
8 LIST OF PREPARERS

This Environmental Impact Statement was prepared by:

Earth Tech, Inc.
675 N. Washington Street, Suite 300
Alexandria, Virginia 22314

Key personnel included:

Laurent Cartayrade, Environmental Planner: 7 years of experience in environmental planning. University of Paris IV-Sorbonne, 1984, BA; University of Maryland-College Park, 1991, MA, History; 1997, PhD, History.

Karen M. Coghlan, Public Affairs Specialist/Senior Editor: 40 years of experience in communication and in managing communication-oriented projects. Douglas College, Rutgers, the State University of New Jersey, 1965, BA, English.

Penelope Douglas, Environmental Planner: 35 years of experience in environmental and natural resources planning, and environmental impact assessment. University of Michigan, 1970, BS, Natural Resources Planning; University of Maryland, 1985, MA, Geography/Environmental Analysis.

Mark A. Ethridge, Senior Policy Analyst: 28 years of experience in energy and environmental policy analysis. University of Arizona, 1974, BA, Political Science; George Washington University, 1982, MA, Energy Policy; George Washington University, 1992, MS, Environmental Science.

Jessica A. Gribbon, Project Manager, Environmental Planner: 2 years of experience in environmental planning with an emphasis on marine and endangered species policy, and previous working experience with NMFS Office of Protected Resources. University of Miami, 2003, BA, Marine Affairs and Policy, UM/Rosenstiel School of Marine and Atmospheric Science, 2004, MA, Marine Affairs and Policy.

Gary Moore, Senior Environmental Scientist: 30 years of experience in air quality modeling including preparation of emissions data, meteorological modeling, air chemistry modeling, and statistical analyses of aerometric and model outputs. Massachusetts Institute of Technology, Cambridge MA, 1977, MS in Meteorology.

Harriet Nash, Environmental Planner, Marine Biologist: 5 years of experience in fishery biology, coastal management, and preparing environmental impact documentation. Georgetown University, 1995, BS, Biology; Duke University, 2001, MEM, Coastal Environmental Management.

J. Lane Willson, Project Director: 25 years of active military duty in the U.S. Navy, afloat as a Surface Line Officer and ashore in environmental compliance, program and budgeting, and policy. Post Navy, 5 years as senior program manager, environmental planning and preparation

of environmental impact documentation. Auburn University, 1974, BS, Transportation; Marymount University, 1988, MBA, Finance.

Kari E. Wilson, Technical Editor: More than 4 years of professional experience as a scientific and technical writer and editor in various business and publishing fields such as law codification; information technology; facilities; and major academic, reference, and science publications. Southern Illinois University, 2001, BA, English.

**National Marine Fisheries Service
Office of Protected Resources
1315 East-West Highway
Silver Spring, MD 20910**

NOAA Coordinators:

Greg Silber, Coordinator, Large Whale Recovery Activities: National Marine Fisheries Service (NMFS), Office of Protected Resources, Silver Spring, MD.

Michael Payne, [Former] Division Chief, Marine Mammal and Sea Turtle Conservation Division, NMFS, Office of Protected Resources, Silver Spring, MD.

Donna Wieting, Deputy Director, Office of Protected Resources, NMFS, Silver Spring, MD.

Michelle McGregor, Economist, Office of Protected Resources, NMFS, Silver Spring, MD.

Deborah Ben-David, General Counsel for Fisheries, NMFS, Silver Spring, MD.

Shannon Bettridge, Fishery Biologist, Office of Protected Resources, NMFS, Silver Spring, MD.

Other NOAA participants:

Barb Zoodsma, Southeast Right Whale Recovery Program Coordinator: NMFS, Southeast Region, Protected Resources Division, FL.

Lance Garrison, Research Fishery Biologist, Acting Marine Mammal Team Leader: NMFS, Southeast Fisheries Science Center, Protected Resources Division, Miami, FL.

Richard Merrick Ph.D., Chief, Protected Species Branch: NMFS, Northeast Fisheries Science Center, Wood's Hole, MA.

David Gouveia, Marine Mammal Coordinator: NMFS, Northeast Region, Protected Resources Division, Gloucester, MA.

Kristen Koyama, Northeast Ship Strike Coordinator: NMFS, Northeast Region, Protected Resources Division, Gloucester, MA.

Kathryn Bisack, Operations Research Analyst: NMFS, Northeast Fisheries Science Center, Wood's Hole, MA.

Nathan Associates, Inc.
2101 Wilson Boulevard
Suite 1200
Arlington, VA 22201

Key personnel included:

Richard B. Blankfeld, Economist: 27 years of experience in conducting studies of maritime and other transportation policies and investments. Boston University, 1978, MA, Economics; Boston University, 1978, BA, Economics and Mathematics.

Paul E. Kent, Economist: 25 years experience in the field of ports and maritime transportation. Central Scientific Institute for Water Transport Economics and Operations, Moscow, Russia, 1999, Ph.D.; University of New Orleans, Master of Science in Urban Studies (M.S.U.S.), 1984; West Virginia University, 1977, Master of Public Administration (M.P.A.); West Virginia University Political Science, 1976, BA.

John S. Ramirez, Economist: 4 years experience in the field of quantitative economics and statistics. The Johns Hopkins University, May 2005, MS, Applied and Computational Mathematics; George Mason University, 2000, BS, Economics; George Mason University, 2000, BA, History.
