Actually, it's probably better that you deal directly with our budget office on this issue. I've CC'd my colleague on this email and she will contact you directly.

Please let me know if you have any questions.

Hi,

Unfortunately this is a little more complicated than we thought because the bill lists this funding as going to "Allegheny County" instead of the "Allegheny County Housing Authority." Can you call me so we can discuss how best to deal with this?

My direct number is ---.

Thank you

Hey, I'm following up on the email that I sent out last Thursday regarding your boss's earmark for the Providence Holy Cross Foundation. We would appreciate receiving the information requested below as soon as possible so that we may begin the process of awarding funds to your constituent. Please don't hesitate to let me know if you have any questions or if I should be speaking with someone else in your office.

Thank you,

Hey, I hope all is well. I've been given your name as the contact for CJS earmarks through the Office of Justice Programs (Byrne or Juvenile Justice) that your boss sponsored or cosponsored. According to our records, your boss has one earmark for Allegheny County for the Harrison Township Community Center After-School Program.

In order to begin awarding funds and to start the process as quickly as possible, we need some additional information from your office. For each earmark we'll need the:

- Legal name of the earmark organization
- Earmark Point of Contact Information
 - Name
 - Phone Number
 - Fax Number
 - Email Address

It would also be helpful if you could provide a brief description of the project that explains the general purpose of the program and the target population (i.e. a specific age group the project serves). If you don't have this information handy, please send us the name of the recipient and their contact information first. We can gather this other information at a later date.

Thank you for your assistance. Please let me know if you have any questions.
