## **Changes**

1. This Change Transmittal issues updates to the preceding subchapters.  
This issuance adds an office of origin line to each subchapter affected by this change transmittal. This is an administrative change initiated by A/GIS/DIR.  
In addition, image files of forms were removed and links to the forms were added.
2. Current changes are shown in *italic* and *dark magenta* to make it easier for the reader to identify them. However, if 50% or more of the subchapter is being revised, the *italic* and *dark magenta* can make it harder to identify changes. In those cases, normal black font is used throughout.
3. Officers are reminded that Department-issued materials not codified in the Foreign Affairs Manual or its supplemental Foreign Affairs Handbook series generally have no regulatory validity (see 2 FAM 1111.1).
4. The office responsible for the material in this subchapter is CA/VO/L/R. Please direct questions concerning content substance and interpretation to this office. Administrative questions on the Foreign Affairs Manual or Handbooks can be directed to A/GIS/DIR, Office of Directives Management.
