[ADB Job Opportunities](#)

To assist the Asian Development Bank (ADB) in its recruitment of qualified professional staffs, the CS ADB website: www.buyusa.gov/adb/adjob_opportunities.html will begin to advertise the bank's job vacancy announcements beginning this June, 2010.

[Submitting Expressions of Interest](#)

Consultant selection for technical assistance grants are based on the consultant's prior Expression of Interest (EOI). A good EOI should reflect the firm's experience and expertise in relation to the ADB project being pursued. It is important for a U.S. firm to emphasize this, or similar project experience in the country or in a similar geographic area rather than state a general profile of its consulting activities. When submitting an EOI, the project name should exactly match the one listed in this report to avoid confusion. Each project requires a separate EOI.

An EOI should be submitted on-line through the ADB website at www.adb.org. Firms may send a hardcopy follow-up to the Director, Central Operations Services 1 Division or to the Director, Central Operations Services 2 Division, with a copy to the ADB Project Officer.

[Registering Consulting Firms and/or Individual Consultants](#)

The ADB consultants registration system has been revised into a new and integrated system called **Consultant Management System (CMS)** for both consulting firms and individuals.

Records should be updated at least once a year; otherwise, inactive profiles will be de-activated and excluded from consultants' searches.

Visit www.adb.org/Consulting/cms.asp for more information.

[U.S. Commercial Service Liaison Office to the Asian Development Bank \(CS ADB\) and the U.S. Executive Directors to the ADB Office \(USED\)](#)

U.S. firms are encouraged to keep in contact with the **U.S. Commercial Service Liaison Office to the Asian Development Bank (CS ADB)** especially when they decide to participate in ADB procurement activities. This office works closely with the Office of the U.S. Executive Director to the ADB (USED) to increase American awareness of, and participation in, the ADB's procurement activities.

For CS ADB assistance, please contact: Mr. Joel Fischl, Director (E-mail: Joel.Fischl@mail.doc.gov)

U.S. firms may also notify their interest to pursue ADB business opportunities by sending a copy of their Expressions of Interest (EOI) to CS ADB to either of the following addresses:
