

Green Power Leadership at the University of Minnesota, Morris (UMM)

Troy Goodnough
Sustainability Coordinator

UNIVERSITY OF MINNESOTA

MORRIS

A quick picture...

- A little about UMM
- A little about the EPA GPP Award
- A little about our wind turbine
- A little about our goal at UMM
- How we are going to achieve our goal
- The importance of leadership
- The power of partnerships

UNIVERSITY OF MINNESOTA

MORRIS

Wind

- 1.65 MW Vestas V-82,
- Produces 5.45 mil kWh/yr
- Provides energy for more than half of campus buildings
- Two more turbines anticipated
- US EPA-DOE Green Power leadership award, 2005
