

Master List of Standard Indicators

The list of indicators below includes Objective, Program Area and Program Element indicators. The Objective and Program Area indicators are not necessarily attributable just to USG support and are therefore not tracked by Operating Units but through third party sources at Headquarters.

Data Reference Sheets: <http://inside.usaid.gov/A/F/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|--------------------|---|--|---|
| Peace & Security | | | Professionalization of Armed Forces |
| Peace & Security | | | Composite Score on Criminal Justice Sector |
| Peace & Security | Counter-Terrorism | | Composite Score on Office of Antiterrorism Assessment Rating Tool of Countries Receiving U.S. Foreign Assistance |
| Peace & Security | Counter-Terrorism | | Percentage of Travelers Screened by USG Supported Terrorist Interdiction Programs PISCES |
| Peace and Security | Counter-Terrorism | Deny Terrorist Sponsorship, Support and Sanctuary | Number of people trained on counterterrorism finance by USG programs |
| Peace and Security | Counter-Terrorism | Deny Terrorist Sponsorship, Support and Sanctuary | Number of ports of entry supported by USG terrorist interdiction programs |
| Peace and Security | Counter-Terrorism | Deny Terrorist Sponsorship, Support and Sanctuary | Number of USG funded community development projects completed within the target region/ungoverned spaces |
| Peace and Security | Counter-Terrorism | De-Legitimize Terrorist Ideology | Number of public information campaigns completed by USG programs |
| Peace and Security | Counter-Terrorism | Government's Capabilities | Number of facilities evaluated by USG programs in order to counter bioterrorism and/or strengthen biodefense |
| Peace and Security | Counter-Terrorism | Government's Capabilities | Number of people trained in anti-terrorism by USG programs |
| Peace and Security | Counter-Terrorism | Government's Capabilities | Number of people trained to counter bioterrorism and/or strengthen biodefense |
| Peace and Security | Counter-Terrorism | Government's Capabilities | Number of USG-assisted assessments on terrorism |
| Peace and Security | Counter-Terrorism | Government's Capabilities | Number of USG-assisted nations reporting biosurveillance data to international and regional organizations (Bureau reported) |
| Peace & Security | Combating Weapons of Mass Destruction (WMD) | | Adherence to RadSource Code of Conduct |
| Peace and Security | Combating Weapons of Mass Destruction | Counter WMD Proliferation and Combat WMD Terrorism | Country has developed and instituted valid export control systems meeting international standards as a result of USG activities |
| Peace & Security | Stabilization Operations and Security Sector Reform | | Score on professionalization of armed forces index |
| Peace & Security | Stabilization Operations and Security Sector Reform | | Armed forces capabilities measurement |
| Peace & Security | Stabilization Operations and Security Sector Reform | | Percentage of countries supported by PM/WRA's program meeting their target for casualty reduction figures as defined in their country plans |
| Peace & Security | Stabilization Operations and Security Sector Reform | | Percentage of illicit small arms and light weapons in circulation or at-risk of circulation addressed by USG programs |
| Peace & Security | Stabilization Operations and Security Sector Reform | | Number of countries that achieved USG bilateral mine action goals and now are able to sustain future operations with little to no external support |
| Peace & Security | Stabilization Operations and Security Sector Reform | | Numeric reduction in ERW-related casualties from previous year |
| Peace & Security | Stabilization Operations and Security Sector Reform | | Percent of host government law enforcement units receiving US assistance with the capacity to conduct complex operations and provide effective law enforcement training |
| Peace and Security | Stabilization Operations and Security Sector Reform | Operations Support | Number of civilians protected by USG sponsored armed security personnel |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/A/F/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|--------------------------|---|--|---|
| Peace and Security | Stabilization Operations and Security Sector Reform | Operations Support | Number of correctional facilities supported with USG assistance |
| Peace and Security | Stabilization Operations and Security Sector Reform | Operations Support | Number of exercises host country military personnel participate in w/US or coalition forces as a result of USG assistance |
| Peace and Security | Stabilization Operations and Security Sector Reform | Operations Support | Number of host country military deployments completed with USG assistance |
| Peace and Security | Stabilization Operations and Security Sector Reform | Operations Support | Number of host country military personnel trained in peacekeeping, humanitarian, and/or multinational operations |
| Peace and Security | Stabilization Operations and Security Sector Reform | Operations Support | Number of newly established, fulltime, trained peacekeeping staff |
| Peace and Security | Stabilization Operations and Security Sector Reform | Operations Support | Number of peacekeeping/regional security organizations supported with USG assistance |
| Peace and Security | Stabilization Operations and Security Sector Reform | Operations Support | Number of US personnel deployed as advisors to host nation security forces for the purpose of restoring order |
| Peace and Security | Stabilization Operations and Security Sector Reform | Operations Support | Number of USG-sponsored armed security personnel deployed to protect civilians |
| Peace and Security | Stabilization Operations and Security Sector Reform | Operations Support | Percent of US recommended military training need for host country met during year |
| Peace and Security | Stabilization Operations and Security Sector Reform | Disarmament, Demobilization and Reintegration | Number of communities assisted by USG funded reintegration programs |
| Peace and Security | Stabilization Operations and Security Sector Reform | Disarmament, Demobilization and Reintegration | Number of ex-combatants, armed belligerents enrolled in USG-assisted programs that transform them from military to civilian status |
| Peace and Security | Stabilization Operations and Security Sector Reform | Disarmament, Demobilization and Reintegration | Number of ex-combatants, armed belligerents who are encamped and registered as part of a demobilization process with USG assistance |
| Peace and Security | Stabilization Operations and Security Sector Reform | Disarmament, Demobilization and Reintegration | Number of ex-combatants, armed belligerents who are encamped as part of a demobilization process with USG assistance |
| Peace and Security | Stabilization Operations and Security Sector Reform | Disarmament, Demobilization and Reintegration | Number of ex-combatants, armed belligerents who complete USG-assisted transformational programs |
| Peace and Security | Stabilization Operations and Security Sector Reform | Disarmament, Demobilization and Reintegration | Number of non-combatants assisted by USG funded reintegration programs |
| Peace and Security | Stabilization Operations and Security Sector Reform | Disarmament, Demobilization and Reintegration | Number of weapons collected from ex-combatants and armed belligerents with USG assistance |
| Peace and Security | Stabilization Operations and Security Sector Reform | Destruction and security of conventional weapons | Number of facilities provided security upgrades with USG assistance |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|--------------------------|---|---|--|
| Peace and Security | Stabilization Operations and Security Sector Reform | Destruction and security of conventional weapons | Number of MANPADS destroyed with USG assistance |
| Peace and Security | Stabilization Operations and Security Sector Reform | Destruction and security of conventional weapons | Number of small arms and light weapons destroyed with USG assistance |
| Peace and Security | Stabilization Operations and Security Sector Reform | Destruction and security of conventional weapons | Tonnage of conventional munitions destroyed with USG assistance |
| Peace and Security | Stabilization Operations and Security Sector Reform | Explosive remnants of war | Kilometers of roads and railroads cleared of explosive ordnance with USG assistance |
| Peace and Security | Stabilization Operations and Security Sector Reform | Explosive remnants of war | Number of civilians provided mine risk education |
| Peace and Security | Stabilization Operations and Security Sector Reform | Explosive remnants of war | Number of ERW clearance teams trained and equipped |
| Peace and Security | Stabilization Operations and Security Sector Reform | Explosive remnants of war | Number of host nation mine action officials trained |
| Peace and Security | Stabilization Operations and Security Sector Reform | Explosive remnants of war | Number of host nation mine risk education teams trained |
| Peace and Security | Stabilization Operations and Security Sector Reform | Explosive remnants of war | Square kilometers of de-mined land returned to productive use with USG assistance |
| Peace and Security | Stabilization Operations and Security Sector Reform | Immediate protection of civilians in conflict | Number of monitors deployed with USG assistance |
| Peace and Security | Stabilization Operations and Security Sector Reform | Immediate protection of civilians in conflict | Number of NGOs supported by the USG to monitor and document crimes |
| Peace and Security | Stabilization Operations and Security Sector Reform | Immediate protection of civilians in conflict | Number of people participating in USG-assisted violence prevention programs |
| Peace and Security | Stabilization Operations and Security Sector Reform | Immediate protection of civilians in conflict | Number of quick impact projects supported by the USG undertaken to enhance accountability |
| Peace and Security | Stabilization Operations and Security Sector Reform | Immediate protection of civilians in conflict | Number of USG-assisted organizations created with community input to improve safety within a community |
| Peace and Security | Stabilization Operations and Security Sector Reform | Immediate protection of civilians in conflict | Number of USG-assisted programs created with community input to improve safety within a community |
| Peace and Security | Stabilization Operations and Security Sector Reform | Defense, Military, and Border Security Restructuring, Reform and Operations | Number of border security officers trained with USG assistance |
| Peace and Security | Stabilization Operations and Security Sector Reform | Defense, Military, and Border Security Restructuring, Reform and Operations | Number of border security upgrades or systems installed with USG assistance |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|--------------------|---|---|---|
| Peace and Security | Stabilization Operations and Security Sector Reform | Defense, Military, and Border Security Restructuring, Reform and Operations | Number of host country military personnel trained to maintain territorial integrity |
| Peace and Security | Stabilization Operations and Security Sector Reform | Defense, Military, and Border Security Restructuring, Reform and Operations | Number of joint operations conducted with USG assistance |
| Peace and Security | Stabilization Operations and Security Sector Reform | Defense, Military, and Border Security Restructuring, Reform and Operations | Number of US trained personnel at national leadership levels |
| Peace and Security | Stabilization Operations and Security Sector Reform | Defense, Military, and Border Security Restructuring, Reform and Operations | Percent of US recommended military training need met during the year |
| Peace and Security | Stabilization Operations and Security Sector Reform | Law Enforcement Reform, Restructuring and Operations | Number of communities in USG-assisted areas using community policing methods |
| Peace and Security | Stabilization Operations and Security Sector Reform | Law Enforcement Reform, Restructuring and Operations | Number of law enforcement facilities built, refurbished, equipped with USG assistance |
| Peace and Security | Stabilization Operations and Security Sector Reform | Law Enforcement Reform, Restructuring and Operations | Number of law enforcement officers trained with USG assistance |
| Peace and Security | Stabilization Operations and Security Sector Reform | Law Enforcement Reform, Restructuring and Operations | Number of programs conducted to enhance police management with USG assistance |
| Peace & Security | Counter-Narcotics | | Number of countries identified as major drug producing nations |
| Peace & Security | Counter-Narcotics | | Number of countries identified as major precursor chemical source nations |
| Peace & Security | Counter-Narcotics | | Number of countries identified as major drug trafficking nations |
| Peace & Security | Counter-Narcotics | | Hectares of drug crops under cultivation in USG-assisted areas |
| Peace and Security | Counter-Narcotics | Eradication | Hectares of drug crops eradicated in USG-assisted areas |
| Peace and Security | Counter-Narcotics | Alternative Development and Alternative Livelihoods | Hectares of alternative crops targeted by USG programs under cultivation |
| Peace and Security | Counter-Narcotics | Alternative Development and Alternative Livelihoods | Increased sales of licit farm and non-farm products in USG assisted areas over previous year |
| Peace and Security | Counter-Narcotics | Alternative Development and Alternative Livelihoods | Number of families benefited by alternative development or alternative livelihood activities in USG-assisted areas |
| Peace and Security | Counter-Narcotics | Alternative Development and Alternative Livelihoods | Percent increase in sales of licit farm and non-farm products in USG assisted areas over previous year |
| Peace and Security | Counter-Narcotics | Alternative Development and Alternative Livelihoods | Hectares of illicit crops eradicated manually or voluntarily in USG-targeted areas |
| Peace and Security | Counter-Narcotics | Alternative Development and Alternative Livelihoods | Number of full-time equivalent (FTE) jobs created by USG sponsored alternative development or alternative livelihood activities |
| Peace and Security | Counter-Narcotics | Alternative Development and Alternative Livelihoods | Number of municipalities strengthened by USG programs |
| Peace and Security | Counter-Narcotics | Interdiction | Kilos of illicit narcotics seized by host government in USG-assisted areas |
| Peace and Security | Counter-Narcotics | Interdiction | Kilos of precursor chemicals seized by host government in USG-assisted areas |
| Peace and Security | Counter-Narcotics | Drug demand reduction | Number of drug demand research studies completed with USG assistance |
| Peace and Security | Counter-Narcotics | Drug demand reduction | Number of drug prevention programs supported with USG assistance |
| Peace and Security | Counter-Narcotics | Drug demand reduction | Number of people reached with drug prevention messages in USG-assisted areas |
| Peace and Security | Counter-Narcotics | Drug demand reduction | Number of people trained as drug treatment counselors with USG-assistance |
| Peace and Security | Counter-Narcotics | Drug demand reduction | Number of new treatment beds created with USG assistance |
| Peace and Security | Counter-Narcotics | Drug demand reduction | Number of treatment beds supported with USG assistance |
| Peace & Security | Transnational Crime | | Presidential determination for removal from the list of major money laundering countries |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/A/F/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|--------------------|--|--|--|
| Peace & Security | Transnational Crime | | Software piracy rate |
| Peace & Security | Transnational Crime | | Tier status on the trafficking in persons report |
| Peace & Security | Transnational Crime | | Number of foreign government/civil society partnerships implementing cooperative programs as a result of USG assistance |
| Peace & Security | Transnational Crime | | Rates of gang related crime in communities receiving USG assistance |
| Peace and Security | Transnational Crime | Financial Crimes and Money Laundering | Financial Intelligence Units supported in country with USG assistance |
| Peace and Security | Transnational Crime | Financial Crimes and Money Laundering | Number of people in host country trained on money laundering or financial crimes |
| Peace and Security | Transnational Crime | Financial Crimes and Money Laundering | Number of specific improvements in regulatory structure supported with USG assistance |
| Peace and Security | Transnational Crime | Intellectual Property Theft and Cyber Security | Number of people in host country trained on intellectual property theft and/or cyber security |
| Peace and Security | Transnational Crime | Trafficking-in-Persons and Migrant Smuggling | Number of bilateral agreements signed or programs implemented with destination countries addressing TIP and/or migrant smuggling with USG assistance |
| Peace and Security | Transnational Crime | Trafficking-in-Persons and Migrant Smuggling | Number of people in host country trained on smuggling related issues with USG assistance |
| Peace and Security | Transnational Crime | Trafficking-in-Persons and Migrant Smuggling | Number of people in host country trained on TIP related issues with USG assistance |
| Peace and Security | Transnational Crime | Trafficking-in-Persons and Migrant Smuggling | Number of public awareness campaigns about smuggling completed |
| Peace and Security | Transnational Crime | Trafficking-in-Persons and Migrant Smuggling | Number of public awareness campaigns about TIP completed |
| Peace and Security | Transnational Crime | Trafficking-in-Persons and Migrant Smuggling | Number of shelters/safe houses established for smuggling victims that are supported with USG assistance |
| Peace and Security | Transnational Crime | Trafficking-in-Persons and Migrant Smuggling | Number of shelters/safe houses established for TIP victims that are supported with USG assistance |
| Peace and Security | Transnational Crime | Trafficking-in-Persons and Migrant Smuggling | Number of smuggling victims assisted by USG programs |
| Peace and Security | Transnational Crime | Trafficking-in-Persons and Migrant Smuggling | Number of smuggling victims rescued with USG assistance |
| Peace and Security | Transnational Crime | Trafficking-in-Persons and Migrant Smuggling | Number of TIP victims assisted by USG programs |
| Peace and Security | Transnational Crime | Trafficking-in-Persons and Migrant Smuggling | Number of TIP victims rescued with USG assistance |
| Peace and Security | Transnational Crime | Trafficking-in-Persons and Migrant Smuggling | Number of traffickers, smugglers and accomplices arrested in USG-assisted areas |
| Peace and Security | Transnational Crime | Organized and gang-related crime | Number of arrests for gang-related crime in USG-assisted areas |
| Peace and Security | Transnational Crime | Organized and gang-related crime | Number of arrests resulting in conviction for gang-related crime in USG-assisted areas |
| Peace and Security | Transnational Crime | Organized and gang-related crime | Number of information-based USG supported activities to improve collection, analysis and sharing of gang-related and organized crime data |
| Peace and Security | Transnational Crime | Organized and gang-related crime | Number of law enforcement/justice system personnel trained in anti-gang techniques with USG assistance |
| Peace and Security | Transnational Crime | Organized and gang-related crime | Number of people enrolled in gang-prevention programs who remain uninvolved in gangs |
| Peace and Security | Transnational Crime | Organized and gang-related crime | Number of people enrolled in USG-assisted gang prevention programs |
| Peace and Security | Transnational Crime | Organized and gang-related crime | Number of people involved in gangs and organized crimes whose extradition was supported with USG assistance |
| Peace & Security | Conflict Mitigation and Reconciliation | | <i>Peacebuilding Index (under revision)</i> |
| Peace & Security | Conflict Mitigation and Reconciliation | | <i>Human Security Index (under revision)</i> |
| Peace and Security | Conflict Mitigation and Reconciliation | Conflict Mitigation | Number of non-governmental constituencies built or strengthened with USG assistance |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|-----------------------------------|--|------------------------------------|---|
| Peace and Security | Conflict Mitigation and Reconciliation | Conflict Mitigation | Number of people from 'at-risk' groups reached through USG-supported conflict mitigation activities |
| Peace and Security | Conflict Mitigation and Reconciliation | Conflict Mitigation | Number of people reached through USG-assisted public information campaigns to support peaceful resolution of conflicts |
| Peace and Security | Conflict Mitigation and Reconciliation | Conflict Mitigation | Number of people trained in conflict mitigation/resolution skills with USG assistance |
| Peace and Security | Conflict Mitigation and Reconciliation | Conflict Mitigation | Number of USG programs supporting a conflict and/or fragility early warning system and/or response mechanism |
| Peace and Security | Conflict Mitigation and Reconciliation | Conflict Mitigation | Number of USG-assisted public information campaigns to support peaceful resolution of conflicts |
| Peace and Security | Conflict Mitigation and Reconciliation | Conflict Mitigation | Number of people attending USG-assisted facilitated events that are geared toward strengthening understanding and mitigating conflict between groups |
| Peace and Security | Conflict Mitigation and Reconciliation | Conflict Mitigation | Number of USG-assisted facilitated events geared toward strengthening understanding and mitigating conflict between groups |
| Peace and Security | Conflict Mitigation and Reconciliation | Conflict Mitigation | Number of USG-supported activities that demonstrate the positive impact of a peace process through the demonstration of tangible, practical benefits |
| Peace and Security | Conflict Mitigation and Reconciliation | Peace and Reconciliation Processes | Number of community-based reconciliation projects completed with USG assistance |
| Peace and Security | Conflict Mitigation and Reconciliation | Peace and Reconciliation Processes | Number of grass-roots or civil-society activities supporting high-level, official peace or reconciliation process negotiations supported by USG assistance |
| Peace and Security | Conflict Mitigation and Reconciliation | Peace and Reconciliation Processes | Number of media stories disseminated with USG support to facilitate the advancement of reconciliation or peace processes |
| Peace and Security | Conflict Mitigation and Reconciliation | Peace and Reconciliation Processes | Number of peace-building structures established or strengthened with USG assistance that engage conflict-affected citizens in peace and/or reconciliation processes |
| Peace and Security | Conflict Mitigation and Reconciliation | Peace and Reconciliation Processes | Number of people attending public fora/educational events supported by USG assistance to teach public about peace process |
| Peace and Security | Conflict Mitigation and Reconciliation | Peace and Reconciliation Processes | Number of people participating in USG-assisted reconciliation activities conducted and completed with the participation of two or more conflicting parties |
| Peace and Security | Conflict Mitigation and Reconciliation | Peace and Reconciliation Processes | Number of people reached through completed USG supported community-based reconciliation projects |
| Peace and Security | Conflict Mitigation and Reconciliation | Peace and Reconciliation Processes | Number of public fora/educational events to teach public about peace process supported by USG assistance |
| Peace and Security | Conflict Mitigation and Reconciliation | Peace and Reconciliation Processes | Number of USG-assisted reconciliation activities conducted and completed with the participation of two or more conflicting parties |
| Peace and Security | Conflict Mitigation and Reconciliation | Peace and Reconciliation Processes | Number of people attending facilitated events that are geared toward strengthening understanding among conflict-affected groups that were supported with USG assistance |
| Peace and Security | Conflict Mitigation and Reconciliation | Peace and Reconciliation Processes | Number of USG-supported facilitated events geared toward strengthening understanding among conflict-affected groups |
| Peace and Security | Conflict Mitigation and Reconciliation | Preventive Diplomacy | Number of activities conducted to support negotiators/ facilitators in track 1 dialogues with USG assistance |
| Peace and Security | Conflict Mitigation and Reconciliation | Preventive Diplomacy | Number of monitoring mechanisms established with USG assistance |
| Peace and Security | Conflict Mitigation and Reconciliation | Preventive Diplomacy | Number of negotiators/facilitators in track 1 dialogues supported by preventive diplomacy activity with USG assistance |
| Governing Justly & Democratically | | | Freedom House Civil Liberties Index |
| Governing Justly & Democratically | | | Freedom House Political Rights Index |
| Governing Justly & Democratically | | | World Bank Government Effectiveness Index |
| Governing Justly & Democratically | | | World Bank Rule of Law Index |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|--------------------------------------|------------------------------|--------------------------------------|--|
| Governing Justly & Democratically | | | Improved rule of law and individual rights |
| Governing Justly & Democratically | | | Decreased number of highly authoritative regimes worldwide |
| Governing Justly & Democratically | | | Number of women holding seats in national parliament |
| Governing Justly & Democratically | | | Increased number of consolidating democracies worldwide |
| Governing Justly & Democratically | Rule of Law and Human Rights | | World Bank voice and accountability indicator |
| Governing Justly & Democratically | Rule of Law and Human Rights | | CIRI Empowerment rights index |
| Governing Justly & Democratically | Rule of Law and Human Rights | | CIRI women's social rights index |
| Governing Justly & Democratically | Rule of Law and Human Rights | | CIRI physical integrity rights index |
| Governing Justly & Democratically | Rule of Law and Human Rights | | Number of countries in which religious freedom is explicitly provided in the constitution and/or basic law |
| Governing Justly and Demographically | Rule of Law & Human Rights | Constitutions, Laws and Human Rights | Constitution incorporating fundamental freedoms drafted with USG assistance |
| Governing Justly and Demographically | Rule of Law & Human Rights | Constitutions, Laws and Human Rights | Number of campaigns supported by USG to foster public awareness and respect for rule of law |
| Governing Justly and Demographically | Rule of Law & Human Rights | Constitutions, Laws and Human Rights | Number of retributive and restorative justice institutions created or supported with USG assistance |
| Governing Justly and Demographically | Rule of Law & Human Rights | Constitutions, Laws and Human Rights | Number of USG-supported public sessions held regarding proposed changes to the country's legal framework |
| Governing Justly and Demographically | Rule of Law & Human Rights | Judicial Independence | Number of judges trained with USG assistance |
| Governing Justly and Demographically | Rule of Law & Human Rights | Judicial Independence | Number of laws, regulations and procedures related to judicial independence supported with USG assistance |
| Governing Justly and Demographically | Rule of Law & Human Rights | Judicial Independence | Number of merit-based criteria or procedures for justice sector personnel selection adopted with USG assistance |
| Governing Justly and Demographically | Rule of Law & Human Rights | Judicial Independence | Number of regulations or procedures that improve judicial transparency adopted with USG assistance |
| Governing Justly and Demographically | Rule of Law & Human Rights | Judicial Independence | Number of USG-assisted campaigns and programs to enhance public understanding, NGO support and media coverage of judicial independence and accountability |
| Governing Justly and Demographically | Rule of Law & Human Rights | Justice System | Mean case disposition time in courts assisted by USG in the area of case management |
| Governing Justly and Demographically | Rule of Law & Human Rights | Justice System | Number of communities assisted in crime prevention with USG support |
| Governing Justly and Demographically | Rule of Law & Human Rights | Justice System | Number of individuals/groups who received legal aid or victim's assistance with USG support |
| Governing Justly and Demographically | Rule of Law & Human Rights | Justice System | Number of justice sector personnel that received USG training |
| Governing Justly and Demographically | Rule of Law & Human Rights | Justice System | Number of law students, lawyers, judges, prosecutors, court personnel or police benefiting from improved teaching facilities and curricula |
| Governing Justly and Demographically | Rule of Law & Human Rights | Justice System | Number of legal aid groups and law clinics assisted by USG |
| Governing Justly and Demographically | Rule of Law & Human Rights | Justice System | Number of legal institutions and associations supported by USG |
| Governing Justly and Demographically | Rule of Law & Human Rights | Justice System | Number of new laws, regulations or constitutional amendments that protect fundamental freedoms and are consistent with international human rights standards adopted with USG support |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|-------------------------------------|----------------------------|---------------------------------------|---|
| Governing Justly and Democratically | Rule of Law & Human Rights | Justice System | Number of new legal courses or curricula developed with USG assistance |
| Governing Justly and Democratically | Rule of Law & Human Rights | Justice System | Number of people visiting USG supported legal service centers serving low income and marginalized communities |
| Governing Justly and Democratically | Rule of Law & Human Rights | Justice System | Number of strategic plans for justice sector reform adopted with USG assistance |
| Governing Justly and Democratically | Rule of Law & Human Rights | Justice System | Number of USG-assisted courts with improved case management |
| Governing Justly and Democratically | Rule of Law & Human Rights | Justice System | Number of courts operating in areas of low income populations with USG assistance |
| Governing Justly and Democratically | Rule of Law & Human Rights | Justice System | Ratio of all dispositions to new case filings in courts assisted by USG in the area of case management |
| Governing Justly and Democratically | Rule of Law & Human Rights | Justice System | Ratio of new case filings to case dispositions in courts assisted by USG in the area of case management |
| Governing Justly and Democratically | Rule of Law & Human Rights | Human Rights | Number of curricula created or modified to include focus on human rights with USG assistance |
| Governing Justly and Democratically | Rule of Law & Human Rights | Human Rights | Number of domestic human rights NGOs receiving USG support |
| Governing Justly and Democratically | Rule of Law & Human Rights | Human Rights | Number of new laws, regulations or constitutional amendments that protect fundamental freedoms and are consistent with international human rights standards adopted with USG assistance |
| Governing Justly and Democratically | Rule of Law & Human Rights | Human Rights | Number of public advocacy campaigns on human rights supported by USG |
| Governing Justly and Democratically | Rule of Law & Human Rights | Human Rights | Number of USG supported national human rights commissions and other independent state institutions charged by law with protecting and promoting human rights that actively pursued allegations of human rights abuses during the year |
| Governing Justly & Democratically | Good Governance | | Management of public affairs is transparent, accountable, responsive and effective governance (index) |
| Governing Justly and Democratically | Good Governance | Legislative Function and Process | Number of Civil Society Organizations receiving USG assisted training in advocacy |
| Governing Justly and Democratically | Good Governance | Legislative Function and Process | Number of draft laws accompanied by technical analysis and subject to review by legislative committees receiving USG assistance |
| Governing Justly and Democratically | Good Governance | Legislative Function and Process | Number of draft laws subject to final vote in new or transitional legislatures receiving USG assistance |
| Governing Justly and Democratically | Good Governance | Legislative Function and Process | Number of national executive oversight actions taken by legislature receiving USG assistance |
| Governing Justly and Democratically | Good Governance | Legislative Function and Process | Number of national legislators and national legislative staff attending USG sponsored training or educational events |
| Governing Justly and Democratically | Good Governance | Legislative Function and Process | Number of public forums resulting from USG assistance in which national legislators and members of the public interact |
| Governing Justly and Democratically | Good Governance | Legislative Function and Process | Number of USG assisted Civil Society Organizations that participate in legislative proceedings and/or engage in advocacy with national legislature and its committees |
| Governing Justly and Democratically | Good Governance | Public Sector Executive Function | Number of executive branch personnel trained with USG assistance |
| Governing Justly and Democratically | Good Governance | Public Sector Executive Function | Number of executive office operations supported with USG assistance |
| Governing Justly and Democratically | Good Governance | Public Sector Executive Function | Number of governmental and non-governmental mechanisms supported with USG assistance for oversight of the executive branch |
| Governing Justly and Democratically | Good Governance | Public Sector Executive Function | Number of reconstructed national governing institutions and systems that receive USG assistance to incorporate principles that support democracy and government legitimacy |
| Governing Justly and Democratically | Good Governance | Local Government and Decentralization | Number of individuals who received USG-assisted training, including management skills and fiscal management, to strengthen local government and/or decentralization. |
| Governing Justly and Democratically | Good Governance | Local Government and Decentralization | Number of laws or amendments promoting decentralization drafted with USG assistance |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|-------------------------------------|--|---------------------------------------|---|
| Governing Justly and Democratically | Good Governance | Local Government and Decentralization | Number of local mechanisms supported with USG assistance for citizens to engage their sub-national government |
| Governing Justly and Democratically | Good Governance | Local Government and Decentralization | Number of local non-governmental and public sector associations supported with USG assistance |
| Governing Justly and Democratically | Good Governance | Local Government and Decentralization | Number of sub-national government entities receiving USG assistance to improve their performance |
| Governing Justly and Democratically | Good Governance | Local Government and Decentralization | Number of sub-national governments receiving USG assistance to increase their annual own-source revenues |
| Governing Justly and Democratically | Good Governance | Anti-corruption Reforms | Number of government officials receiving USG-supported anti-corruption training |
| Governing Justly and Democratically | Good Governance | Anti-corruption Reforms | Number of mechanisms for external oversight of public resource use supported by USG assistance implemented |
| Governing Justly and Democratically | Good Governance | Anti-corruption Reforms | Number of people affiliated with non-governmental organizations receiving USG supported anti-corruption training |
| Governing Justly and Democratically | Good Governance | Anti-corruption Reforms | Number of Prosecutions and Ratio of Convictions to Prosecutions for Corruption-related Crimes |
| Governing Justly and Democratically | Good Governance | Anti-corruption Reforms | Number of USG-supported anti-corruption measures implemented |
| Governing Justly and Democratically | Good Governance | Governance and the Security Sector | Number of Civil Society Organizations receiving USG assistance in security sector oversight and advocacy |
| Governing Justly and Democratically | Good Governance | Governance and the Security Sector | Number of government officials undergoing USG assisted security sector governance training |
| Governing Justly and Democratically | Good Governance | Governance and the Security Sector | Number of laws, codes of conduct, constitutional reforms and regulations to enhance oversight of the security sector, drafted with USG assistance |
| Governing Justly & Democratically | Political Competition and Consensus-Building | | Credible monitoring/observation missions for election and political process observation indicate minimal or no irregularities observed |
| Governing Justly & Democratically | Political Competition and Consensus-Building | | Genuine political competition exists as evidenced through candidate and party registration, and equitable access to media and public resources |
| Governing Justly and Democratically | Political Competition and Consensus Building | Consensus Building Processes | Number of consensus-building processes assisted by USG |
| Governing Justly and Democratically | Political Competition and Consensus Building | Consensus Building Processes | Number of groups trained in conflict mediation/resolution skills with USG assistance |
| Governing Justly and Democratically | Political Competition and Consensus Building | Consensus Building Processes | Number of groups trained in inclusive consensus building techniques with USG assistance |
| Governing Justly and Democratically | Political Competition and Consensus Building | Consensus Building Processes | Number of USG-assisted consensus-building processes resulting in an agreement |
| Governing Justly and Democratically | Political Competition and Consensus Building | Elections and Political Processes | Number of domestic election observers trained with USG assistance |
| Governing Justly and Democratically | Political Competition and Consensus Building | Elections and Political Processes | Number of election observation tools (quick count, exit polls, pre and post election reports etc.) supported by the USG that are appropriately implemented. |
| Governing Justly and Democratically | Political Competition and Consensus Building | Elections and Political Processes | Number of election officials trained with USG assistance |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|-------------------------------------|--|---|---|
| Governing Justly and Democratically | Political Competition and Consensus Building | Elections and Political Processes | Number of electoral administration procedures and systems strengthened with USG assistance |
| Governing Justly and Democratically | Political Competition and Consensus Building | Elections and Political Processes | Number of international election observers deployed with USG assistance |
| Governing Justly and Democratically | Political Competition and Consensus Building | Elections and Political Processes | Number of laws or amendments to ensure credible elections drafted with USG technical assistance |
| Governing Justly and Democratically | Political Competition and Consensus Building | Elections and Political Processes | Number of local CSOs strengthened that promote electoral reform and/or improvements in the electoral system |
| Governing Justly and Democratically | Political Competition and Consensus Building | Elections and Political Processes | Number of local CSOs strengthened that promote political participation and voter education |
| Governing Justly and Democratically | Political Competition and Consensus Building | Elections and Political Processes | Number of people reached by USG assisted voter education |
| Governing Justly and Democratically | Political Competition and Consensus Building | Political Parties | Number of individuals who receive USG-assisted political party training |
| Governing Justly and Democratically | Political Competition and Consensus Building | Political Parties | Number of organizations receiving USG support to promote development of and compliance with political finance regulations and legislation |
| Governing Justly and Democratically | Political Competition and Consensus Building | Political Parties | Number of parties that use USG supported public opinion polling to design voter outreach strategies |
| Governing Justly and Democratically | Political Competition and Consensus Building | Political Parties | Number of political parties and political groupings receiving USG assistance to articulate platform and policy agendas effectively |
| Governing Justly and Democratically | Political Competition and Consensus Building | Political Parties | Number of polling stations with improved elections commodities |
| Governing Justly and Democratically | Political Competition and Consensus Building | Political Parties | Number of USG-assisted political parties implementing programs to increase the number of candidates and members who are women, youth and from marginalized groups. |
| Governing Justly & Democratically | Civil Society | | Freedom House Freedom of the Press Score |
| Governing Justly & Democratically | Civil Society | | CIRI Freedom of Assembly and association index |
| Governing Justly and Democratically | Civil Society | Strengthen Democratic Civic Participation | Number of Civil Society Organizations using USG assistance to improve internal organizational capacity |
| Governing Justly and Democratically | Civil Society | Strengthen Democratic Civic Participation | Number of Civil Society Organizations using USG assistance to promote political participation |
| Governing Justly and Democratically | Civil Society | Strengthen Democratic Civic Participation | Number of CSO advocacy campaigns supported by USG |
| Governing Justly and Democratically | Civil Society | Strengthen Democratic Civic Participation | Number of independent and democratic trade/labor unions supported by USG to promote international core labor standards |
| Governing Justly and Democratically | Civil Society | Strengthen Democratic Civic Participation | Number of participants in USG-funded programs supporting participation and inclusion of traditionally marginalized ethnic minority and/or religious minority groups |
| Governing Justly and Democratically | Civil Society | Strengthen Democratic Civic Participation | Number of people who have completed USG assisted civic education programs |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator | |
|-------------------------------------|---------------|--|---|--|
| Governing Justly and Democratically | Civil Society | Strengthen Democratic Civic Participation | Number of policies that have been influenced by CSOs | |
| Governing Justly and Democratically | Civil Society | Strengthen Democratic Civic Participation | Number of positive modifications to enabling legislation/ regulation for civil society accomplished with USG assistance | |
| Governing Justly and Democratically | Civil Society | Strengthen Democratic Civic Participation | Number of USG assisted Civil Society Organizations that engage in advocacy and watchdog functions | |
| Governing Justly and Democratically | Civil Society | Media Freedom and Freedom of Information | Number of government media relations staff trained with USG assistance | |
| Governing Justly and Democratically | Civil Society | Media Freedom and Freedom of Information | Number of journalists trained with USG assistance | |
| Governing Justly and Democratically | Civil Society | Media Freedom and Freedom of Information | Number of media Civil Society Organizations and/or support institutions assisted by USG | |
| Governing Justly and Democratically | Civil Society | Media Freedom and Freedom of Information | Number of media outlets that received USG-supported training to promote financial sustainability | |
| Governing Justly and Democratically | Civil Society | Media Freedom and Freedom of Information | Number of non-state news outlets assisted by USG | |
| Governing Justly and Democratically | Civil Society | Media Freedom and Freedom of Information | Number of people who received Internet access as a result of USG Funded programs | |
| Governing Justly and Democratically | Civil Society | Media Freedom and Freedom of Information | Number of positive modifications to enabling legislation/regulations for media drafted with USG assistance | |
| Investing In People | | | Number of deaths among children under age five in a given year per 1,000 live births | |
| Investing In People | | | Percentage of in-union women of reproductive age using, or whose partner is using, a modern method of contraception | |
| Investing In People | | | Cumulative number of HIV-positive individuals treated with USG assistance; cumulative number of HIV infections prevented by USG assistance; cumulative number of HIV-affected individuals cared for by USG assistance | |
| Investing In People | | | Immunization Rate | |
| Investing In People | | | Public Expenditure on Health | |
| Investing In People | | | Share of public expenditure devoted to education, total; and share of education funding to primary, secondary, and tertiary | |
| Investing In People | | | Net enrollment rate for primary, secondary and tertiary | |
| Investing In People | | | Primary completion rate | |
| Investing In People | | | number of females | |
| Investing In People | | | number of males | |
| Investing In People | | | Percentage of the poor benefiting from social services and/or assistance | |
| Investing In People | | | Percentage of survivors receiving social assistance and/or services | |
| Investing In People | | | Percentage of population using improved drinking water sources | |
| Investing In People | | | Health | Number of deaths among children under age five in a given year per 1,000 live births in that same year |
| Investing In People | | | Health | Number of children born per woman |
| Investing In People | Health | Percent of births attended by a doctor, nurse or trained midwife | | |
| Investing In People | Health | Percent of GDP spent on health | | |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|---------------------|--------------|-----------------|--|
| Investing in People | Health | HIV/AIDS | Number of health workers trained in the provision of PMTCT services according to national and international standards |
| Investing in People | Health | HIV/AIDS | Number of health workers trained to deliver ART services, according to national and/or international standards (includes PMTCT+) |
| Investing in People | Health | HIV/AIDS | Number of HIV-infected clients attending HIV care/treatment services that are receiving treatment for TB disease (a subset of all served with palliative care) |
| Investing in People | Health | HIV/AIDS | Number of individuals newly initiating antiretroviral therapy during the reporting period (includes PMTCT+ sites) |
| Investing in People | Health | HIV/AIDS | Number of individuals reached through community outreach that promotes HIV/AIDS prevention through abstinence |
| Investing in People | Health | HIV/AIDS | Number of individuals reached through community outreach that promotes HIV/AIDS prevention through abstinence and/or being faithful |
| Investing in People | Health | HIV/AIDS | Number of individuals reached through community outreach that promotes HIV/AIDS prevention through other behavior change beyond abstinence and/or being faithful |
| Investing in People | Health | HIV/AIDS | Number of individuals receiving antiretroviral therapy at the end of the reporting period (includes PMTCT+ sites) |
| Investing in People | Health | HIV/AIDS | Number of individuals trained in blood safety |
| Investing in People | Health | HIV/AIDS | Number of individuals trained in counseling and testing according to national and international standards |
| Investing in People | Health | HIV/AIDS | Number of individuals trained in HIV-related community mobilization for prevention care and/or treatment |
| Investing in People | Health | HIV/AIDS | Number of individuals trained in HIV-related institutional capacity building |
| Investing in People | Health | HIV/AIDS | Number of individuals trained in HIV-related policy development |
| Investing in People | Health | HIV/AIDS | Number of individuals trained in HIV-related stigma and discrimination reduction |
| Investing in People | Health | HIV/AIDS | Number of individuals trained in medical injection safety |
| Investing in People | Health | HIV/AIDS | Number of individuals trained in strategic information (includes M&E, surveillance, and/or HMIS) |
| Investing in People | Health | HIV/AIDS | Number of individuals trained in the provision of laboratory-related activities |
| Investing in People | Health | HIV/AIDS | Number of individuals trained to promote HIV/AIDS prevention programs through abstinence and/or being faithful |
| Investing in People | Health | HIV/AIDS | Number of individuals trained to promote HIV/AIDS prevention through other behavior change beyond abstinence and/or being faithful |
| Investing in People | Health | HIV/AIDS | Number of individuals trained to provide clinical treatment for TB to HIV-infected individuals (diagnosed or presumed) (a subset all trained) |
| Investing in People | Health | HIV/AIDS | Number of individuals who ever received antiretroviral therapy by the end of the reporting period (includes PMTCT+ sites) |
| Investing in People | Health | HIV/AIDS | Number of individuals who received counseling and testing for HIV and received their test results |
| Investing in People | Health | HIV/AIDS | Number of laboratories with capacity to perform 1) HIV tests and 2) CD4 tests and/or lymphocyte tests |
| Investing in People | Health | HIV/AIDS | Number of local organizations provided with technical assistance for HIV-related institutional capacity building |
| Investing in People | Health | HIV/AIDS | Number of local organizations provided with technical assistance for HIV-related policy development |
| Investing in People | Health | HIV/AIDS | Number of missions accessing centrally-designed or managed mechanisms using their own funding |
| Investing in People | Health | HIV/AIDS | Number of OVC served by OVC programs |
| Investing in People | Health | HIV/AIDS | Number of pregnant women provided with a complete course of antiretroviral prophylaxis in a PMTCT setting |
| Investing in People | Health | HIV/AIDS | Number of pregnant women who received HIV counseling and testing for PMTCT and received their test results |
| Investing in People | Health | HIV/AIDS | Number of providers/caretakers trained in caring for OVC |
| Investing in People | Health | HIV/AIDS | Number of registered TB patients who received counseling and testing for HIV and received their test results |
| Investing in People | Health | HIV/AIDS | Number of service outlets carrying out blood safety activities |
| Investing in People | Health | HIV/AIDS | Number of service outlets providing antiretroviral therapy (includes PMTCT+ sites) |
| Investing in People | Health | HIV/AIDS | Number of service outlets providing counseling and testing according to national and international standards |
| Investing in People | Health | HIV/AIDS | Number of service outlets providing the minimum package of PMTCT services according to national and international standards |
| Investing in People | Health | HIV/AIDS | Number of service outlets providing treatment for tuberculosis (TB) to HIV-infected individuals (diagnosed or presumed) in a palliative care setting (a subset of all palliative care outlets) |
| Investing in People | Health | HIV/AIDS | Number of targeted condom service outlets |
| Investing in People | Health | HIV/AIDS | Number of technologies under development |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|---------------------|--------------|-----------------|--|
| Investing in People | Health | HIV/AIDS | Number of tests performed at USG-supported laboratories during the reporting period: 1) HIV testing, 2) TB diagnostics, 3) syphilis testing, and 4) HIV disease monitoring |
| Investing in People | Health | HIV/AIDS | Person-days of technical support provided to Missions through TDYs |
| Investing in People | Health | HIV/AIDS | Ratio of mission funding to core funding in centrally-managed mechanisms designed to support the field |
| Investing in People | Health | HIV/AIDS | Total number of individuals provided with HIV-related palliative care (including TB/HIV) |
| Investing in People | Health | HIV/AIDS | Total number of individuals trained to provide HIV palliative care (including TB/HIV) |
| Investing in People | Health | HIV/AIDS | Total number of service outlets providing HIV-related palliative care (including TB/HIV) |
| | Health | HIV/AIDS | Number of instances of interventions being introduced or expanded in countries (functional/pillar bureau use only) |
| | Health | HIV/AIDS | Number of instances of interventions being introduced or expanded in countries (functional/pillar bureau use only) |
| Investing in People | Health | Tuberculosis | Assessment of USG-assisted clinic facilities' compliance with clinical standards |
| Investing in People | Health | Tuberculosis | Case notification rate in new sputum smear positive pulmonary TB cases per 100,000 population in USG-supported areas |
| Investing in People | Health | Tuberculosis | Existence of a multi-drug resistant TB quality control standard at the national level |
| | Health | Tuberculosis | Number of instances of interventions being introduced or expanded in countries (functional/pillar bureau use only) |
| Investing in People | Health | Tuberculosis | Number of improvements to laws, policies, regulations or guidelines related to improve access to and use of health services drafted with USG support |
| Investing in People | Health | Tuberculosis | Number of medical and para-medical practitioners trained in evidence-based clinical guidelines |
| Investing in People | Health | Tuberculosis | Number of missions accessing centrally-designed or managed mechanisms using their own funding |
| Investing in People | Health | Tuberculosis | Number of people covered by USG-supported health financing arrangements |
| Investing in People | Health | Tuberculosis | Number of people trained in DOTS with USG funding |
| Investing in People | Health | Tuberculosis | Number of people trained in TB sub-elements with USG funding |
| Investing in People | Health | Tuberculosis | Number of TB cases reported to NTP by USG-assisted non-MOH sector |
| Investing in People | Health | Tuberculosis | Number of technologies Under Development |
| Investing in People | Health | Tuberculosis | Number of USG-assisted service delivery points experiencing stock-outs of specific tracer drugs |
| Investing in People | Health | Tuberculosis | Percent of all registered TB patients who are tested for HIV through USG-supported programs |
| Investing in People | Health | Tuberculosis | Percent of registered new smear-positive pulmonary TB cases that were cured and completed treatment under DOTS (i.e. treatment success rate) in USG-supported areas |
| Investing in People | Health | Tuberculosis | Percent of the estimated number of new smear-positive pulmonary TB cases that were detected under DOTS (i.e. Case Detection Rate) |
| Investing in People | Health | Tuberculosis | Percent of USG-supported laboratories performing TB microscopy with over 95% correct microscopy results |
| Investing in People | Health | Tuberculosis | Person-days of technical support provided to Missions through TDYs |
| Investing in People | Health | Tuberculosis | Ratio of mission funding to core funding in centrally-managed mechanisms designed to support the field |
| Investing in People | Health | Tuberculosis | TB Laboratory Quality Assurance for Smear microscopy in USG-supported areas |
| Investing in People | Health | Tuberculosis | TB microscopy laboratory coverage in USG-supported areas |
| Investing in People | Health | Tuberculosis | Treatment success rate in USG-assisted DOTS Plus programs to treat MDR TB patients |
| Investing in People | Health | Tuberculosis | Value of pharmaceuticals and health commodities purchased by USG-assisted governmental entities through competitive tenders |
| | Health | Tuberculosis | Number of instances of interventions being introduced or expanded in countries (functional/pillar bureau use only) |
| Investing in People | Health | Malaria | Assessment of USG-assisted clinic facilities' compliance with clinical standards |
| Investing in People | Health | Malaria | Number of artemisinin-based combination treatments (ACTs) purchased with USG-support |
| Investing in People | Health | Malaria | Number of houses sprayed with IRS with USG support |
| | Health | Malaria | Number of improvements to laws, policies, regulations or guidelines related to improve access to and use of health services drafted with USG support |
| Investing in People | Health | Malaria | Number of Insecticide Treated Nets distributed or sold with USG funds |
| Investing in People | Health | Malaria | Number of Insecticide Treated Nets purchased with USG funds |
| Investing in People | Health | Malaria | Number of instances of interventions being introduced or expanded in countries (functional/pillar bureau use only) |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|---------------------|--------------|-----------------------------|--|
| Investing in People | Health | Malaria | Number of medical and para-medical practitioners trained in evidence-based clinical guidelines |
| Investing in People | Health | Malaria | Number of missions accessing centrally-designed or managed mechanisms using their own funding |
| Investing in People | Health | Malaria | Number of people covered by USG-supported health financing arrangements |
| Investing in People | Health | Malaria | Number of people trained with USG funds in malaria treatment or prevention |
| Investing in People | Health | Malaria | Number of people trained with USG funds to deliver IRS |
| Investing in People | Health | Malaria | Number of RDTs purchased and distributed through USG support |
| Investing in People | Health | Malaria | Number of SP tablets delivered to ANC clinics |
| Investing in People | Health | Malaria | Number of technologies under development |
| Investing in People | Health | Malaria | Number of USG-assisted service delivery points experiencing stock-outs of specific tracer drugs |
| Investing in People | Health | Malaria | Person-days of technical support provided to Missions through TDYs |
| Investing in People | Health | Malaria | Proportion of ITNs distributed according to plan |
| Investing in People | Health | Malaria | Ratio of mission funding to core funding in centrally-managed mechanisms designed to support the field |
| Investing in People | Health | Malaria | USG-assisted facilities' provider staff with a written performance appraisal |
| Investing in People | Health | Malaria | Value of pharmaceuticals and health commodities purchased by USG-assisted governmental entities through competitive tenders |
| Investing in People | Health | Avian Influenza | Assessment of USG-assisted clinic facilities' compliance with clinical standards |
| Investing in People | Health | Avian Influenza | Number of improvements to laws, policies, regulations or guidelines related to improve access to and use of health services drafted with USG support |
| Investing in People | Health | Avian Influenza | Number of instances of interventions being introduced or expanded in countries (functional/pillar bureau use only) |
| Investing in People | Health | Avian Influenza | Number of medical and para-medical practitioners trained in evidence-based clinical guidelines |
| Investing in People | Health | Avian Influenza | Number of missions accessing centrally-designed or managed mechanisms using their own funding |
| Investing in People | Health | Avian Influenza | Number of people trained in avian and pandemic influenza-related knowledge and skills with USG funds |
| Investing in People | Health | Avian Influenza | Number of people who have seen or heard a USG-funded Avian and/or Pandemic Influenza-related message |
| Investing in People | Health | Avian Influenza | Number of technologies under development |
| Investing in People | Health | Avian Influenza | Number of USG-provided PPE kits delivered to requesting country |
| Investing in People | Health | Avian Influenza | Person-days of technical support provided to Missions through TDYs |
| Investing in People | Health | Avian Influenza | Ratio of mission funding to core funding in centrally-managed mechanisms designed to support the field |
| Investing in People | Health | Other Public Health Threats | Assessment of USG-assisted clinic facilities' compliance with clinical standards |
| Investing in People | Health | Other Public Health Threats | Number of beneficiaries of USG-funded service-oriented programs to reduce non-communicable diseases |
| Investing in People | Health | Other Public Health Threats | Number of improvements to laws, policies, regulations or guidelines related to improve access to and use of health services drafted with USG support |
| Investing in People | Health | Other Public Health Threats | Number of instances of interventions being introduced or expanded in countries (functional/pillar bureau use only) |
| Investing in People | Health | Other Public Health Threats | Number of medical and para-medical practitioners trained in evidence-based clinical guidelines |
| Investing in People | Health | Other Public Health Threats | Number of missions accessing centrally-designed or managed mechanisms using their own funding |
| Investing in People | Health | Other Public Health Threats | Number of people covered by USG-supported health financing arrangements |
| Investing in People | Health | Other Public Health Threats | Number of people who receive medication or other services from USG-funded programs to control and reduce neglected tropical diseases |
| Investing in People | Health | Other Public Health Threats | Number of technologies under development |
| Investing in People | Health | Other Public Health Threats | Number of USG-assisted service delivery points experiencing stock-outs of specific tracer drugs |
| Investing in People | Health | Other Public Health Threats | Person-days of technical support provided to Missions through TDYs |
| Investing in People | Health | Other Public Health Threats | Ratio of mission funding to core funding in centrally-managed mechanisms designed to support the field |
| Investing in People | Health | Maternal and Child Health | Amount of private financing mobilized with a DCA guarantee |
| Investing in People | Health | Maternal and Child Health | Assessment of USG-assisted clinic facilities' compliance with clinical standards |
| Investing in People | Health | Maternal and Child Health | Rate of non-polio acute flaccid paralysis (AFP) cases occurring per 100,000 children less than 15 years of age (non-polio AFP rate). |
| Investing in People | Health | Maternal and Child Health | Liters of drinking water disinfected with USG-supported point-of-use treatment products |
| Investing in People | Health | Maternal and Child Health | Number of antenatal care (ANC) visits by skilled providers from USG-assisted facilities |
| Investing in People | Health | Maternal and Child Health | Number of cases of child diarrhea treated in USG-assisted programs |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|---------------------|--------------|---|--|
| Investing in People | Health | Maternal and Child Health | Number of cases of child pneumonia treated with antibiotics by trained facility or community health workers in USG-supported programs |
| Investing in People | Health | Maternal and Child Health | Number of children less than 12 months of age who received DPT3 from USG-supported programs |
| Investing in People | Health | Maternal and Child Health | Number of children reached by USG-supported nutrition programs |
| Investing in People | Health | Maternal and Child Health | Number of children under 5 years of age who received vitamin A from USG-supported programs |
| Investing in People | Health | Maternal and Child Health | Number of deliveries with a skilled birth attendant (SBA) in USG-assisted programs |
| Investing in People | Health | Maternal and Child Health | Number of health facilities rehabilitated |
| Investing in People | Health | Maternal and Child Health | Number of improvements to laws, policies, regulations or guidelines related to improve access to and use of health services drafted with USG support |
| Investing in People | Health | Maternal and Child Health | Number of instances of interventions being introduced or expanded in countries (functional/pillar bureau use only) |
| Investing in People | Health | Maternal and Child Health | Number of medical and para-medical practitioners trained in evidence-based clinical guidelines |
| Investing in People | Health | Maternal and Child Health | Number of missions accessing centrally-designed or managed mechanisms using their own funding |
| Investing in People | Health | Maternal and Child Health | Number of newborns receiving antibiotic treatment for infection from appropriate health workers through USG-supported programs |
| Investing in People | Health | Maternal and Child Health | Number of newborns receiving essential newborn care through USG-supported programs |
| Investing in People | Health | Maternal and Child Health | Number of people covered by USG-supported health financing arrangements |
| Investing in People | Health | Maternal and Child Health | Number of people trained in child health and nutrition through USG-supported health area programs |
| Investing in People | Health | Maternal and Child Health | Number of people trained in maternal/newborn health through USG-supported programs |
| Investing in People | Health | Maternal and Child Health | Number of postpartum/newborn visits within 3 days of birth in USG-assisted programs |
| Investing in People | Health | Maternal and Child Health | Number of technologies under development |
| Investing in People | Health | Maternal and Child Health | Number of USG-assisted service delivery points experiencing stock-outs of specific tracer drugs |
| Investing in People | Health | Maternal and Child Health | Number of women receiving active management of the third stage of labor (AMTSL) through USG-supported programs |
| Investing in People | Health | Maternal and Child Health | Person-days of technical support Provided to Missions through TDYs |
| Investing in People | Health | Maternal and Child Health | Ratio of mission funding to core funding in centrally-managed mechanisms designed to support the field |
| Investing in People | Health | Maternal and Child Health | USG-assisted facilities' provider staff with a written performance appraisal |
| Investing in People | Health | Family Planning and Reproductive Health | Amount of in-country public and private financial resources leveraged by USG programs for FP/RH |
| Investing in People | Health | Family Planning and Reproductive Health | Amount of private financing mobilized with a DCA guarantee |
| Investing in People | Health | Family Planning and Reproductive Health | Assessment of USG-assisted clinic facilities' compliance with clinical standards |
| Investing in People | Health | Family Planning and Reproductive Health | Couple years of protection (CYP) in USG-supported programs |
| Investing in People | Health | Family Planning and Reproductive Health | Number of counseling visits for FP/RH as a result of USG assistance |
| Investing in People | Health | Family Planning and Reproductive Health | Number of health facilities rehabilitated |
| Investing in People | Health | Family Planning and Reproductive Health | Number of improvements to laws, policies, regulations or guidelines related to improve access to and use of health services drafted with USG support |
| Investing in People | Health | Family Planning and Reproductive Health | Number of instances of interventions being introduced or expanded in countries (functional/pillar bureau use only) |
| Investing in People | Health | Family Planning and Reproductive Health | Number of medical and para-medical practitioners trained in evidence-based clinical guidelines |
| Investing in People | Health | Family Planning and Reproductive Health | Number of missions accessing centrally-designed or managed mechanisms using their own funding |
| Investing in People | Health | Family Planning and Reproductive Health | Number of new approaches successfully introduced through USG-supported programs |
| Investing in People | Health | Family Planning and Reproductive Health | Number of people covered by USG-supported health financing arrangements |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|---------------------|--------------|---|--|
| Investing in People | Health | Family Planning and Reproductive Health | Number of people that have seen or heard a specific USG-supported FP/RH message |
| Investing in People | Health | Family Planning and Reproductive Health | Number of people trained in FP/RH with USG funds |
| Investing in People | Health | Family Planning and Reproductive Health | Number of technologies under development |
| Investing in People | Health | Family Planning and Reproductive Health | Number of USG program interventions providing services, counseling, and/or community-based awareness activities intended to respond to and/or reduce rates of gender-based violence |
| Investing in People | Health | Family Planning and Reproductive Health | Number of USG-assisted service delivery points experiencing stock-outs of specific tracer drugs |
| Investing in People | Health | Family Planning and Reproductive Health | Number of USG-assisted service delivery points providing FP counseling or services |
| Investing in People | Health | Family Planning and Reproductive Health | Person-days of technical support Provided to Missions through TDYs |
| Investing in People | Health | Family Planning and Reproductive Health | Ratio of mission funding to core funding in centrally-managed mechanisms designed to support the field |
| Investing in People | Health | Family Planning and Reproductive Health | USG-assisted facilities' provider staff with a written performance appraisal |
| Investing in People | Health | Family Planning and Reproductive Health | Value of pharmaceuticals and health commodities purchased by USG-assisted governmental entities through competitive tenders |
| Investing in People | Health | Clean Water and Sanitation Services | Amount of private financing mobilized with a DCA guarantee |
| Investing in People | Health | Clean Water and Sanitation Services | Number of hours per day that households in areas assisted by USG programs have potable water services |
| Investing in People | Health | Clean Water and Sanitation Services | Number of instances of interventions being introduced or expanded in countries (functional/pillar bureau use only) |
| Investing in People | Health | Clean Water and Sanitation Services | Number of missions accessing centrally-designed or managed mechanisms using their own funding |
| Investing in People | Health | Clean Water and Sanitation Services | Number of people in target areas with access to improved drinking water supply as a result of USG assistance |
| Investing in People | Health | Clean Water and Sanitation Services | Number of people in target areas with access to improved sanitation facilities as a result of USG assistance |
| Investing in People | Health | Clean Water and Sanitation Services | Number of technologies under development |
| Investing in People | Health | Clean Water and Sanitation Services | Person-days of technical support provided to Missions through TDYs |
| Investing in People | Health | Clean Water and Sanitation Services | Percent of operations and maintenance costs for water supply and sanitation services covered through customer charges in USG-assisted target areas |
| Investing in People | Health | Clean Water and Sanitation Services | Ratio of mission funding to core funding in centrally-managed mechanisms designed to support the field |
| Investing In People | Education | | Net enrollment rate for primary, secondary and gross enrollment rate for tertiary |
| Investing In People | Education | | Share of public expenditures devoted to education, total; and share of education funding to primary, secondary, and tertiary |
| Investing In People | Education | | Percentage of a cohort of pupils expected to reach grade 5 |
| Investing In People | Education | | Primary completion ratio |
| Investing in People | Education | Basic Education | Amount of private financing mobilized with a DCA guarantee |
| Investing in People | Education | Basic Education | Does your program support education systems/policy reform? If yes, please describe the contributions of your program, including progress against any mission-level outcome or impact indicators. |
| Investing in People | Education | Basic Education | Number of administrators and officials trained |
| Investing in People | Education | Basic Education | Number of adult learners enrolled in USG-supported schools or equivalent non-school-based settings |
| Investing in People | Education | Basic Education | Number of classrooms constructed with USG assistance |
| Investing in People | Education | Basic Education | Number of classrooms repaired with USG assistance |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|---------------------|--|-----------------------------------|--|
| Investing in People | Education | Basic Education | Number of laws, policies, regulations, or guidelines developed or modified to improve equitable access to or the quality of education services |
| Investing in People | Education | Basic Education | Number of learners enrolled in USG-supported pre-primary schools or equivalent non-school-based settings |
| Investing in People | Education | Basic Education | Number of learners enrolled in USG-supported primary schools or equivalent non-school-based settings |
| Investing in People | Education | Basic Education | Number of learners enrolled in USG-supported secondary schools or equivalent non-school-based settings |
| Investing in People | Education | Basic Education | Number of Parent-Teacher Association or similar 'school' governance structures supported |
| Investing in People | Education | Basic Education | Number of teachers/educators trained with USG support |
| Investing in People | Education | Basic Education | Number of textbooks and other teaching and learning materials provided with USG assistance |
| Investing in People | Education | Higher Education | Number of higher education partnerships between US and host country higher education institutions that address regional, national, and/or local development needs. |
| Investing in People | Education | Higher Education | Number of host-country individuals completing USG-funded exchange programs conducted through higher education institutions |
| Investing in People | Education | Higher Education | Number of host-country individuals receiving USG-funded scholarships to attend higher education institutions |
| Investing in People | Education | Higher Education | Number of host-country individuals trained as a result of USG investments involving higher education institutions |
| Investing in People | Education | Higher Education | Number of host-country institutions with increased management or institutional capacity as a result of USG investments involving higher education institutions |
| Investing in People | Education | Higher Education | Number of USG-assisted higher education institutions' activities that address regional, national, and local development needs |
| Investing in People | Education | Higher Education | Number of USG-assisted host-country policy development and reform activities utilizing host-country higher education institutions |
| Investing in People | Education | Higher Education | Number of USG-funded scholarship and exchange programs conducted through higher education institutions |
| Investing in People | Education | Higher Education | Number of USG-supported organizational improvements that strengthen the institutional capacity of host-country higher education institutions |
| Investing In People | Social and Economic Services and Protection for Vulnerable Populations | | Percent of poor people receiving social assistance or services |
| Investing In People | Social and Economic Services and Protection for Vulnerable Populations | | Percent of displaced children and orphans receiving social assistance or services |
| Investing In People | Social and Economic Services and Protection for Vulnerable Populations | | Percent of war victims receiving social assistance or services |
| Investing In People | Social and Economic Services and Protection for Vulnerable Populations | | Percent of estimated number of victims of torture receiving social assistance or services |
| Investing In People | Social and Economic Services and Protection for Vulnerable Populations | | Percent of other vulnerable people benefiting from targeted social assistance or services |
| Investing in People | Social Services and Protection for Vulnerable Populations | Policies, Regulations and Systems | Number of nationwide poverty/vulnerability mapping efforts being supported |
| Investing in People | Social Services and Protection for Vulnerable Populations | Policies, Regulations and Systems | Number of social protection policy reforms drafted, adopted or implemented with USG support |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/A/F/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|-------------------|-------------------------------------|---|---|
| Economic Growth | Macroeconomic Foundation for Growth | Fiscal Policy | Number of key personnel in fiscal policy and fiscal administration trained with USG Assistance |
| Economic Growth | Macroeconomic Foundation for Growth | Fiscal Policy | Number of person-days of training of key personnel in fiscal policy and fiscal administration trained with USG Assistance |
| Economic Growth | Macroeconomic Foundation for Growth | Fiscal Policy | Number of policies/regulations/administrative procedures analyzed as a result of USG assistance |
| Economic Growth | Macroeconomic Foundation for Growth | Fiscal Policy | Number of policy reforms /regulations/administrative procedures drafted and presented for public/stakeholder consultation as a result of USG assistance |
| Economic Growth | Macroeconomic Foundation for Growth | Fiscal Policy | Number of policy reforms /regulations/administrative procedures for which implementation has begun with USG assistance |
| Economic Growth | Macroeconomic Foundation for Growth | Fiscal Policy | Number of policy reforms /regulations/administrative procedures presented for legislation/decrees as a result of USG assistance |
| Economic Growth | Macroeconomic Foundation for Growth | Fiscal Policy | Number of policy reforms/regulations/administrative procedures prepared with USG assistance passed/approved |
| Economic Growth | Macroeconomic Foundation for Growth | Fiscal Policy | Percentage of Fiscal Policy Unit staff funded by host government |
| Economic Growth | Macroeconomic Foundation for Growth | Fiscal Policy | Percentage of necessary preconditions for a successful Fiscal Policy Unit (FPU) established through USG assistance |
| Economic Growth | Macroeconomic Foundation for Growth | Monetary Policy | Number of policies/regulations/administrative procedures analyzed as a result of USG assistance |
| Economic Growth | Macroeconomic Foundation for Growth | Monetary Policy | Number of policy reforms /regulations/administrative procedures drafted and presented for public/stakeholder consultation as a result of USG assistance |
| Economic Growth | Macroeconomic Foundation for Growth | Monetary Policy | Number of policy reforms /regulations/administrative procedures presented for legislation/decrees as a result of USG assistance |
| Economic Growth | Macroeconomic Foundation for Growth | Monetary Policy | Number of policy reforms/regulations/administrative procedures for which implementation has begun with USG assistance |
| Economic Growth | Macroeconomic Foundation for Growth | Monetary Policy | Number of policy reforms/regulations/administrative procedures prepared with USG assistance passed/approved |
| Economic Growth | Trade and Investment | | Ratio of manufactured exports to total exports |
| Economic Growth | Trade and Investment | | Trade Policy Index |
| Economic Growth | Trade and Investment | | Foreign direct investment as a percentage of GDP |
| Economic Growth | Trade and Investment | | Number of days necessary to comply with all procedures required to import goods |
| Economic Growth | Trade and Investment | | Number of days necessary to comply with all procedures required to export goods |
| Economic Growth | Trade and Investment | | Number of signatures necessary to comply with all procedures required to import goods |
| Economic Growth | Trade and Investment | | Number of signatures necessary to comply with all procedures required to export goods |
| Economic Growth | Trade and Investment | | Total value of imports in targeted sectors in which firms are receiving direct USG assistance to increase their imports |
| Economic Growth | Trade and Investment | | Total value of exports in targeted sectors in which firms are receiving direct USG assistance to increase their exports |
| Economic Growth | Trade and Investment | Trade and Investment Enabling Environment | Number of consultative processes with private sector as a result of USG assistance |
| Economic Growth | Trade and Investment | Trade and Investment Enabling Environment | Number of customs harmonization procedures implemented in accordance with internationally accepted standards as a result of U.S. assistance |
| Economic Growth | Trade and Investment | Trade and Investment Enabling Environment | Number of investment measures made consistent with international investment agreements as a result of U.S. assistance |
| Economic Growth | Trade and Investment | Trade and Investment Enabling Environment | Number of legal, regulatory, or institutional actions (not mentioned above) taken to improve implementation or compliance with international trade and investment agreements due to support from USG-assisted organizations |
| Economic Growth | Trade and Investment | Trade and Investment Enabling Environment | Number of participants in trade and investment environment trainings |
| Economic Growth | Trade and Investment | Trade and Investment Enabling Environment | Number of public and private sector standards-setting bodies that have adopted internationally accepted guidelines for standard setting as a result of USG assistance |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/A/F/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|-------------------|----------------------|---|---|
| Economic Growth | Trade and Investment | Trade and Investment Enabling Environment | Number of trade and investment environment diagnostics conducted |
| Economic Growth | Trade and Investment | Trade and Investment Enabling Environment | Number of USG supported training events held that related to improving the trade and investment environment |
| Economic Growth | Trade and Investment | Trade and Investment Enabling Environment | Reduction in the cost to trade goods across borders as a result of U.S. assistance |
| Economic Growth | Trade and Investment | Trade and Investment Enabling Environment | Reduction in the number of days required to trade goods across borders as a result of U.S. assistance |
| Economic Growth | Trade and Investment | Trade and Investment Enabling Environment | Reduction in the number of procedures required to trade goods across borders as a result of U.S. assistance |
| Economic Growth | Trade and Investment | Trade and Investment Enabling Environment | The number of new requests, offers, revised offers, or other formal text that are submitted by a host country as part of international trade talks attributable to USG assistance |
| Economic Growth | Trade and Investment | Trade and Investment Capacity | Amount of private financing mobilized with a DCA guarantee |
| Economic Growth | Trade and Investment | Trade and Investment Capacity | Number of capacity-building service providers receiving USG assistance |
| Economic Growth | Trade and Investment | Trade and Investment Capacity | Number of firms receiving capacity building assistance to export |
| Economic Growth | Trade and Investment | Trade and Investment Capacity | Number of firms receiving USG assistance that obtain certification with international quality control, environmental and other process voluntary standards or regulations |
| Economic Growth | Trade and Investment | Trade and Investment Capacity | Number of participants in USG supported trade and investment capacity building trainings |
| Economic Growth | Trade and Investment | Trade and Investment Capacity | Number of trade and investment capacity building diagnostics conducted |
| Economic Growth | Trade and Investment | Trade and Investment Capacity | Number of trade-related business associations that are at least 50 percent self-funded as a result of USG assistance |
| Economic Growth | Trade and Investment | Trade and Investment Capacity | Number of USG supported training events on topics related to investment capacity building and improving trade |
| Economic Growth | Financial Sector | | Credit to the private sector as a percent of GDP |
| Economic Growth | Financial Sector | | Banking and Finance Index |
| Economic Growth | Financial Sector | | Interest rate spread in percent |
| Economic Growth | Financial Sector | Financial Sector Enabling Environment | Has an automated off-site surveillance system been installed and made operational this year with USG assistance |
| Economic Growth | Financial Sector | Financial Sector Enabling Environment | Has the country adopted any new International Accounting Standards this year with USG assistance |
| Economic Growth | Financial Sector | Financial Sector Enabling Environment | Number of analysts trained in off-site surveillance with USG assistance |
| Economic Growth | Financial Sector | Financial Sector Enabling Environment | Number of financial sector supervisors trained with USG assistance |
| Economic Growth | Financial Sector | Financial Sector Enabling Environment | Number of financial sector training and/or certification programs established or supported that meet international standards |
| Economic Growth | Financial Sector | Financial Sector Enabling Environment | Number of institutions with improved Management Information Systems, as a result of USG Assistance |
| Economic Growth | Financial Sector | Financial Sector Enabling Environment | Number of Internationally recognized Financial Sector Standards adopted as a result of USG assistance |
| Economic Growth | Financial Sector | Financial Sector Enabling Environment | Number of on-site examinations undertaken this year with USG assistance |
| Economic Growth | Financial Sector | Financial Services | Number of financial sector professionals trained on international standards this year with USG assistance |
| Economic Growth | Financial Sector | Financial Services | Number of material improvements in the infrastructure institutions that reduce market risks made this year with USG assistance |
| Economic Growth | Financial Sector | Financial Services | Number of USG supported special funds loans issued this year |
| Economic Growth | Financial Sector | Financial Services | Value of the USG supported special funds loans issued this year |
| Economic Growth | Infrastructure | | Infrastructure investment as percent of GDP |
| Economic Growth | Infrastructure | | Electrification Rate |
| Economic Growth | Infrastructure | | Energy Intensity |
| Economic Growth | Infrastructure | | The number of internet users over 100 population |
| Economic Growth | Infrastructure | | The number of cell phone users per 100 population |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|-------------------|----------------|------------------------|--|
| Economic Growth | Infrastructure | | Percent reduction in utility technical losses |
| Economic Growth | Infrastructure | | Percent reduction in utility commercial losses |
| Economic Growth | Infrastructure | Modern Energy Services | Capacity constructed or rehabilitated as a result of USG assistance |
| Economic Growth | Infrastructure | Modern Energy Services | Energy saved as a result of USG assistance |
| Economic Growth | Infrastructure | Modern Energy Services | Legal separation of generation, transmission and distribution functions in the electricity sector established this year with USG assistance |
| Economic Growth | Infrastructure | Modern Energy Services | Number of energy agencies, regulatory bodies, utilities and civil society organizations undertaking capacity assessments as a result of USG assistance |
| Economic Growth | Infrastructure | Modern Energy Services | Number of energy agencies, regulatory bodies, utilities and civil society organizations undertaking capacity strengthening as a result of USG assistance |
| Economic Growth | Infrastructure | Modern Energy Services | Number of energy companies prepared and offered for privatization as a result of USG assistance |
| Economic Growth | Infrastructure | Modern Energy Services | Number of energy enterprises with improved business operations as a result of USG assistance |
| Economic Growth | Infrastructure | Modern Energy Services | Number of people receiving USG supported training in energy related business management systems |
| Economic Growth | Infrastructure | Modern Energy Services | Number of people receiving USG supported training in energy related policy and regulatory practices |
| Economic Growth | Infrastructure | Modern Energy Services | Number of people receiving USG supported training in technical energy fields |
| Economic Growth | Infrastructure | Modern Energy Services | Number of people with increased access to modern energy services as a result of USG assistance |
| Economic Growth | Infrastructure | Modern Energy Services | Number of policy reforms/regulations/administrative procedures analyzed to enhance sector governance and/or facilitate private sector participation and competitive markets as a result of USG assistance |
| Economic Growth | Infrastructure | Modern Energy Services | Number of policy reforms/regulations/administrative procedures drafted and presented for public/stakeholder consultation to enhance sector governance and/or facilitate private sector participation and competitive markets as a result of USG assistance |
| Economic Growth | Infrastructure | Modern Energy Services | Number of policy reforms/regulations/administrative procedures for which implementation has begun to enhance sector governance and/or facilitate private sector participation and competitive markets as a result of USG assistance |
| Economic Growth | Infrastructure | Modern Energy Services | Number of policy reforms/regulations/administrative procedures passed/approved to enhance sector governance and/or facilitate private sector participation and competitive markets as a result of USG assistance |
| Economic Growth | Infrastructure | Modern Energy Services | Number of utilities with improved billing and collection systems as a result of USG assistance |
| Economic Growth | Infrastructure | Modern Energy Services | Quantity of greenhouse gas emissions, measured in metric tons CO2 equivalent, reduced or sequestered as a result of USG assistance in energy, industry, urban, and/or transport sectors. |
| Economic Growth | Infrastructure | Modern Energy Services | Total public and private dollars leveraged by USG for energy infrastructure projects |
| Economic Growth | Infrastructure | Communication Services | Average decrease in cost to final customer receiving cellular service after USG assistance |
| Economic Growth | Infrastructure | Communication Services | Average decrease in cost to final customer receiving internet service after USG assistance |
| Economic Growth | Infrastructure | Communication Services | Number of people with access to cellular service as a result of USG assistance |
| Economic Growth | Infrastructure | Communication Services | Number of people with access to internet service as a result of USG assistance |
| Economic Growth | Infrastructure | Communication Services | Number of policy reforms /regulations/administrative procedures drafted and presented for public/stakeholder consultation as a result of USG assistance |
| Economic Growth | Infrastructure | Communication Services | Number of policy reforms/regulations/administrative procedures analyzed to enhance sector governance and/or facilitate private sector participation and competitive markets |
| Economic Growth | Infrastructure | Communication Services | Number of policy reforms/regulations/administrative procedures for which implementation has begun to enhance sector governance and/or facilitate private sector participation and competitive markets |
| Economic Growth | Infrastructure | Communication Services | Number of policy reforms/regulations/administrative procedures passed/approved to enhance sector governance and/or facilitate private sector participation and competitive markets |
| Economic Growth | Infrastructure | Communication Services | Number of private sector internet service providers established as a result of USG assistance |
| Economic Growth | Infrastructure | Communication Services | Number of public institutions with access to telecommunication services as a result of USG assistance |
| Economic Growth | Infrastructure | Communication Services | Number of telecommunications agencies, regulatory bodies and utilities undergoing capacity assessments as a result of USG assistance |
| Economic Growth | Infrastructure | Communication Services | Number of telecommunications agencies, regulatory bodies and utilities undertaking capacity strengthening as a result of USG assistance |
| Economic Growth | Infrastructure | Communication Services | Number of telecommunications utilities prepared and offered for privatization as a result of USG assistance |
| Economic Growth | Infrastructure | Communication Services | Number of policy reforms/regulations/administrative procedures presented for legislation/decreed as a result of USG assistance |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|-------------------|----------------|----------------------------------|---|
| Economic Growth | Infrastructure | Communication Services | Total public and private dollars leveraged by USG for communication infrastructure projects |
| Economic Growth | Infrastructure | Transport Services | Fatalities per 100 million km*vehicle on roads constructed, repaired or maintained as a result of USG assistance. |
| Economic Growth | Infrastructure | Transport Services | Has the government adopted improved transportation related polices or plans this year as a result of USG assistance |
| Economic Growth | Infrastructure | Transport Services | Kilometers of transportation infrastructure constructed or repaired through USG assistance |
| Economic Growth | Infrastructure | Transport Services | Km of roads designed properly, as a result of USG assistance, using the World Bank Highway Design and Management Program-4. |
| Economic Growth | Infrastructure | Transport Services | Km of roads maintained properly at the rate of \$ per km, as a result of the USG assistance. |
| Economic Growth | Infrastructure | Transport Services | Number of local contractors capable to deliver \$2 M road construction or maintenance services per annum, as a result of USG support. |
| Economic Growth | Infrastructure | Transport Services | Number of people benefiting from USG sponsored transportation infrastructure projects |
| Economic Growth | Infrastructure | Transport Services | Number of people receiving USG supported training in transportation management systems |
| Economic Growth | Infrastructure | Transport Services | Number of people receiving USG supported training in transportation related policy and regulatory practices |
| Economic Growth | Infrastructure | Transport Services | Number of people receiving USG supported training in transportation technical fields |
| Economic Growth | Infrastructure | Transport Services | Number of private institutions benefiting from USG sponsored transportation infrastructure projects |
| Economic Growth | Infrastructure | Transport Services | Total public and private dollars leveraged with USG support for transportation infrastructure projects |
| Economic Growth | Agriculture | | Percent change in growth in agriculture value added |
| Economic Growth | Agriculture | | Percent change in per capita food production index |
| Economic Growth | Agriculture | | Percent change in rural income of targeted population |
| Economic Growth | Agriculture | Agriculture Enabling Environment | Number of individuals who have received USG supported long term agricultural enabling environment training |
| Economic Growth | Agriculture | Agriculture Enabling Environment | Number of individuals who have received USG supported short-term agricultural enabling environment training |
| Economic Growth | Agriculture | Agriculture Enabling Environment | Number of institution/organization assessments presented for consultation as a result of USG assistance |
| Economic Growth | Agriculture | Agriculture Enabling Environment | Number of institutions with improved Management Information Systems, as a result of USG Assistance |
| Economic Growth | Agriculture | Agriculture Enabling Environment | Number of institutions/organizations mature/viable in the competency areas strengthened as a result of USG assistance |
| Economic Growth | Agriculture | Agriculture Enabling Environment | Number of institutions/organizations undergoing capacity/competency assessments as a result of USG assistance |
| Economic Growth | Agriculture | Agriculture Enabling Environment | Number of institutions/organizations undertaking capacity/competency strengthening as a result of USG assistance |
| Economic Growth | Agriculture | Agriculture Enabling Environment | Number of policies/regulations/administrative procedures analyzed as a result of USG assistance |
| Economic Growth | Agriculture | Agriculture Enabling Environment | Number of policy reforms/regulations/administrative procedures drafted and presented for public/stakeholder consultation as a result of USG assistance |
| Economic Growth | Agriculture | Agriculture Enabling Environment | Number of policy reforms/regulations/administrative procedures passed for which implementation has begun with USG assistance |
| Economic Growth | Agriculture | Agriculture Enabling Environment | Number of policy reforms/regulations/administrative procedures prepared with USG assistance passed/approved |
| Economic Growth | Agriculture | Agriculture Enabling Environment | Number of policy reforms/regulations/administrative procedures presented for legislation/decreree as a result of USG assistance |
| Economic Growth | Agriculture | Agricultural Sector Productivity | Amount of private financing mobilized with a DCA guarantee |
| Economic Growth | Agriculture | Agricultural Sector Productivity | Number of farmers, processors, and others who have adopted new technologies or management practices as a result of USG assistance |
| Economic Growth | Agriculture | Agricultural Sector Productivity | Number of women's organizations/associations assisted as a result of USG supported interventions |
| Economic Growth | Agriculture | Agricultural Sector Productivity | Percent change in value of purchases from smallholders of targeted commodities as a result of USG assistance |
| Economic Growth | Agriculture | Agricultural Sector Productivity | Number of additional hectares under improved technologies or management practices as a result of USG assistance |
| Economic Growth | Agriculture | Agricultural Sector Productivity | Number of additional surveillance and/or control systems in place for agricultural threats (biological and environmental) as a result of USG assistance |
| Economic Growth | Agriculture | Agricultural Sector Productivity | Number of agriculture-related firms benefiting directly from USG supported interventions |
| Economic Growth | Agriculture | Agricultural Sector Productivity | Number of individuals who have received USG supported long term agricultural sector productivity training |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|-------------------|--------------------------------|----------------------------------|---|
| Economic Growth | Agriculture | Agricultural Sector Productivity | Number of individuals who have received USG supported short term agricultural sector productivity training |
| Economic Growth | Agriculture | Agricultural Sector Productivity | Number of new technologies or management practices made available for transfer as a result of USG assistance |
| Economic Growth | Agriculture | Agricultural Sector Productivity | Number of new technologies or management practices under field testing as a result of USG assistance |
| Economic Growth | Agriculture | Agricultural Sector Productivity | Number of new technologies or management practices under research as a result of USG assistance |
| Economic Growth | Agriculture | Agricultural Sector Productivity | Number of producers organizations, water users associations, trade and business associations, and community-based organizations (CBOs) receiving USG assistance |
| Economic Growth | Agriculture | Agricultural Sector Productivity | Number of public-private partnerships formed as a result of USG assistance |
| Economic Growth | Agriculture | Agricultural Sector Productivity | Number of rural households benefiting directly from USG interventions |
| Economic Growth | Agriculture | Agricultural Sector Productivity | Number of vulnerable households benefiting directly from USG assistance |
| Economic Growth | Agriculture | Agricultural Sector Productivity | Percent change in value of international exports of targeted agricultural commodities as a result of USG assistance |
| Economic Growth | Agriculture | Agricultural Sector Productivity | Percent change in value of intra-regional exports of targeted agricultural commodities as a result of USG assistance |
| Economic Growth | Private Sector Competitiveness | | Global competitiveness index |
| Economic Growth | Private Sector Competitiveness | | Economic index score |
| Economic Growth | Private Sector Competitiveness | | Percent of the 11 core commercial laws put into place |
| Economic Growth | Private Sector Competitiveness | | Number of secure titles issued to immovable property as a result of USG assistance |
| Economic Growth | Private Sector Competitiveness | | Number of liens registered against movable property as a result of USG assistance |
| Economic Growth | Private Sector Competitiveness | Business Enabling Environment | Number of alternative dispute resolution mechanisms put in place as a result of USG assistance |
| Economic Growth | Private Sector Competitiveness | Business Enabling Environment | Number of institutions/organization assessments presented for consultation as a result of USG assistance |
| Economic Growth | Private Sector Competitiveness | Business Enabling Environment | Number of institutions/organizations mature/viable in the competency areas strengthened as a result of USG assistance |
| Economic Growth | Private Sector Competitiveness | Business Enabling Environment | Number of institutions/organizations undergoing capacity/competency assessments as a result of USG assistance |
| Economic Growth | Private Sector Competitiveness | Business Enabling Environment | Number of institutions/organizations undertaking capacity/competency strengthening as a result of USG assistance |
| Economic Growth | Private Sector Competitiveness | Business Enabling Environment | Number of International Labor Organization conventions ratified as a result of USG support |
| Economic Growth | Private Sector Competitiveness | Business Enabling Environment | Number of municipalities receiving USG assistance with regulatory/ administrative simplification |
| Economic Growth | Private Sector Competitiveness | Business Enabling Environment | Number of the 11 core commercial laws analyzed as a result of USG assistance |
| Economic Growth | Private Sector Competitiveness | Business Enabling Environment | Number of the 11 core commercial laws drafted and presented for public/stakeholder consultation as a result of USG assistance |
| Economic Growth | Private Sector Competitiveness | Business Enabling Environment | Number of the 11 core commercial laws passed for which implementation has begun with USG assistance |
| Economic Growth | Private Sector Competitiveness | Business Enabling Environment | Number of the 11 core commercial laws prepared with USG assistance passed/approved |
| Economic Growth | Private Sector Competitiveness | Business Enabling Environment | Number of the 11 core commercial laws presented for legislation/decreed as a result of USG assistance |
| Economic Growth | Private Sector Competitiveness | Private Sector Productivity | Amount of private financing mobilized with a DCA guarantee |
| Economic Growth | Private Sector Competitiveness | Private Sector Productivity | Number of business associations and trade unions that are at least 50 percent self-funded as a result of USG assistance |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|--------------------------|--------------------------------|--|--|
| Economic Growth | Private Sector Competitiveness | Private Sector Productivity | Number of firms receiving USG assistance to improve their management practices |
| Economic Growth | Private Sector Competitiveness | Private Sector Productivity | Number of firms receiving USG assistance to invest in improved technologies |
| Economic Growth | Private Sector Competitiveness | Private Sector Productivity | Number of new members in private business associations as a result of USG assistance |
| Economic Growth | Private Sector Competitiveness | Private Sector Productivity | Number of public-private dialogue mechanisms utilized as a result of USG assistance |
| Economic Growth | Private Sector Competitiveness | Private Sector Productivity | Number of SMEs receiving USG assistance to access bank loans or private equity |
| Economic Growth | Private Sector Competitiveness | Private Sector Productivity | Number of SMEs that successfully accessed bank loans or private equity as a result of USG assistance |
| Economic Growth | Private Sector Competitiveness | Workforce Development | Number of new or improved workforce development policies drafted through USG assistance |
| Economic Growth | Private Sector Competitiveness | Workforce Development | Number of people gaining employment or better employment as a result of participation in USG-funded workforce development programs. |
| Economic Growth | Private Sector Competitiveness | Workforce Development | Number of people transitioning to further education and training as a result of participation in USG-funded workforce development programs |
| Economic Growth | Private Sector Competitiveness | Workforce Development | Number of persons completing USG-funded workforce development programs |
| Economic Growth | Private Sector Competitiveness | Workforce Development | Number of persons participating in USG-funded workforce development programs |
| Economic Growth | Private Sector Competitiveness | Workforce Development | Number of workforce development initiatives created through USG assisted public-private partnerships |
| Economic Growth | Economic Opportunity | | Inflation-adjusted value of the portfolio outstanding of USG assisted microfinance institutions |
| Economic Growth | Economic Opportunity | | Access of land index |
| Economic Growth | Economic Opportunity | | Number of procedures required to register a firm |
| Economic Growth | Economic Opportunity | Inclusive Financial Markets | Amount of private financing mobilized with a DCA guarantee |
| Economic Growth | Economic Opportunity | Inclusive Financial Markets | Number of borrowers from USG-assisted microfinance institutions |
| Economic Growth | Economic Opportunity | Inclusive Financial Markets | Number of Depositors at USG-Assisted Microfinance institutions |
| Economic Growth | Economic Opportunity | Inclusive Financial Markets | Number of microfinance institutions supported by USG financial or technical assistance |
| Economic Growth | Economic Opportunity | Inclusive Financial Markets | Percent of USG-assisted microfinance institutions that have reached financial sustainability |
| Economic Growth | Economic Opportunity | Inclusive Financial Markets | Percent of USG-assisted microfinance institutions that have reached operational sustainability |
| Economic Growth | Economic Opportunity | Inclusive Financial Markets | Total savings deposits held by USG-assisted microfinance institutions |
| Economic Growth | Economic Opportunity | Inclusive Financial Markets | Value Of Portfolio Outstanding Of USG Assisted Microfinance activities Held As Poverty Loans |
| Economic Growth | Economic Opportunity | Policy Environment for Micro and Small Enterprises | Number of improvements in laws and regulations affecting the access of poor households to financial services drafted with USG assistance |
| Economic Growth | Economic Opportunity | Policy Environment for Micro and Small Enterprises | Number of improvements in laws and regulations affecting the access of poor households to financial services enacted with USG assistance |
| Economic Growth | Economic Opportunity | Policy Environment for Micro and Small Enterprises | Number of improvements in laws and regulations affecting the operations of micro enterprises enacted with USG assistance |
| Economic Growth | Economic Opportunity | Policy Environment for Micro and Small Enterprises | Number of improvements in laws and regulations affecting the registration of micro enterprises enacted with USG assistance |
| Economic Growth | Economic Opportunity | Strengthen Micro Enterprise Productivity | Amount of private financing mobilized with a DCA guarantee |
| Economic Growth | Economic Opportunity | Strengthen Micro Enterprise Productivity | Number of micro enterprise linked to larger-scale firms as a result of USG assistance to the value chain |
| Economic Growth | Economic Opportunity | Strengthen Micro Enterprise Productivity | Number of micro enterprises participating in USG assisted value chains |
| Economic Growth | Economic Opportunity | Strengthen Micro Enterprise Productivity | Number of micro enterprises receiving business development services from USG assisted sources |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|-------------------|----------------------|--|--|
| Economic Growth | Economic Opportunity | Strengthen Micro Enterprise Productivity | Total number of micro enterprises receiving finance from participating firms in a USG assisted value chain |
| Economic Growth | Economic Opportunity | Inclusive Economic Law and Property Rights | Number of improvements in laws and regulations affecting property rights of the urban and rural poor enacted with USG assistance |
| Economic Growth | Economic Opportunity | Inclusive Economic Law and Property Rights | Number of obstacles to women's economic activities (due to legal discrimination) eliminated as a result of USG assistance |
| Economic Growth | Economic Opportunity | Inclusive Economic Law and Property Rights | Number of proposed improvements in laws and regulations affecting property rights of the urban and rural poor drafted with USG assistance |
| Economic Growth | Economic Opportunity | Inclusive Economic Law and Property Rights | Number of improvements in laws and regulations affecting property rights of the urban and rural poor enacted with USG assistance |
| Economic Growth | Environment | | Ratio of land under protected status to the target of 10 percent of the biome's area |
| Economic Growth | Environment | | Metric tons of CO2 per thousand US dollars of GDP (carbon intensity) |
| Economic Growth | Environment | | Population-weighted urban particulates/pm10 concentration estimate |
| Economic Growth | Environment | | Hydropower and renewable energy consumption as a percent of total energy |
| Economic Growth | Environment | | Quantity of greenhouse gases reduced from either point or non-point sources from the energy sector or other sources |
| Economic Growth | Environment | | Quantity of non-greenhouse gases pollution emissions reduced |
| Economic Growth | Environment | Natural Resources and Biodiversity | Number of hectares in areas of biological significance showing improved biophysical conditions as a result of USG assistance |
| Economic Growth | Environment | Natural Resources and Biodiversity | Number of hectares in areas of biological significance under improved management as a result of USG assistance |
| Economic Growth | Environment | Natural Resources and Biodiversity | Number of hectares of natural resources showing improved biophysical conditions as a result of USG assistance. |
| Economic Growth | Environment | Natural Resources and Biodiversity | Number of hectares under improved natural resource management as a result of USG assistance. |
| Economic Growth | Environment | Natural Resources and Biodiversity | Number of people receiving USG supported training in natural resources management and/or biodiversity conservation. |
| Economic Growth | Environment | Natural Resources and Biodiversity | Number of people with increased economic benefits derived from sustainable natural resource management and conservation as a result of USG assistance. |
| Economic Growth | Environment | Natural Resources and Biodiversity | Number of policies, laws, agreements or regulations promoting sustainable natural resource management and conservation that are implemented as a result of USG assistance |
| Economic Growth | Environment | Natural Resources and Biodiversity | Number of USG-supported initiatives/mechanisms designed to reduce the potential for violent conflict over the control, exploitation, trade or protection of natural resources |
| Economic Growth | Environment | Natural Resources and Biodiversity | Percent of revenue generated from diamonds/timber/oil/gold/coltan transparently accounted for in the national budget |
| Economic Growth | Environment | Natural Resources and Biodiversity | Quantity of greenhouse gas emissions, measured in metric tons CO2 equivalent, reduced or sequestered as a result of USG assistance in natural resources management, agriculture, and/or biodiversity sectors |
| Economic Growth | Environment | Natural Resources and Biodiversity | Value of revenue generated from diamonds/timber/oil/gold/coltan transparently accounted for in the national budget |
| Economic Growth | Environment | Clean Productive Environment | Dollars saved from prevention, mitigation or reduction of pollution, including greenhouse gasses, as a result of USG assistance |
| Economic Growth | Environment | Clean Productive Environment | Energy and materials savings due to improved practices as a percentage of overall country's consumption |
| Economic Growth | Environment | Clean Productive Environment | Number of improved laws/policies/regulation/agreements related to pollution and urban environment drafted with USG Assistance |
| Economic Growth | Environment | Clean Productive Environment | Number of laws, policies, agreements or regulations addressing climate change proposed, adopted, or implemented as a result of USG assistance |
| Economic Growth | Environment | Clean Productive Environment | Number of people receiving USG supported training in environmental law, enforcement, public participation, and cleaner production policies, strategies, skills, and techniques |
| Economic Growth | Environment | Clean Productive Environment | Number of people receiving USG supported training in global climate change including Framework Convention on Climate Change, greenhouse gas inventories, mitigation, and adaptation analysis |
| Economic Growth | Environment | Clean Productive Environment | Number of people with increased adaptive capacity to cope with impacts of climate variability and change as a result of USG assistance |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/AF/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|-------------------------|--------------------------------------|------------------------------|---|
| Economic Growth | Environment | Clean Productive Environment | Number of technologies and methodologies developed or tested for broad dissemination |
| Economic Growth | Environment | Clean Productive Environment | Quantity of greenhouse gas emissions, measured in metric tons of CO2 equivalent, reduced or sequestered as a result of USG assistance. |
| Humanitarian Assistance | | | Amount of Funding committed to individual onset disasters (all donors) within the first month as a share of the total funds committed to individual disasters up to 6 months after the disaster declaration |
| Humanitarian Assistance | | | Percentage of monitored camp sites worldwide where mortality does not exceed established emergency thresholds |
| Humanitarian Assistance | | | Percentage of monitored emergency sites worldwide where mortality declines or remains stable |
| Humanitarian Assistance | | | Percentage of monitored emergency sites worldwide where nutritional status improves or remains stable |
| Humanitarian Assistance | | | Percentage of UN OCHA consolidated appeals met by all international donors |
| Humanitarian Assistance | | | Percent of non-US donors to the World Food Program |
| Humanitarian Assistance | Protection, Assistance and Solutions | | Percent of monitored sites worldwide with less than 10 percent Global Acute Malnutrition (GAM) |

Master List of Standard Indicators

Data Reference Sheets: <http://inside.usaid.gov/A/F/plan.html>

| Program Objective | Program Area | Program Element | Indicator |
|-------------------------|--------------------------------------|---|---|
| Humanitarian Assistance | Protection, Assistance and Solutions | Protection and Solutions | Number of beneficiaries assisted by USG-supported protection and solutions activities (Bureau reported) |
| Humanitarian Assistance | Protection, Assistance and Solutions | Protection and Solutions | Number of countries with effective registration capacity in refugee situations (Bureau reported) |
| Humanitarian Assistance | Protection, Assistance and Solutions | Protection and Solutions | Percentage of NGO or other international organization projects that include activities to prevent and/or respond to gender-based violence |
| Humanitarian Assistance | Protection, Assistance and Solutions | Protection and Solutions | Percentage of refugees admitted to the U.S. against the regional ceilings established by presidential determination (Bureau reported) |
| Humanitarian Assistance | Protection, Assistance and Solutions | Assistance and Recovery | Percentage of disaster-affected households provided with basic inputs for survival, recovery or restoration of productive capacity (Bureau reported) |
| Humanitarian Assistance | Protection, Assistance and Solutions | Assistance and Recovery | Percentage of disasters declared within 72 hours (disaster declaration cable sent) (Bureau reported) |
| Humanitarian Assistance | Protection, Assistance and Solutions | Assistance and Recovery | Percentage of planned emergency food aid beneficiaries reached (Bureau reported) |
| Humanitarian Assistance | Disaster Readiness | | Number of countries with early warning systems that inform decision makers on appropriate food and non-food intervention response |
| Humanitarian Assistance | Disaster Readiness | | Number of months households in USG-assisted areas have enough food |
| Humanitarian Assistance | Disaster Readiness | Capacity Building, Preparedness, and Planning | Number of countries with early warning systems linked to a response system in place as a result of USG assistance (Bureau reported) |
| Humanitarian Assistance | Disaster Readiness | Capacity Building, Preparedness, and Planning | Number of people trained in disaster preparedness as a result of USG assistance |
| Humanitarian Assistance | Disaster Readiness | Capacity Building, Preparedness, and Planning | Percentage of USG missions/embassies with complete disaster relief plans in place (Bureau reported) |
| Humanitarian Assistance | Disaster Readiness | Mitigation | Percentage of USG-assisted communities that have constructed/developed physical infrastructure to mitigate the effects of shocks |
| Humanitarian Assistance | Disaster Readiness | Mitigation | Percentage of USG-assisted shock prone areas reporting maintenance or improvement in household food consumption |
| Humanitarian Assistance | Migration Management | | Percentage of countries that undertake policies and practices to develop legal, orderly and humane migration systems through active participation in regional consultative processes or in International Organization for Migration |
| Humanitarian Assistance | Migration Management | | Percentage of countries that participate in dialogues on migration |
| Humanitarian Assistance | Migration Management | Protection and Assistance | Percentage of countries with USG-funded programs that establish policies, practices and systems that protect and assist vulnerable migrants (Bureau reported) |
| Humanitarian Assistance | Migration Management | Protection and Assistance | Percentage of eligible humanitarian migrants to Israel that receive mandatory services (Bureau reported) |
| Humanitarian Assistance | Migration Management | Protection and Assistance | Reduction in average cost of stay of migrants from the former Soviet Union in absorption centers in Israel (Bureau reported) |
| Humanitarian Assistance | Migration Management | Institutional Support and Capacity-Building | Percentage of eligible associate experts who are hired permanently by IOM in a given fiscal year (Bureau reported) |
| All | All | Program Design and Learning | Number of Special Studies |
| All | All | Program Design and Learning | Number of Baseline or Feasibility Studies |
| All | All | Program Design and Learning | Number of Evaluations |
| All | All | Program Design and Learning | Number of Information Gathering or Research Activities |
| All | All | Program Design and Learning | Number of Monitoring Plans |
| All | All | Program Design and Learning | Number of People Trained in Monitoring and Evaluation |
| All | All | Program Design and Learning | Number of Sector Assessments |
