This is correct to date, though final confirmation will have to come from the Congressman once we hear back from the legal team.

Thanks

**Subject:** Congressman Schiff's FY 2009 CSU, LAPD, LA County Sherriff earmark request - please confirm recipients and purpose

Good Morning,

Thank you for your help in clarifying Congressman Schiff's intentions for the following earmark during our conversation earlier today. I have captured our latest understanding below. Will you please clarify or confirm? We want to be sure to have a complete and accurate understanding of the Congressman's request as we move forward.

The original BYRNE earmark Congressman Schiff requested is:

Project: California State University, Los Angeles

Recipient: California Forensic Science Institute

Appropriated Amount: \$1,000,000

Purpose: Training for forensic analysts

Congressman Schiff would like to provide the \$1,000,000 funding to three recipients; CSU, LAPD, LA County Sherriff.

At this point in time, Congressman Schiff is proposing:

1. Project: California State University, Los Angeles

Recipient: California Forensic Science Institute

Amount: tbd

Purpose: Training for forensic analysts

2. Project: Reduce rape kit elimination backlog

Recipient #1: LAPD

Amount: tbd

Recipient #2: LA County Sherriff

Amount: tbd

---, please let me know if I need to correct any of the above. And thank you for your help and your patience.

With Regards,
