Re: Notice of *Ex Parte* – Applications of AT&T Inc. and Deutsche Telekom AG for Consent to Assign or Transfer Control of Licenses and Authorizations, WT Docket No. 11-65; Applications of AT&T Mobility Spectrum LLC and Qualcomm Incorporated for Consent To Assign or Transfer Control of Lower 700 MHz Band Licenses, WT Docket No. 11-18

Dear Ms. Dortch:

Effective November 23, 2011, AT&T and Deutsche Telekom withdrew the above-referenced applications in WT Docket No. 11-65 without prejudice in accordance with the Commission's rules.<sup>1</sup> This *ex parte* notice relates to a telephone conversation between Chairman Julius Genachowski, Randall Stephenson, Chairman, Chief Executive Officer and President of AT&T Inc., and Wayne Watts, Senior Executive Vice President and General Counsel of AT&T, that occurred prior to the withdrawal of those applications. Specifically, on Tuesday, November, 22, 2011, Chairman Genachowski called Mr. Stephenson and Mr. Watts regarding the above-referenced transactions. During the call, Chairman Genachowski indicated that he would be circulating to his fellow Commissioners a draft order approving the Qualcomm transaction and a draft order designating the T-Mobile transaction for an administrative hearing. Mr. Stephenson and Mr. Watts inquired about the timing and procedural process for the draft designation order. Chairman Genachowski indicated that the draft designation order would likely be voted in the next several days or weeks but the administrative hearing would be deferred until after resolution of the pending litigation with the Department of Justice.

If you have any questions or need additional information, please do not hesitate to contact me. Pursuant to section 1.1206 of the Commission's rules, this letter is being filed electronically with the Commission.

Sincerely,  
/s/  
Jack Zinman
