It is recommended that department/agency parking representatives contact the MCPCO in advance of the General Officer or SES Member visiting FOB#2 to avoid any delay in locating a parking space. Additionally, GO's/SES members have been placed on a six month access list. This access list authorizes the GO/SES member access aboard the FOB#2 compound in

Subj: STANDING OPERATING PROCEDURES (SOP) FOR PARKING ABOARD
THE PENTAGON RESERVATION

visitor parking spaces 37 through 41 only without prior clearance. However, it is highly recommended that department/agency parking representatives contact the MCPCO prior to the anticipated visit to ensure parking is available.

d. All Marine Corps personnel assigned to FOB#2 in possession of a Compound parking permit or "A" numbered parking permit may park at the Pentagon in areas designated as "S-A", "N-A" "S-C", "N-C", and "B" daily during the work day.

Marine Corps personnel assigned to the Pentagon in possession of a "NS#" or "SSA#" permit may park at FOB#2 in areas designated as "F-A", "F-C", and "B" daily during the work day.

Marine Corps personnel assigned to the Pentagon in possession of an "N-A" or "S-A" permit may park at FOB#2 after 1400 daily in areas designated as "F-A" and "F-C".

Marine Corps personnel assigned to the Pentagon in possession of an "N-C" or "S-C" permit may park at FOB#2 after 1400 daily in areas designated as "F-C".

Marine Corps personnel assigned to FOB#2 in possession of an "F-A" permit may park at the Pentagon after 1400 daily in areas designated as "N-A" or "S-A".

Marine Corps personnel assigned to FOB#2 in possession of an "F-C" permit may park at the Pentagon after 1400 daily in areas designated as "N-C" or "S-C".

Personnel with "H" Handicapped or "B" Carpool parking permits may park at Pentagon or FOB#2 designated lanes at any time.

e. Handicapped Parking: State sponsored Handicapped Parking Placards are not recognized aboard the Pentagon Reservation. Only personnel with handicapped parking permits issued by the PFFA PMD are authorized to park in the designated handicapped parking areas at the Pentagon and FOB#2. Personnel requesting handicapped parking must obtain a formal letter (on letter head) from their doctor addressing the disability and the anticipated length of time needed for handicapped parking permit, with the doctor's original signature. Enclosure (7) lists the procedures by which handicapped parking is requested.

The medical evaluation documentation presented in support of a disabled parking request must address the following questions:

Subj: STANDING OPERATING PROCEDURES (SOP) FOR PARKING ABOARD
THE PENTAGON RESERVATION

(1) Is the severe walking impairment permanent? If the walking impairment is not permanent, how long is it expected to last?

(2) Does the severe walking impairment prevent the use of public transportation? If so, how?

(3) Does the severe walking impairment prevent participation in a car pool, either as an operator or as passenger? If so, how?

(4) What are the limitations on walking specific distances?

(5) Why do the increased walking distances from certain parking areas adversely affect the disability?

(6) Are there other relevant statements supporting the request for an "H" permit?

Once the requestor receives the doctor's note, it must be faxed or hand carried to:

**Department of Defense
DiLorenzo TRICARE Health Clinic
5801 Army Pentagon, Room 4A870
Washington, DC 20310-5801
Comm: (703) 692-8569
Fax: (703) 692-6250**

The DiLorenzo clinic will fax the approval letter back to the requestor. Once the requestor receives the approval letter from the clinic, they must submit the clinic approval letter to the PFPA PMD. The PFPA PMD will have the requestor fill out and sign the Form DD 1199 and the Permit Holder's Acknowledgement Statement for processing. Once the permit is ready for pick-up the PFPA PMD or the MCPCO will notify the requestor. The requestor will pick up the permit from the PFPA PMD or HQMC MCPCO and sign the control card.

f. Temporary Disability: Temporary disability parking permits are granted based on the time period specified by the DoD Health Services as indicated on the medical documentation submitted by the requestor. PFPA PMD may authorize temporary disabled parking for up to 60 days once documentation is obtained from the requestor's physician. Authorized parking spaces for the temporary disability category are located in

Subj: STANDING OPERATING PROCEDURES (SOP) FOR PARKING ABOARD
THE PENTAGON RESERVATION

Pentagon North and South Parking Lots, FOB#2 Lot 1 and Southgate Road, and Eads Street Lot for 400 Army-Navy Drive. Persons holding temporary disability parking permits may park in designated disabled spaces. If the marked disabled parking spaces are full, temporary disability parking permit holders may park in any vacant parking space except for reserved numbered spaces. Individuals authorized a temporary disability permit and who currently possess another permit will be required to turn in that parking permit to PFFPA PMD during the duration of the disability. PFFPA PMD will hold the permit in the individual's parking records, not to exceed a 1-year time period. Upon termination of the disability permit, the individual may retrieve the original parking permit from PFFPA PMD.

g. Carpool and Vanpool Parking: Carpool and Vanpool parking permits are handled exclusively by the PFFPA PMD. Van/Car Pool reserved parking areas are designated by parking signage as "B" throughout the Pentagon Reservation. In order to obtain a van or car pool permit, specific requirements must be met:

(1) Van pool permit requires a minimum of seven members with at least four of the members employed full time and physically working on the Pentagon Reservation. Members participating in a van pool must provide proof of residence and should live within the same general area or driving route to the Pentagon Reservation. The driving route of participants may be questioned by PFFPA PMD and may require written statements. The principal member and all other van pool members shall apply for and obtain the van pool permit from PFFPA PMD, located in Room 2E165, Pentagon Concourse. Pentagon Reservation van pool permit holders must be registered with the Washington Metropolitan Area Transit Authority to retain their "B" parking permit.

(2) Car pool permit requires a minimum of two members. All members must be employed full time and physically working on the Pentagon Reservation. Members participating in a car pool must provide proof of residence and should live within the same general area or driving route to the Pentagon Reservation. The driving route of participants may be questioned by PFFPA PMD and may require written statements. The principal member and all other car pool members shall apply and obtain the car pool permit from PFFPA PMD, located in Room 2D1039, Pentagon Concourse.

(3) All members are required to fill out and sign the Form DD 1199 and the Permit Holder's Acknowledgement Statement

Subj: STANDING OPERATING PROCEDURES (SOP) FOR PARKING ABOARD
THE PENTAGON RESERVATION

at the PFPA PMD in room 2D1039. The PFPA PMD will issue the carpool or vanpool permit at that time.

(4) Carpool and Vanpool parking permits will expire according to the expiration date of the members DoD badge. Renewal of the permit is the responsibility of the principal members of the carpool or vanpool.

h. Temporary Parking Permit: A temporary parking permit is issued based on the following criteria:

(1) New personnel or individuals out-processing with a copy of official orders or in/out processing papers. Temporary parking permits shall not exceed 2 weeks in duration. Individuals may obtain the temporary permit from PFPA PMD, located in Room 2D1039, Pentagon Concourse.

(2) Other reasons, such as: forgotten permit; requirements outside of the mass transit hours of operation, not to exceed 5 calendar days; or temporary duty not to exceed 1 week. Individuals may obtain a temporary permit from PFPA PMD, located in Room 2D1039, Pentagon Concourse.

(3) For individuals enrolled in the NCR Mass Transit Subsidy Program who require temporary parking that exceeds 5 work days to support a requirement outside of the mass transit operation hours, the individual must have written authorization from their staff agency. The agency will submit the request for approval to PFPA PMD for processing. Each individual is required to pick up and return parking permits to PFPA PMD.

(4) HQMC Personnel that are cleared for general parking (F-C) are authorized to park in any FOB#2 designated parking areas on the lower half of Southgate Road or in the Columbia Pike parking lots. The only parking authorized for contractors is F-C parking. Personnel that receive the metro subsidy must contact their agency parking representative and submit a parking clearance request form to park in general parking areas if they have an urgent need to drive in for the day.

12. Assignment of Executive Parking Permits. Permanent Executive Parking is defined as General Officer, Member of the Senior Executive Service, Executive Assistant, and Sergeant Major of the Marine Corps. Executive parking spaces at the Pentagon are assigned by the Director, Marine Corps Staff. Executive Parking permits at FOB#2 are assigned by the DirAR.

Subj: STANDING OPERATING PROCEDURES (SOP) FOR PARKING ABOARD
THE PENTAGON RESERVATION

13. **Deleted, Cancelled, Replacement Parking Permits**

a. Deleting a parking permit allows the department/agency to recover the parking allocation for re-issue to another individual. This is accomplished by the department/agency parking representative accessing the RE&F and deleting the current permit holder in the system. This can only be accomplished when the original permit holder has returned the parking permit to the MCPCO at FOB#2.

b. All lost, stolen or missing parking permits must be reported by the permit holder to the PFPA Command Center (PCC) at (703) 697-1001. If the permit holder no longer works onboard the Pentagon Reservation and fails to return the permit, the agency parking rep must call the PCC and report the permit missing. For missing permits, the following procedures are:

(1) PCC personnel will take a statement from the caller and will give the caller a case number.

(2) The caller must give the case number to their respective agency parking rep to enter into the parking database to generate a replacement permit for a permit reported lost or stolen. If the caller is a van/car pooler, the individual must report the case number to the PFPA PMD for replacement.

14. **Official Vehicles**. The parking areas currently designated in North Parking as "O" (Official) are for marked government-owned, unmarked government-owned or government-leased vehicles as well as other government agencies visiting the Pentagon Reservation on official business using a government vehicle. The requirements for the following government vehicles are:

a. **Marked Government**. All marked government-owned vehicles that routinely park at the Pentagon Reservation must display a PFPA PMD-provided Pentagon Reservation location sticker affixed to the bottom left corner (driver's side) of the vehicle windshield. The location stickers are required to identify the applicable government agency the vehicle is assigned to, the point of contact at that agency, and work phone number that will be maintained in the PFPA PMD database. Visiting Federal government agencies may obtain location stickers by submitting a letter of request from the agency to PFPA PMD. The letter must include the name of the agency point of contact, a work telephone number, the agency's location, all applicable government vehicle license plate numbers, vehicle description, and the name of the DoD agency being visited.

Subj: STANDING OPERATING PROCEDURES (SOP) FOR PARKING ABOARD
THE PENTAGON RESERVATION

b. Unmarked Government. Unmarked government-owned or leased vehicles must display a Pentagon Reservation "O" parking permit while parked on the Pentagon Reservation. Other government agency official decal/placards are not authorized for parking access on the Pentagon Reservation. An "O" parking permit may be obtained on a space availability basis by submitting a letter of justification through the appropriate department/agency parking representative to PFPA PMD along with a copy of the state-issued registration for each vehicle or a copy of the lease agreement for each vehicle. This letter must be sent via DirAR, (ARS) to:

Department of Defense
Pentagon Force Protection Agency (PFPA)
Attention: Parking Management Division (PMD)
9000 Defense Pentagon, Room 2D1039
Washington, DC 20301-9000

PFPA PMD will conduct a review of submitted requests and may issue an "O" parking permit upon verification of submitted information. Although owned by General Services Administration (GSA), some unmarked vehicles may bear state-issued license plates. These plates are issued and displayed for security purposes and the vehicles are eligible to park on the Pentagon Reservation.

All occupants in the vehicle must have a DOD Badge or CAC card.

c. Official Business (OB) Access Pass. A temporary pass may be issued every 18 months to DoD agencies and other Federal or contracting agencies with a transportation fleet of marked or unmarked government or leased vehicles to transport their senior officials with official business at the Pentagon. The "OB" pass allows the vehicle access through the controlled gates after security measures are performed by Pentagon police officers or contract guards. Entry through the vehicle controlled gates requires 100 percent identification checks and vehicles to be screened. All occupants of the vehicle will be required to show one of the following forms of photo identification at the vehicle secured gates: "DoD Building Pass;" DoD CAC; or Federal agency badge or credentials. To proceed with the vehicle through the controlled gates, all non-DoD badge holders will be required to be processed through the "Visitor Access Control" system 48 hours prior to arriving at the Pentagon. Security checks may cause a slight delay in entry. Drivers should plan accordingly and be prepared prior to arrival. There are limited temporary "standing only" parking

THE PENTAGON RESERVATION

spaces reserved for drivers waiting for their principal within
the secured areas.

An "OB" parking permit may be obtained by submitting a letter of
justification through the appropriate department/agency parking
representative to PFPA PMD. The agency point of contact and
pertinent vehicle information must be included. This letter
must be sent via DirAR, (ARS) to:

Any area designated as "F-C" parking.

All occupants in the vehicle must have a DOD Badge or CAC card.

15. Boot and Towed Vehicle Information. In the event government
or privately owned vehicles have been booted or towed, please
contact the Pentagon Force Protection Agency at (703) 697-1001.
The cost to recover your vehicle is \$75.00 for boot removal or
\$95.00 for tow, cash only.

a. Vehicles are subject to towing or booting when they are:

(1) Parked in unauthorized parking areas, grassy areas,
within the Remote Delivery Facility Secured Access Lanes, near
guard booths, along yellow curbs, or in a manner that blocks
traffic or pedestrian lanes; not displaying the authorized
permit assigned to the individual and vehicle tag number;
displaying an invalid or expired parking permit; displaying
expired state-issued registration; or parking a vehicle so that
it occupies or utilizes portions of two marked parking spaces.

(2) Covered with any type of car cover prohibiting a Pentagon police officer from seeing the parking permit or vehicle license plate number.

16. **Personal Vehicle Damage.** Fault of Government: In the event that a personal vehicle is damaged on the Pentagon Reservation and it is the fault of the government, the member may file a claim through the Legal Office located at Fort Myer. The Legal office can be reached at 703-696-0761. Claims are only processed when the damage was the fault of the government, i.e. security gate rose up and damaged the vehicle, or the damage was based on negligence i.e. failure to remove metal post from broken signage causing damage to vehicle tires.

Other Incidents: For any incident not the fault of the government, the member must call the Pentagon Police and report the incident. The Pentagon Police can be reached at 703-697-5555.

17. **Contact.** If you have any questions regarding parking management, please contact the HQMC Parking Control Officer, Ms. Emily C. Paige at (703) 695-0570 or emily.paige@usmc.mil or Mr. Wallace C. Simms at (703) 614-2477 or Wallace.simms@usmc.mil.

**Pentagon Reservation Permit Holder's Acknowledgement Statement of
Parking Responsibility**

The Pentagon is a secure and controlled facility. All vehicles accessing and parking on the Reservation must be identified by the individual's name and vehicle tag number. You have been issued a parking permit assigned to your name and vehicle license tag number. As a Pentagon Reservation permit holder, you are obligated to comply with the rules stated below. Failure to comply will result in the vehicle being towed, administrative actions, and if applicable, criminal sanction. As a permit holder:

- I will keep parking data information, such as; mass transit benefit membership, work phone number, vehicle tag numbers, car pool membership, if applicable, current at all times with the Parking Management Division (PMD), located in Room 2E165A, Concourse. My vehicles not properly registered will be towed.
- I will return the assigned parking permit issued upon out-processing, retiring, expiration, or leaving the agency to PMD. I understand the permit is non-transferable to another individual. This illegal act subjects me to be investigated and possible criminal sanction.
- Any modification, reproduction, or replication to the Parking Permit is prohibited. Violators are subject to administrative action and/or criminal prosecution and having their vehicle immediately towed at their own expense.
- I understand that my vehicle will be immediately towed per the following offenses:
 1. Displaying an expired Parking Permit
 2. Displaying a Parking Permit not issued to the vehicle it's displayed upon
 3. Vehicles parked in a non-designated parking area for the type of Parking Permit displayed; i.e., a "C" Parking Permit parked in an "A" designated parking area.

VIOLATOR'S PARKING PRIVILEGES MAY BE SUSPEND FOR UP TO 12 MONTHS PER THE ABOVE OFFENSES.

I have read and acknowledge my responsibility as a Pentagon Reservation permit holder upon the receipt of the assigned parking permit.

PENTAGON RESERVATION HANDICAP PROCEDURES FOR PARKING

1. Obtain a formal letter on letterhead from your doctor addressing the following issues in accordance with "A.I.88, Pentagon Parking Program":

Whether the disability is permanent, and if not, how long the disability is expected to last.

Whether the disability prevents the use of public transportation. If so how?

Whether the disability prevents participation in a carpool, either as an operator or as a passenger. If so, how?

What the limitations are, if any, on walking specific distances.

Why the increased walking distances from a carpool area might be incapacitating.

Any other relevant information supporting the request for an "H" permit.

2. The requestor must call the Health Unit at (703) 692-8803 to make an appointment for approval of handicapped parking permit. Civilians may call the Civilian Health Unit at 692-8569 for an appointment.
3. The Health Clinic will issue you a form. If the form is for a permit less than 2 months, bring the form to the Parking Management Office, Room 2E165A Concourse, adjacent to the Post Office and a permit will be issued. If the form is 3 months or more, call your appropriate agency parking representative (listed below) for further instructions and forms.

4. Please note that a state's decision to issue you a handicapped parking sticker has no bearing on the Defense Department's decision whether to issue you a parking permit for a particular area in the parking lots. You should also note that a Pentagon Reservation permit is required to park anywhere on the Reservation. Vehicles without an authorized Pentagon Reservation permit will be towed.

HANDICAPPED PARKING PRIVILEGES

Dear Colleague:

This employee is requesting special handicapped parking privileges.

Parking is very scarce at this installation and must be parceled out carefully to meet the needs of numerous employees who may require it for medical reasons.

I would appreciate your making a careful evaluation of your patient's need for special parking.

Your letter of support should clearly specify:

1. The precise nature of the condition
2. How far the patient is able to ambulate
3. Any assistive devices (cast, crutches, canes, walker, oxygen, etc)
4. The projected duration of the handicap
5. Whether the patient is allowed to drive

The letter should be typed or legibly written and dated on letterhead by a medical doctor with his/her original signature. It should be noted that a DMV handicapped parking sticker is not sufficient justification to warrant handicapped parking privileges in the Pentagon.

Thank you for helping us come to a decision in this situation.

Sincerely,

Robert V. Veiga, M.D., M.P.H.
