Highlights of GSA's Requisition and Acquisition Methods

Requisitioning from GSA

GSA Global Supply™ offers products that meet the recurring needs of the federal government. Because GSA Global Supply has already procured the most in-demand products on the government's behalf, your order is a simple requisition between agencies. Requisitions, regardless of size, satisfy all Federal Acquisition Regulation (FAR) requirements, including environmental initiatives, trade agreement policies, socioeconomic goals, AbilityOne mandates, and executive orders. Consideration of multiple sources is not required, and orders can be placed using an AAC/DoDAAC or government purchase card.

A sampling of our most popular furniture – including desks, chairs, file cabinets, contemporary office suites, and training-room components – is presented in this catalog. To view our complete offering: (1) Visit www.GSAGlobalsupply.gsa.gov; (2) select "Go" beneath the "Browse Products" option; and (3) choose the "Furniture and Furnishings" tab. There you will discover a huge selection of products – including seating, dormitory furniture, office accessories and much, much more.

For additional information about ordering from GSA Global Supply, see page i.

Purchasing from GSA Vendors

Whenever you use GSA's Multiple Award Schedule (MAS) program, you'll receive direct delivery of commercial products and services at volume-discount pricing. Due to established contractor relationships, the MAS program offers shorter procurement lead-times, lower administrative costs, and reduced inventories – resulting in simple, streamlined procurements. You can also meet small-business goals while promoting compliance with various environmental regulations. GSA requires all MAS contractors to accept the GSA SmartPay® 2 purchase card for payment. To learn more, visit www.gsa.gov/acquisitionsolutions.

Letting GSA Manage the Process

As you may know, the complexity of a furniture project can be overwhelming. In today's workplace, you might require instrumental assistance with planning, procurement or project management – or any combination of the three. For approximately 20 years, GSA has been helping agencies like yours acquire furniture and furnishings – and we can help you too. Our fee-based assisted services for furniture procurements are ideal for large projects requiring a contracting office experienced in furniture, furnishings and office equipment. For more information, call (703) 605-9200.

Ensuring Reuse with Personal Property Management

Screening available excess personal property is the federal government's priority source of supply. With today's increased environmental consciousness, reusing excess property has become a source of pride and documentable benefits, as well as cost avoidance in this time of reduced budgets. Remember, reuse is recycling.

To help you acquire the excess property your agency needs, GSA offers GSAXcess® (accessible via www.gsa.gov/gsexcess), the personal-property tool for managing excess property within the federal government. GSAXcess makes reporting, searching and selecting excess property convenient and user-friendly.

In addition to the furniture available through the GSA Global Supply requisition process, GSA has contracts in place with hundreds of vendors that offer a wide variety of furniture and furnishings. The selection is comparable to that of the commercial marketplace but without the burden of a performing an open-market procurement. For detailed descriptions of the products below and vendor listings, please access eLibrary through www.gsa.gov/elibrary.

- **MAS 71 – Furniture** offers: products for workstation systems, conference rooms and waiting areas; executive casegoods; and dormitory, residential and outdoor spaces. This MAS includes: Special Use Furniture for industrial facilities, hospitals, classrooms, museums and other non-traditional areas; Miscellaneous Furniture, such as security filing cabinets, safes, vault doors, and map files; and the Packaged Furniture program, which combines Schedules to create total environments for an easier acquisition process.
- **MAS 72 – Furnishing and Floor Coverings** provides ancillary items such as lamps, draperies and coordinating bedding, wall art, artificial plants and other decorative products. It also offers solutions for carpets, mats, padding, resilient flooring, recycled and/or biobased content flooring, flooring recycling programs, and installation services.
- **MAS 71 II K – Comprehensive Furniture Management Services** offers furniture design/layout, installation, project management, asset management, and furniture refinishing, repair and reupholstering.

Count on GSA for the furniture and furnishings your agency needs!

This catalog spotlights many popular furniture items from GSA Global Supply™.

Every item in this catalog is a GSA Global Supply item and carries with it our promise of:

- Product Breadth and Depth
- Easy Compliance with FAR, AbilityOne, and more
- Simple Requisitions – no requirement to comparison shop
- Ordering Options – online, phone, fax or FEDSTRIP/MILSTRIP
- Payment Options – Purchase Card or AAC/DoDAAC
- Global Delivery
- Competitive Pricing
- Special Order Capability

This publication showcases a small portion of the thousands of furniture items we offer. To select from our complete selection of office, training-room and dormitory furniture, visit www.GSAGlobalsupply.gsa.gov.

Ordering Information

GSA Global Supply accepts your government purchase card or direct billing through your Activity Address Code (AAC) or DoDAAC. For information on obtaining an AAC or DoDAAC, contact our Order Management Office at (800) 927-7622 or ordermgmt@gsa.gov.

FEDSTRIP/MILSTRIP

We're integrated with orders routed from DLA Transaction Services. We're also happy to accept your Standard Form 344 or DD Form 1348 by mail at:

GSA Global Supply (QSDLBB)
 Room 6A00

National Stock Numbers and GSA Part Numbers

This catalog features product identified with National Stock Numbers (NSN) and GSA part numbers, which begin with "OS3A." You can order GSA part-numbered items online, or via phone or fax, the same way you would order NSN items. For STRIP orders, you can submit a part-number requisition that includes the relevant part number(s) and one of the following Document Identifiers (Doc ID):

- AOB: For domestic shipment
- AO2: For overseas shipment

Reminder: To ensure prompt processing of your GSA order, be sure to enter "GSA" as your Routing Identifier Code (RIC). If you are an OCONUS customer, you also should verify that you are using the correct Doc ID (i.e., "A01" for NSN items or "A02" for part-numbered items).

Direct Delivery

Most of the products in this catalog are Direct Delivery items, which are identified by the **DD** icon. These items will be shipped from the contractor rather than by a GSA Global Supply™ depot. It is important to plan for longer lead-times on Direct Delivery items.

With Direct Delivery, you will experience the same requisition and billing relationship with GSA Global Supply as you do for stocked items.

Lead Times for NSNs

Our contracts for desk chairs include a provision that they ship within 63 days of the vendor receiving your order.

Contracts for contemporary steel, traditional-style steel and traditional-style wood office furniture include a provision that they ship within 93 days of the vendor receiving your order.

Quick Ship Program: Several NSN furniture items include a “Quick Ship” provision, which enables you to get needed furniture shipped within 30 days of the vendor receiving your order.

The Quick Ship Program applies only to high-priority requisitions, Priorities 01 through 08. Look for **Ⓜ Quick Shipment Available**, which identifies “Quick Ship” products. (A nominal fee is assessed for using the Quick Ship Program.)

Lead Times for OS3A Items

All OS3A items ship to CONUS locations within five business days. There are some exceptions to this delivery commitment for furniture items that cannot ship common carrier.

Prices

“Direct Delivery” furniture products show the approximate delivered price for each item. (Please note that prices do not include inside delivery or installation.)

Prices may vary according to your geographic location. For exact pricing, visit www.GSAGlobalsupply.gsa.gov. Log in, or enter your ZIP code when prompted while viewing product details. The price shown will reflect the charge for delivery to your location. If you do not have Internet access, please call (800) 525-8027.

Inside Delivery

To add to your convenience, our furniture contracts include “inside delivery” provisions (with established pricing). This option allows new products to be sent exactly where you need them. Please make sure to request this service when you place your order. To request inside delivery, follow the guidelines below.

- For phone or fax orders, request inside delivery and provide the name and phone number of a point of contact, as well as the exact location for delivery (e.g., floor and room number).
- For FEDSTRIP/MILSTRIP orders, mark “Inside Delivery Required” on the Activity Address Code Record or in the “Mark For” or “Remarks” section of your requisition. Provide the name, phone number and exact location for delivery (e.g., floor and room number).
- For orders through the GSA Global Supply website or **GSA Advantage!**®, click on the “Change Price/Address” field while viewing your shopping cart. (The field is located under the “Item Details” column and brings up a new screen.) In the blank fields, type “inside delivery” and the contact information of the recipient. (Please note that this must be done for each item needing inside delivery.)

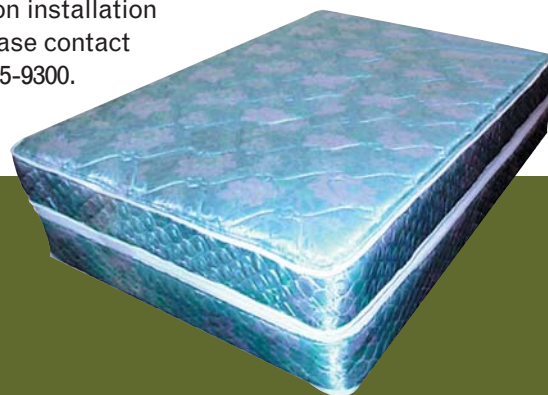

The fee for this service is \$3.85 per 100 lbs, with a minimum shipment charge of \$35.10. The maximum charge per shipment is \$410. Inside delivery does not include unpacking, leveling, removal of cartons, etc.

Reminder: Be sure to check building and elevator accessibility before requesting the “inside delivery” service. Whenever the building or elevator will not accommodate the item(s), rates will be negotiated between the customer and the contractor.

If you have questions regarding this service, or any furniture questions, you may call us at (703) 605-9300.

Installation

We offer installation for some larger NSN furniture items, with a minimum 10-item purchase. For additional information on installation services, please contact us at (703) 605-9300.

Workstation

Contemporary-style, full-panel, steel office furniture features laminate tops. Workstation includes storage, an adjustable keyboard platform with mouse tray and wire management. Pedestals, lateral files and cabinets are provided with locks, and workstation locks are keyed alike. Pedestal types include two-drawer pedestals with two file drawers and three-drawer pedestals with two storage drawers and one file drawer. Pedestals and lateral files are freestanding and may be placed in the workstation as desired by the user. Overhead cabinets include a tack board and task light. Tops are a light, patterned color. Assembly instructions provided. Each NSN includes all components required for the complete workstation.

A. Corner workstation with a corner work surface and two 24"-deep side surfaces. Includes one two-drawer pedestal and one three-drawer pedestal.

7110-01-516-0408	DD	Light Gray	6 x 6 ft.	EA	\$2,369.79
7110-01-516-0398	DD	Gray	6 x 6 ft.	EA	\$2,369.79
7110-01-516-0399	DD	Black	6 x 6 ft.	EA	\$2,369.79

B. The workstation features a 36"-high privacy screen.

7110-01-541-6610	DD	Light Gray	6 x 6 ft.	EA	\$3,057.42
7110-01-541-6609	DD	Gray	6 x 6 ft.	EA	\$3,057.42
7110-01-541-5626	DD	Black	6 x 6 ft.	EA	\$3,057.42

C. U-shaped workstation includes a front corner work surface with 24"-deep side surfaces. The corner and one side form the six-foot front of the workstation. The other side forms a bridge between the corner and the 72"-wide, 24"-deep rear work surface. The workstation includes a two-drawer pedestal, a three-drawer pedestal, and a 48"-wide overhead cabinet.

Mobile Pedestal with Radius Pull (Steel)

A

A. Brigade Series Mobile Pedestal with Radius Pull design fits under standard HON Initiate, 38000 Series and work surfaces. Each Box drawer has one drawer divider and a pencil tray. Each file drawer has two crossrails. File drawer has high sides for filing front-to-back. Pedestal offers ball-bearing suspension on the file drawer (90 percent extension), and roller suspension on two box drawers (75 percent extension). Pedestal is equipped with HON One Key interchangeable core removable locks, fixed front casters and swivel rear casters. Counterweight inhibits tipping when opening more than one drawer. Pedestal meets or exceeds ANSI/BIFMA and ISTA performance standards. Covered by The HON Full Lifetime Warranty.

Pedestal comes with Box / Box / File drawers.

Office Suites

Wood Laminate Office Suite

The 10500 Series Wood Laminate Furniture is a versatile collection for any office arrangement or work style. Well-built cost-effective wood furniture is the perfect solution for a growing business. Square edges and full modesty panels give this series a clean, streamlined look. Durable, thermal-fused laminate resists scratching and stains. Strong inner frame construction assures trouble-free performance and long life. Desks and credenzas and return pedestals feature two locking drawers; one box and one file drawer in each. File drawers extend fully on ball-bearing suspensions. Furniture has grommets to route and hide wires and cables and is equipped with interchangeable core removable locks to make rekeying quick and easy. Bridges connect a single-pedestal desk or peninsula to a single-pedestal credenza. Furniture is certified by SCS to be in compliance with specific indoor air quality emission requirements and meets or exceeds ANSI/BIFMA and ISTA performance standards.

Mobile Pedestal File (Laminate)

Mobile pedestal features two file drawers and a wood grain laminate finish. Each file drawer stores letter-size and legal-size files (sold separately). Hangrails are provided in all file drawers for side-to-side letter and legal filing; and front-to-back for letter filing. Both locking file drawers have HON "One Key" interchangeable core-removable lock and hangrails for hanging folders. Drawers operate on ball-bearing suspension with full extension. Use pedestal freestanding or under 29-1/2" high workstations. Adjustable hex leveling glides with a 3/4" adjustable range allow the pedestal to be easily leveled without lifting the unit. Pedestal is certified by SCS to be in compliance with specific indoor air quality emission requirements and meets or exceeds applicable ANSI/BIFMA standards.

**File / File Mobile Pedestal**

OS3AHON105104CC	NEW	The HON Company HON105104CC	Harvest	Width: 15-3/4"; Depth: 22-3/4"; Height: 28"	EA	\$446.05

Removable media organizer in middle drawer

Wood Laminate Office Suite

Park Avenue Laminate Collection offers an upscale design with clean, uninterrupted lines, tri-oval edge detail, vertically matched wood grain and mixed materials. Tops are easy-care abrasion-resistant and spill-resistant thermal-fused laminate over durable, 1-1/8" thick, solid-core, high-performance particleboard. Contemporary options include frosted doors and modesty panels with nickel trim. Full-to-the-floor pedestals maximize storage space. Removable media organizer in middle drawer. Spacious file drawers store letter-size or legal-size folders. Pencil tray helps organize the top supplies drawer. Cord management grommets facilitate routing and hiding wires/cables and reaching wall outlets. Precision ball-bearing suspension delivers smooth, quiet, long-lasting operation. Furniture is certified by SCS to be in compliance with specific indoor air quality emission requirements. Meets or exceeds applicable ANSI/BIFMA and ISTA performance standards.

Traditional Executive Wood Desks and Credenzas

This piece is part of a line of Traditional Executive Wood furniture made for use in an executive office and associated areas. It is an 18th Century Georgian design, made in USA, with genuine American Walnut wood on all exposed faces and trim molding. Case pieces such as desks, credenzas and file cabinets are shipped fully assembled. The furniture line includes desks, desk attachments, credenzas, file cabinets, occasional/console/computer support/work and conference tables, bookcases, hutch cabinets, overhead storage unit, wardrobe and presentation boards. All drawers have solid wood sides and backs, genuine American Walnut drawer bottoms, dovetail joinery and precision ball bearing, full extension drawer suspensions. The bottoms of all cases are fully enclosed and reinforced. The furniture is performance tested to assure overall unit strength and long term durability. The line is available in a Walnut or Mahogany finish. Hardware is traditional drop bail design with an antique brass finish. Adjustable glides are provided for leveling. These items help you meet E.O. 13423 and 13514 sustainable acquisition goals.

Desks feature a central lock for securing all drawers or keyed-alike locks for each pedestal. Drawer bodies are wood, and drawers have precision ball-bearing suspensions. File drawers can accommodate letter- and legal-size hanging folders. A pullout reference shelf is provided at the top of each drawer pedestal.

Double-Pedestal Desk

A. Double-pedestal desk features a center pencil drawer with a central lock, two tray drawers, two box drawers, and two file drawers. A convenient pullout dictation shelf is located on the visitor's side of the desk.

Traditional Executive Wood Filing and Storage

This piece is part of a line of Traditional Executive Wood furniture made for use in an executive office and associated areas. It is an 18th Century Georgian design, made in USA, with genuine American Walnut wood on all exposed faces and trim molding. Case pieces such as desks, credenzas and file cabinets are shipped fully assembled. The furniture line includes desks, desk attachments, credenzas, file cabinets, occasional/console/computer support/work and conference tables, bookcases, hutch cabinets, overhead storage unit, wardrobe and presentation boards. All drawers have solid wood sides and backs, genuine American Walnut drawer bottoms, dovetail joinery and precision ball bearing, full extension drawer suspensions. The bottoms of all cases are fully enclosed and reinforced. The furniture is performance tested to assure overall unit strength and long term durability. The line is available in a Walnut or Mahogany finish. Hardware is traditional drop bail design with an antique brass finish. Adjustable glides are provided for leveling. These items help you meet E.O. 13423 and 13514 sustainable acquisition goals.

Credenza

A. Credenzas feature keyed-alike locks for each pedestal section. Drawer bodies are wood, and drawers have precision ball-bearing suspensions. File drawers can accommodate letter- and legal-size hanging folders.

This modular credenza is flat on both sides to allow side-by-side placement with other modular units. The credenza has two lateral file drawers.

Ergonomic Seating

Chair

This chair is a part of a line of ergonomic seating designed to accommodate people of various body types and sizes. All chairs have a mesh suspension fabric back to promote air flow and comfort. The mesh is designed to provide lumbar support and allow movement. Upholstered seats have a contoured foam cushion with a waterfall edge to provide long term comfort. The back is framed to prevent damage from contact with hard surfaces.

Chairs have a synchronous knee-tilt mechanism, with tilt lock, pneumatic seat-height adjustment, and tilt tension control. Arms are adjustable with cushioned pads for comfort.

Task

A

Desk Chair

This sleek, upholstered chair blends with contemporary- or traditional-style general office furniture. Chair features a molded, textured black plastic shell design and a rotary five-leg base. Chair is designed to stand up to heavy-duty use at the desk or in the conference room. Features rounded edges and corners.

A. This high-back executive chair provides superior comfort. Both the seat and back tilt to desired angle and are formed from one continuous piece without openings. Seat height adjusts from 17" to 20" above the floor. Chair features a generous 19"-wide seat and 20"-high back, as well as tilt-tension adjustment and open-sided continuous or loop-style plastic arms. Each securely attached, replaceable stem-and-socket caster houses a hard double wheel (for use on carpet only).

Seat and back are padded with polyurethane foam and upholstered with 100-percent flat nylon, plain-weave fabric in decorator colors. (Image is representative of product style, and does not reflect color or fabric design.)

📦 Quick Shipment Available

Folding Chairs

Perpetual Nesting Chair With Resilience Back

A. Perpetual Nesting Chair offers a stretch back that molds to every user and a unique, passive ergonomic frame design with independent seat and back flex. This dynamic seating solution automatically responds to you to enhance comfort and continual support. Design features a fully upholstered seat and passive back motion. The back is upholstered with Lycra-based Resilience, a three-dimensional knit with an open-weave pattern for enhanced airflow and a lasting high elasticity. Strong suspension offers increased comfort and durability, adapting to different body shapes and sitting positions. Soft, non-slippery material is multidirectional so it protects clothing from piling and wear. Armless chair nests to 7-1/2" deep. Four casters provide complete mobility. Chair is certified by SCS to be in compliance with specific indoor air quality emission requirements. Meets or exceeds ANSI/BIFMA and ISTA performance standards.

Room Dividers

Portable Room Divider

A. Screenflex Freestanding portable partitions (commercial edition) optimize limited space. Create training rooms, privacy to dining areas, intimate settings for guest speakers, or hide unsightly construction. Multiple units lock together (unit connectors sold separately) to form unlimited lengths. Partition features control hinges and sound-absorbing panels. Room divider features self-leveling casters to provide mobility. Compact storage. Partition is made of fabric treated with Blockaide Fabric Protector. Has black powder-painted metal trim, hinges, and caster covers. No assembly or installation required. Use Screenflex Multi-Unit Connector OS3ASCXGL for joining several portable partitions for an unlimited length. Order one set per partition.

Lighting

Desk Light

This attractive, fluorescent desk light features an adjustable swinging arm. Uses two 15-watt, 18"-long, cool white fluorescent lamps (included). Operates on 110V AC, 60-Hz power. Conforms to UL standards.

A. The swing arm assembly is 28" long when fully extended. Heavy, weighted base requires no fastening.

6230-00-682-3423 Black EA \$136.77

B. The swing arm assembly is 34" long when fully extended. Base fastens to desk via a clamp.

6230-00-299-7771 Black EA \$102.77

This fluorescent desk light includes a protective, felt-padded pedestal base, a fixed shade (attached to one or more posts), and a nine-foot, three-conductor cord. Uses two 15-watt, 18"-long, cool white fluorescent lamps (included). Operates on 110V AC, 60-Hz power. Conforms to UL standards.

6230-00-643-2077 Black EA \$55.24

This desk light features a flexible column, a 9'3" conductor cord, and a felt-padded pedestal base to protect work surface. The lamp's parabolic shaped reflector directs light where it is needed. Uses a standard 60-watt incandescent lamp (included). Operates on 110V AC, 60-Hz power. Conforms to UL standards.

6230-00-643-2076 Black Extended Height: 26" EA \$38.82

Bed Light

Designed for use with military standard bunk beds, this heavy-duty lamp includes a flexible positioning arm. Unit can be clamped on to 5/8"- to 1-1/2"-diameter tubes and bed corner posts. Features a durable plastic shade and requires a standard 60-watt incandescent lamp (not included). Operates on 115V AC, 60-Hz power. Conforms to UL standards.

6230-01-133-0281 EA \$37.61

Clocks

Slimline Wall Clock

Round "Slimline" wall clock features quartz movement. Easy-to-read clock has black Arabic numerals, black minute and hour hands, white face, and a red sweep second hand. Hanging hardware is included. Requires one AA battery (not included).

Coat and Hat Hook

Wall-mounting hook with a single arm is made of bright brass and has a 3" projection. Mounting screws included.

5340-00-244-2728 PG(contains 10 EA) \$3.59

Smoke Detector

Battery-powered smoke detector for residential application features solid state circuitry with test capability for smoke sensing and alarm with automatic reset. Includes hardware for ceiling or wall mounting and 9 volt battery.

Photoelectric type.

i 36-month maximum shelf life (not extendable)

6350-01-094-4171 EA \$15.45

Space Heater

Portable electric unit heats small rooms or areas. Features a convenient carrying handle and a protective grill. Automatic thermostat control with a "positive off" feature.

Upright-style forced-air model comes in handy as a spot heater. Features a convection heating element of chrome-nickel wire and a fan for heat circulation. Heater includes a positive on-off manual switch and "off" position marked on thermostat.

J. Fan operates on 240V AC power; 3000w produces 10,200 BTU per hour. Adjustable automatic thermostat control ranges from 45 to 120° F. Includes a three-prong plug and a minimum five-foot-long, 20-amp rated plug and cord. Heater does not include a tip-over switch. (Product dimensions may vary by manufacturer.) NEMA configuration 6-20P. Heater conforms to UL Standard 1278.

4520-00-540-2038 EA \$131.42

K. Fan operates on 120V AC power. In the event that the unit is tipped over, an automatic switch immediately turns the unit off. Includes a three-prong plug and a minimum five-foot-long, 15-amp rated plug and cord. (Product dimensions may vary by manufacturer.) NEMA configuration 5-15P. Heater conforms to UL Standard 1278.

4520-00-555-8696 EA \$48.48

L. Baseboard-style, low silhouette heater is natural convection type. Includes rod-type elements with heat-radiating metal fins. Automatic thermostat control ranges from 45 to 120° F.

Fan operates on 120V AC, 1000w power. In the event that the unit is tipped over, an automatic switch immediately turns the unit off. Includes a three-prong plug and a minimum five-foot-long, 15-amp rated plug and cord. (Product dimensions may vary by manufacturer.) NEMA configuration 5-15P. Heater conforms to UL Standard 1042.

4520-00-865-5939 47-1/2" W, 6-1/2" H, 4-1/4" D EA \$63.62

Mats and Matting

Standing Floor Mat (Anti-Fatigue)

For people who are on their feet for long periods of time, this mat relieves fatigue from vibrations and standing. With a smooth, uni-cellular foam base bonded to a solid rubber or plastic covering.

♻️ 10% Postconsumer Recycled Plastic Contains 100% Recovered Material

7220-00-292-2096	CPG	Black	Width: 30"; Depth: 36"; Thickness: 1/2"	EA	\$25.97
------------------	-----	-------	---	----	---------

Shower Mat

Use in shipboard shower stalls. Rubber or plastic mat has a ribbed, non-slip surface. Mat is perforated for drainage, with a 3/4 to 3" wide unperforated border. Minimum 3/16" thick.

♻️ 10% Postconsumer Recycled Plastic Contains 100% Recovered Material

Small Parts Storage Cabinet

G Enamel-painted steel cabinet with sturdy construction and rigid drawers is perfect for storing small parts such as nuts, bolts and other items. Each drawer has two removable dividers and three compartments with individual label holders. Drawers have securely attached metal handles or pulls. Drawer stops prevent accidents. AA-C-33.

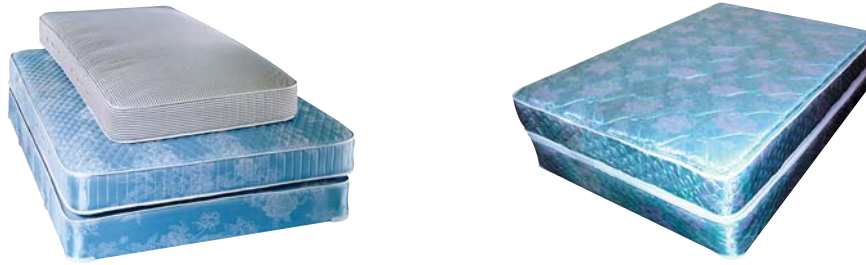

Cabinet is four drawers high and six drawers across (or three high and eight across) for a total of 24 drawers that vary in capacity. Enough dividers are provided to create at least 240 compartments.
