Re: WT Docket No. 11-18  
File No. 0004566825  
RM-11592

Dear Madam Secretary:

On December 6, 2011, Messrs. Wirt Yerger and Charles Pickering, both representing Cavalier Wireless, LLC met with Ms. Amy Levine of the Chairman's Office and discussed (a) the benefits of interoperability; (b) that a recent interference study has shown that interoperability can be accomplished without interference, (c) that the availability of Band 12 customer devices is limited and have no roaming capability, and (d) that without an interoperability solution build out schedules cannot be met.

Should any questions arise, please communicate directly with the undersigned.

Very truly yours,

/s/ Thomas Gutierrez  
Counsel for Cavalier Wireless, LLC
