

**MODEL INTERGOVERNMENTAL AGREEMENT TO IMPROVE TAX
COMPLIANCE AND TO IMPLEMENT FATCA**

[NONRECIPROCAL VERSION]

**Agreement Between the [Government of the] United States of America and [the
Government of] [FATCA Partner] to Improve International Tax Compliance and to
Implement FATCA**

Whereas, the [Government of the] United States and [the Government of] [FATCA Partner] (each, a “Party”) have a longstanding and close relationship with respect to mutual assistance in tax matters and desire to conclude an agreement to improve international tax compliance by further building on that relationship,

Whereas, [Article [] of the Income Tax Convention between the United States and [FATCA Partner]/[the Convention on Mutual Administrative Assistance in Tax Matters] (the “Convention”)/[Article [] of the Tax Information Exchange Agreement between the United States and [FATCA Partner] (the “TIEA”)] authorizes exchange of information for tax purposes, including on an automatic basis,

Whereas, the United States enacted provisions commonly known as the Foreign Account Tax Compliance Act (“FATCA”), which introduce a reporting regime for financial institutions with respect to certain accounts,

Whereas, [FATCA Partner] is supportive of the underlying policy goal of FATCA to improve tax compliance,

Whereas, FATCA has raised a number of issues, including that [FATCA Partner] financial institutions may not be able to comply with certain aspects of FATCA due to domestic legal impediments,

Whereas, the Parties are committed to working together over the longer term towards achieving common reporting and due diligence standards for financial institutions,

Whereas, the [Government of the] United States acknowledges the need to coordinate the reporting obligations under FATCA with other U.S. tax reporting obligations of [FATCA Partner] financial institutions to avoid duplicative reporting,

Whereas, an intergovernmental approach to FATCA implementation would address legal impediments and reduce burdens for [FATCA Partner] financial institutions,

Whereas, the Parties desire to conclude an agreement to improve international tax compliance and provide for the implementation of FATCA based on domestic reporting and automatic exchange pursuant to the [Convention/TIEA] and subject to the confidentiality and other protections provided for therein, including the provisions limiting the use of the information exchanged under the [Convention/TIEA],

Now, therefore, the Parties have agreed as follows:

2. **Significant non-compliance.**

- a) The U.S. Competent Authority will notify the Competent Authority of [FATCA Partner] when the U.S. Competent Authority has determined that there is significant non-compliance with the obligations under this Agreement with respect to a Reporting [FATCA Partner] Financial Institution. The IRS will make available a list of all Reporting [FATCA

Partner] Financial Institutions that are treated as Nonparticipating Financial Institutions pursuant to this paragraph.

Unless the Reporting [FATCA Partner] Financial Institution elects otherwise, where the implementing rules in [FATCA Partner] provide for such an election, the following accounts are not required to be reviewed, identified, or reported as U.S. Reportable Accounts:

1. Subject to subparagraph E (2) of this section, Preexisting Individual

Accounts with a balance or value that does not exceed \$50,000 as of December 31, 2013.

2. Subject to subparagraph E (2) of this section, Preexisting Individual Accounts that are Cash Value Insurance Contracts and Annuity Contracts with a balance or value of \$250,000 or less as of December 31, 2013.

3. Preexisting Individual Accounts that are Cash Value Insurance Contracts or Annuity Contracts, provided the law or regulations of the [FATCA Partner] or the United States effectively prevents the sale of Cash Value Insurance Contracts or Annuity Contracts to U.S. residents, such as if the relevant financial institution does not have the required registration under U.S. law, and the law of [FATCA Partner] requires reporting or withholding with respect to insurance products held by residents of [FATCA Partner].

4. Any Depository Account with a balance or value of \$50,000 or less.

B. Review Procedures for Preexisting Individual Accounts With a Balance or Value as of December 31, 2013, that Exceeds \$50,000 (\$250,000 for a Cash Value Insurance Contract or Annuity Contract), But Does Not Exceed \$1,000,000 (“Lower Value Accounts”)

1. **Electronic Record Search.** The Reporting [FATCA Partner] Financial Institution must review electronically searchable data maintained by the Reporting [FATCA Partner] Financial Institution for any of the following U.S. indicia:

- a) Identification of the account holder as a U.S. citizen or resident;
- b) Unambiguous indication of a U.S. place of birth;
- c) Current U.S. mailing or residence address (including a U.S. post office box or U.S. “in-care-of” address);
- d) Current U.S. telephone number;
- e) Standing instructions to transfer funds to an account maintained in the United States;
- f) Currently effective power of attorney or signatory authority granted to a person with a U.S. address; or
- g) An “in-care-of” or “hold mail” address that is the *sole* address the Reporting [FATCA Partner] Financial Institution has on file for the account holder. In the case of a Preexisting Individual Account that is a Lower Value Account, an “in-care-of” address outside the United States will not be treated as a U.S. indicium.

2. If none of the U.S. indicia listed in subparagraph B (1) of this paragraph are discovered in the electronic search, then no further action is

required until there is a change in circumstances described in subparagraph C (2) of this paragraph with respect to the account that results in one or more U.S. indicia being associated with the account.

3. If any of the U.S. indicia in subparagraph B (1) of this section are discovered in the electronic search, then Reporting [FATCA Partner] Financial Institution must treat the account as a U.S. Reportable Account unless it elects to apply subparagraph B (4) of this paragraph and one of the exceptions in such subparagraph applies with respect to that account.

4. Notwithstanding a finding of U.S. indicia under subparagraph B (1) of this section, a Reporting [FATCA Partner] Financial Institution is not required to treat an account as a U.S. Reportable Account if:

a) Where account holder information unambiguously indicates a ***U.S. place of birth***, the Reporting [FATCA Partner] Financial Institution obtains or has previously reviewed and maintains a record of:

(1) a self-certification that the account holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form);

(2) a non-U.S. passport or other government-issued identification evidencing the account holder's citizenship or nationality in a country other than the United States; ***and***

(3) a copy of the individual's Certificate of Loss of Nationality of the United States or a reasonable explanation of:

(a) the reason the individual does not have such a certificate despite renouncing U.S. citizenship; ***or***

(b) the reason the account holder did not obtain U.S. citizenship at birth.

b) Where account holder information contains a ***current U.S. mailing or residence address, or one or more U.S. telephone numbers that are the only telephone numbers associated with the account***, the Reporting [FATCA Partner] Financial Institution obtains or has previously reviewed and maintains a record of:

(1) a self-certification that the account holder is not a U.S. citizen or resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form); ***and***

(2) a non-U.S. passport or other government-issued identification evidencing the account holder's citizenship in a country other than the United States.

c) Where account holder information contains *standing instructions to transfer funds to an account maintained in the United States*, the Reporting [FATCA Partner] Financial Institution obtains or has previously reviewed and maintains a record of:

- (1) a self-certification that the account holder is not a U.S. citizen or resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form); *and*
- (2) documentary evidence, as defined in paragraph VI.D of this Annex I, establishing the account holder's non-U.S. status.

d) Where account holder information contains *a currently effective power of attorney or signatory authority granted to a person with a U.S. address, has an "in care of" address or "hold mail" address that is the sole address identified for the account holder, or has one or more U.S. telephone numbers (if a non-U.S. telephone number is also associated with the account)*, the Reporting [FATCA Partner] Financial Institution obtains or has previously reviewed and maintains a record of:

- (1) a self-certification that the account holder is not a U.S. citizen or resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form); *or*
- (2) documentary evidence establishing the account holder's non-U.S. status.

C. **Additional Procedures Applicable to Preexisting Individual Accounts That Are Lower Value Accounts**

1. Review of Preexisting Individual Accounts that are Lower Value Accounts for U.S. indicia must be completed by December 31, 2015.
2. If there is a change of circumstances with respect to a Preexisting Individual Account that is a Lower Value Account that results in one or more U.S. indicia described in subparagraph B (1) of this section being associated with the account, then Reporting [FATCA Partner] Financial Institution must treat the account as a U.S. Reportable Account unless subparagraph B (4) of this section applies.
3. Except for Depository Accounts described in subparagraph A (4) of this section, any Preexisting Individual Account that has been identified as a U.S. Reportable Account under this section will be treated as a U.S. Reportable Account in all subsequent years, unless the account holder ceases to be a Specified U.S. Person.

D. **Enhanced Review Procedures for Preexisting Individual Accounts With a Balance or Value That Exceeds \$1,000,000 as of December 31, 2013, or December 31 of Any Subsequent Year ("High-Value Accounts")**

1. **Electronic Record Search.** The Reporting [FATCA Partner] must review electronically searchable data maintained by the Reporting [FATCA Partner] Financial Institution for any of the U.S. indicia identified in subparagraph B (1) of this section.

2. **Paper Record Search.** If the Reporting [FATCA Partner] Financial Institution's electronically searchable databases include fields for and capture all of the information identified in subparagraph D (3) of this section, then no further paper record search is required. If the electronic databases do not capture all of this information, then with respect to High Value Accounts, the Reporting [FATCA Partner] Financial Institution must also review the current customer master file and, to the extent not contained in the current customer master file, the following documents associated with the account and obtained by the Reporting [FATCA Partner] Financial Institution within the last five years for any of the U.S. indicia identified in subparagraph B (1) of this section:
 - a) the most recent documentary evidence collected with respect to the account;
 - b) the most recent account opening contract or documentation;
 - c) the most recent documentation obtained by the Reporting [FATCA Partner] Financial Institution pursuant to AML/KYC Procedures or for other regulatory purposes;
 - d) any power of attorney or signature authority forms currently in effect; and
 - e) any standing instructions to transfer funds currently in effect.

3. **Exception Where Databases Contain Sufficient Information.** A Reporting [FATCA Partner] Financial Institution is not required to perform the paper record search described in subparagraph D (2) of this section if the Reporting [FATCA Partner] Financial Institution's electronically searchable information includes the following:
 - a) the account holder's nationality or residence status;
 - b) the account holder's residence address and mailing address currently on file with the Reporting [FATCA Partner] Financial Institution;
 - c) the account holder's telephone number(s) currently on file, if any, with the Reporting [FATCA Partner] Financial Institution;
 - d) whether there are standing instructions to transfer funds in the account to another account (including an account at another branch of the Reporting [FATCA Partner] Financial Institution or another

Financial Institution);

e) whether there is a current “in care of” address or “hold mail” address for the account holder; *and*

f) whether there is any power of attorney or signatory authority for the account.

4. **Relationship Manager Inquiry for Actual Knowledge.** In addition to the electronic and paper record searches described above, Reporting [FATCA Partner] Financial Institution must treat as U.S. Reportable Accounts any High Value Accounts assigned to a relationship manager (including any accounts aggregated with such account) if the relationship manager has actual knowledge that the account holder is a Specified U.S. Person.

5. **Effect of Finding U.S. Indicia.**

a) If none of the U.S. indicia listed in subparagraph B (1) of this section are discovered in the enhanced review of High Value Accounts described above, and the account is not identified as held by a U.S. person in subparagraph D (4) of this section, then no further action is required until there is a change in circumstances described in subparagraph E (4) of this section.

b) If any of the U.S. indicia listed in subparagraph B (1) of this section are discovered in the enhanced review of High Value Accounts described above, or if there is a subsequent change in circumstances that results in one or more U.S. indicia being associated with the account, then Reporting [FATCA Partner] Financial Institution must treat the account as a U.S. Reportable Account unless subparagraph B (4) of this section applies.

c) Except for Depository Accounts described in paragraph A (4) of this section, any Preexisting Individual Account that has been identified as a U.S. Reportable Account under this section will be treated as a U.S. Reportable Account in all subsequent years, unless the account holder ceases to be a Specified U.S. Person.

E. **Additional Procedures Applicable to High Value Accounts**

1. If a Preexisting Individual Account is a High Value Account as of December 31, 2013, the Reporting [FATCA Partner] Financial Institution must complete the enhanced review procedures described in paragraph D of this section with respect to such account by December 31, 2014. If based on this review, such account is identified as a U.S. Reportable Account, the Reporting [FATCA Partner] Financial Institution must report the required information about such account with respect to 2013 and 2014 in the first report on the Account. For all subsequent years, information about the account should be reported on an annual basis.

2. If a Preexisting Individual Account is not a High Value Account as of December 31, 2013, but becomes a High Value Account as of the last day of a subsequent calendar year, the Reporting [FATCA Partner] Financial Institution must complete the enhanced review procedures described in paragraph D of this section with respect to such account within six months after the last day of the calendar year in which the account becomes a High Value Account. If based on this review, such account is identified as a U.S. Reportable Account, the Reporting [FATCA Partner] Financial Institution must report the required information about such account with respect to the year in which it is identified as a U.S. Reportable Account and subsequent years on an annual basis.

3. Once a Reporting [FATCA Partner] Financial Institution applies the enhanced review procedures set forth above to a High Value Account, the Reporting [FATCA Partner] Financial Institution will not be required to re-apply such procedures, other than the relationship manager inquiry in subparagraph D (4) of this section, to the same High Value Account in any subsequent year.

4. If there is a change of circumstances with respect to a High Value Account that results in one or more U.S. indicia described in subparagraph B (1) of this section being associated with the account, then the Reporting [FATCA Partner] Financial Institution must treat the account as a U.S. Reportable Account unless subparagraph B (4) of this section applies.

5. A Reporting [FATCA Partner] Financial Institution must implement procedures to ensure that a relationship manager identifies any change in circumstances of an account. For example, if a relationship manager is notified that the account holder has a new mailing address in the United States, the Reporting [FATCA Partner] Financial Institution will be required to treat the new address as a change in circumstances and will be required to obtain the appropriate documentation from the account holder.

III. **New Individual Accounts.** The following rules and procedures apply for identifying U.S. Reportable Accounts among accounts held by individuals and opened on or after January 1, 2014 (“New Individual Accounts”).

A. **Accounts Not Required to Be Identified or Reported.** Unless the Reporting [FATCA Partner] Financial Institution elects otherwise where the implementing rules in [FATCA Partner] provide for such an election:

1. A New Individual Account that is a Depository Account is not required to be reviewed, identified, or reported as a U.S. Reportable Account unless the account balance exceeds \$50,000.

2. A New Individual Account that is a Cash Value Insurance Contract is not required to be reviewed, identified, or reported as a U.S. Reportable Account unless the Cash Value exceeds \$50,000.

B. **Other New Individual Accounts.** With respect to New Individual Accounts

not described in paragraph A of this section, upon account opening, the Reporting [FATCA Partner] Financial Institution must obtain a self-certification which may be part of the account opening documentation, that allows the Reporting [FATCA Partner] Financial Institution to determine whether the account holder is resident in the United States for tax purposes (for this purpose, a U.S. citizen is considered to be resident in the United States for tax purposes, even if the account holder is also a tax resident of another country) and confirm the reasonableness of such self-certification based on the information obtained by the Reporting [FATCA Partner] Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML/KYC Procedures.

C. If the self-certification establishes that the account holder is resident in the United States for tax purposes, the Reporting [FATCA Partner] Financial Institution must treat the account as a U.S. Reportable Account and obtain a self-certification that includes the account holder's U.S. TIN (which may be an IRS Form W-9 or other similar agreed form).

D. If there is a change of circumstances with respect to a New Individual Account that causes the Reporting [FATCA Partner] Financial Institution to know or have reason to know that the original self-certification is incorrect or unreliable, the Reporting [FATCA Partner] Financial Institution cannot rely on the original self-certification and must obtain a valid self-certification that establishes whether the account holder is a U.S. citizen or resident for U.S. tax purposes. If the Reporting [FATCA Partner] Financial Institution is unable to obtain a valid self-certification, the Reporting [FATCA Partner] Financial Institution must treat the account as a U.S. Reportable Account.

IV. **Preexisting Entity Accounts.** The following rules and procedures apply for purposes of identifying U.S. Reportable Accounts and accounts held by a Nonparticipating Financial Institutions among Preexisting Accounts held by entities ("Preexisting Entity Accounts").

A. **Entity Accounts Not Required to Be Reviewed, Identified or Reported.** Unless the Reporting [FATCA Partner] Financial Institution elects otherwise, where the implementing rules in [FATCA Partner] provide for such an election, Preexisting Entity Accounts with account balances that do not exceed \$250,000 as of December 31, 2013, are not required to be reviewed, identified, or reported as U.S. Reportable Accounts until the account balance exceeds \$1,000,000.

B. **Entity Accounts Subject to Review.** Preexisting Entity Accounts that have an account balance or value that exceeds \$250,000 as of December 31, 2013, and Preexisting Entity Accounts that initially do not exceed \$250,000 but the account balance of which later exceeds \$1,000,000 must be reviewed in accordance with the procedures set forth in paragraph C of this section.

C. **Entity Accounts With Respect to Which Reporting is Required.** With respect to Preexisting Entity Accounts described in paragraph B of this section, only accounts that are held by one or more entities that are Specified U.S. Persons, or by Passive NFFEs with one or more Controlling Persons who are U.S. citizens or residents will be treated as U.S. Reportable Accounts. In addition, accounts held by

Nonparticipating Financial Institutions will be treated as accounts for which aggregate payments as described in paragraph 1(b) of Article 4 of the Agreement are reported to [FATCA Partner].

D. **Review Procedures for Identifying Entity Accounts With Respect to Which Reporting is Required.** For Preexisting Entity Accounts described in paragraph B of this section, the Reporting [FATCA Partner] Financial Institution must apply the following review procedures to determine whether the account is held by one or more Specified U.S. Persons, by Passive NFFEs with one or more Controlling Persons who are U.S. citizens or residents, or by a Nonparticipating Financial Institution:

1. **Determine Whether the Entity is a Specified U.S. Person.**
 - a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine whether the information indicates that the entity account holder is a U.S. Person. For this purpose, information indicating that the entity is a U.S. Person includes a U.S. place of incorporation or organization, or a U.S. address.
 - b) If the information indicates that the entity account holder is a U.S. Person, the Reporting [FATCA Partner] Financial Institution must treat the account as a U.S. Reportable Account unless it obtains a self-certification from the account holder (which may be on an IRS Form W-8 or W-9, or a similar agreed form), or reasonably determines based on information in its possession or that is publicly available, that the account holder is not a Specified U.S. Person.
2. **Determine Whether a Non-U.S. Entity is a Financial Institution.**
 - a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine whether the information indicates that the entity account holder is a Financial Institution.
 - b) If the information indicates that the entity account holder is a Financial Institution, then the account is not a U.S. Reportable Account.
3. **Determine Whether a Financial Institution is a Nonparticipating Financial Institution Payments to Which Are Subject to Aggregate Reporting Under Paragraph 1(b) of Article 4 of the Agreement.**
 - a) Subject to subparagraph (b) of this paragraph, if the account holder is a [FATCA Partner] Financial Institution or a Partner Jurisdiction Financial Institution, then no further review, identification, or reporting is required with respect to the account.
 - b) A [FATCA Partner] Financial Institution or Partner Jurisdiction

Financial Institution will be treated as a Nonparticipating Financial Institution if it is identified as such pursuant to paragraph 2 of Article 5 of the Agreement.

c) If the account holder, is not a [FATCA Partner] Financial Institution or Partner Jurisdiction Financial Institution, then the Reporting [FATCA Partner] Financial Institution must treat the entity as a Nonparticipating Financial Institution payments to which are reportable under paragraph 1(b) of Article 4 of the Agreement, unless the Reporting [FATCA Partner]:

(1) Obtains a self-certification (which may be on an IRS Form W-8 or similar agreed form) from the entity that it is a certified deemed-compliant FFI, an exempt beneficial owner, or an excepted FFI, as those terms are defined in relevant U.S. Treasury Regulations; *or*

(2) In the case of a participating FFI or registered deemed-compliant FFI, verifies the entity's FATCA identifying number on a published IRS FFI list.

4. **Determine Whether an Account Held by an NFFE Is a U.S. Reportable Account.** With respect to an account holder of a Preexisting Entity Account that is not identified as either a U.S. Person or a Financial Institution, the Reporting [FATCA Partner] Financial Institution must identify (i) whether the entity has Controlling Persons, (ii) whether the entity is a Passive NFFE, and (iii) whether any of the Controlling Persons of the entity is a citizen or resident of the United States. In making these determinations the [FATCA Partner] Financial Institution should follow the guidance in subparagraphs (a) through (d) of this paragraph in the order most appropriate under the circumstances.

a) For purposes of determining the Controlling Persons of an entity, a Reporting [FATCA Partner] Financial Institution may rely on information collected and maintained pursuant to AML/KYC Procedures.

b) For purposes of determining whether the entity is a Passive NFFE, the [FATCA Partner] Financial Institution must obtain a self-certification (which may be on an IRS Form W-8 or W-9, or on a similar agreed form) from the account holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the entity is an Active NFFE.

c) For purposes of determining whether a Controlling Person of a Passive NFFE is a citizen or resident of the United States for tax purposes, a Reporting [FATCA Partner] Financial Institution may rely on:

(1) Information collected and maintained pursuant to AML/KYC Procedures in the case of a Preexisting Entity Account held by one or more NFFEs with an account balance that does not exceed \$1,000,000; *or*

(2) A self-certification (which may be on an IRS Form W-8 or W-9, or on a similar agreed form) from the account holder or such Controlling Person in the case of a Preexisting Entity Account held by one or more NFFEs with an account balance that exceeds \$1,000,000.

d) If any Controlling Person of a Passive NFFE is a citizen or resident of the United States, the account shall be treated as a U.S. Reportable Account.

E. Timing of Review and Additional Procedures Applicable to Preexisting Entity Accounts

1. Review of Preexisting Entity Accounts with an account balance or value that exceeds \$250,000 as of December 31, 2013, must be completed by December 31, 2015.

2. Review of Preexisting Entity Accounts with a balance or value that does not exceed \$250,000 as of December 31, 2013, but exceeds \$1,000,000 as of December 31 of a subsequent year, must be completed within six months after the end of the calendar year in which the account balance exceeds \$1,000,000.

3. If there is a change of circumstances with respect to a Preexisting Entity Account that causes the Reporting [FATCA Partner] Financial Institution to know or have reason to know that the self-certification or other documentation associated with an account is incorrect or unreliable, the Reporting [FATCA Partner] Financial Institution must redetermine the status of the account in accordance with the procedures set forth in paragraph D of this section.

V. New Entity Accounts. The following rules and procedures apply to accounts held by entities and opened on or after January 1, 2014 (“New Entity Accounts”).

A. The Reporting [FATCA Partner] Financial Institution must determine whether the account holder is: (i) a Specified U.S. Person; (ii) a [FATCA Partner] Financial Institution or Partner Jurisdiction Financial Institution; (iii) a participating FFI, a deemed-compliant FFI, an exempt beneficial owner, or an excepted FFI, as those terms are defined in relevant U.S. Treasury Regulations; or (iv) an Active NFFE or Passive NFFE.

B. A Reporting [FATCA Partner] Financial Institution may determine that an account holder is an Active NFFE, a [FATCA Partner] Financial Institution, or a Partner Jurisdiction Financial Institution if the Reporting [FATCA Partner] Financial Institution reasonably determines that the entity has such status on the basis of

information that is publicly available or in the possession of the Reporting [FATCA Partner] Financial Institution.

C. In all other cases, a Reporting [FATCA Partner] Financial Institution must obtain a self-certification from the account holder to establish the account holder's status.

1. If the entity account holder is *a Specified U.S. Person*, the Reporting [FATCA Partner] Financial Institution must treat the account as a U.S. Reportable Account.

2. If the entity account holder is *a Passive NFFE*, the Reporting [FATCA Partner] Financial Institution must identify the Controlling Persons as determined under AML/KYC Procedures, and must determine whether any such person is a citizen or resident of the United States on the basis of a self-certification from the account holder or such person. If any such person is a citizen or resident of the United States, the account shall be treated as a U.S. Reportable Account.

3. If the entity account holder is: (i) a U.S. Person that is not a Specified U.S. Person; (ii) subject to subparagraph C (4) of this section, a [FATCA Partner] Financial Institution or a Partner Jurisdiction Financial Institution; (iii) a participating FFI, a deemed-compliant FFI, an exempt beneficial owner, or an excepted FFI, as those terms are defined in relevant U.S. Treasury Regulations; (iv) an Active NFFE; or (v) a Passive NFFE none of the Controlling Persons of which is a U.S. citizen or resident, then the account is not a U.S. Reportable Account and no reporting is required with respect to the account.

4. If the entity account holder is a Nonparticipating Financial Institution (including a [FATCA Partner] Financial Institution or Partner Jurisdiction Financial Institution that is identified by the IRS as a Nonparticipating Financial Institution pursuant to paragraph 2 of Article 5 of the Agreement), then the account is not a U.S. Reportable Account, but payments to the account holder must be reported as contemplated in paragraph 1(b) of Article 4 of the Agreement.

VI. **Special Rules and Definitions.** The following additional rules and definitions apply in implementing the due diligence procedures described above:

A. **Reliance on Self-Certifications and Documentary Evidence.** A Reporting [FATCA Partner] Financial Institution may not rely on a self-certification or documentary evidence if the Reporting [FATCA Partner] Financial Institution knows or has reason to know that the self-certification or documentary evidence is incorrect or unreliable.

B. **Definitions.** The following definitions apply for purposes of this Annex I.

1. **AML/KYC Procedures.** "AML/KYC Procedures" means the customer due diligence procedures of a Reporting [FATCA Partner] Financial

Institution pursuant to the anti-money laundering or similar requirements of [FATCA Partner] to which such Reporting [FATCA Partner] Financial Institution is subject.

2. **NFFE**. An “NFFE” means any Non-U.S. Entity that is not an FFI as defined in relevant U.S. Treasury Regulations, and also includes any Non-U.S. Entity that is resident in [FATCA Partner] or other Partner Jurisdiction and that is not a Financial Institution.
3. **Passive NFFE**. A “Passive NFFE” means any NFFE that is not an Active NFFE.
4. **Active NFFE**. An “Active NFFE” means any NFFE that meets any of the following criteria:
 - a) Less than 50 percent of the NFFE’s gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50 percent of the assets held by the NFFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income;
 - b) The stock of the NFFE is regularly traded on an established securities market or the NFFE is a Related Entity of an Entity the stock of which is traded on an established securities market;
 - c) The NFFE is organized in a U.S. Territory and all of the owners of the payee are bona fide residents of that U.S. Territory;
 - d) The NFFE is a non-U.S. government, a government of a U.S. Territory, an international organization, a non-U.S. central bank of issue, or an Entity wholly owned by one or more of the foregoing;
 - e) Substantially all of the activities of the NFFE consist of holding (in whole or in part) the outstanding stock of, and providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an NFFE will not qualify for this status if the NFFE functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;
 - f) The NFFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets or is reorganizing with the intent to continue or recommence operations in a business other than that of a Financial Institution;

- g) The NFFE primarily engages in financing and hedging transactions with or for Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution; *or*
- h) The NFFE meets all of the following requirements:

 - iv. The applicable laws of the Entity's country of residence or the Entity's formation documents do not permit any income or assets of the Entity to be distributed to, or applied for the benefit of, a private person or noncharitable Entity other than pursuant to the conduct of the Entity's charitable activities, or as payment of reasonable compensation for services rendered, or as payment representing the fair market value of property which the Entity has purchased; *and*
 - v. The applicable laws of the Entity's country of residence or the Entity's formation documents require that, upon the Entity's liquidation or dissolution, all of its assets be distributed to a governmental Entity or other non-profit organization, or escheat to the government of the Entity's country of residence or any political subdivision thereof.

C. **Account Balance Aggregation and Currency Translation Rules.**

1. **Aggregation of Individual Accounts.** For purposes of determining the aggregate balance or value of accounts held by an individual, a Reporting [FATCA Partner] Financial Institution will be required to aggregate all accounts maintained by the Reporting [FATCA Partner] Financial Institution, or Related Entities, but only to the extent that the Reporting [FATCA Partner] Financial Institution's computerized systems link the accounts by reference to a data element such as client number or taxpayer identification number, and allow account balances to be aggregated. Each holder of a jointly held account will be attributed the entire balance or value of the jointly held account for purposes of applying the aggregation requirements described in this paragraph.

2. **Aggregation of Entity Accounts.** For purposes of determining the aggregate balance or value of accounts held by an Entity, a Reporting [FATCA Partner] Financial Institution will be required to take into account all accounts

held by Entities that are maintained by the Reporting [FATCA Partner] Financial Institution, or Related Entities, to the extent that the Reporting [FATCA Partner] Financial Institution's computerized systems link the accounts by reference to a data element such as client number or taxpayer identification number and allow account balances to be aggregated.

3. **Special Aggregation Rule Applicable to Relationship Managers.**

For purposes of determining the aggregate balance or value of accounts held by a person to determine whether an account is a High Value Account, a Reporting [FATCA Partner] Financial Institution shall also be required, in the case of any accounts that a relationship manager knows or has reason to know are directly or indirectly owned, controlled, or established (other than in a fiduciary capacity) by the same person, to aggregate all such accounts.

4. **Currency Translation Rule.** For purposes of determining the balance or value of accounts denominated in a currency other than the U.S. dollar, a Reporting [FATCA Partner] Financial Institution must convert the dollar threshold amounts described in this Annex I into such currency using a published spot rate determined as of the last day of the calendar year preceding the year in which the Reporting [FATCA Partner] Financial Institution is determining the balance or value.

D. **Documentary Evidence.** For purposes of this Annex I, acceptable documentary evidence includes any of the following:

1. A certificate of residence issued by an appropriate tax official of the country in which the payee claims to be a resident.
2. With respect to an individual, any valid identification issued by an authorized government body (for example, a government or agency thereof, or a municipality), that includes the individual's name and is typically used for identification purposes.
3. With respect to an Entity, any official documentation issued by an authorized government body (for example, a government or agency thereof, or a municipality) that includes the name of the Entity and either the address of its principal office in the country (or U.S. Territory) in which it claims to be a resident or the country (or U.S. Territory) in which the Entity was incorporated or organized.
