#### Welcome!

Welcome to the TPP EVAL TA SharePoint website. On this site you will find a schedule of upcoming events, discussion boards where you can post questions or comments, project documents such as evaluation instruments, reports, and training materials, and a way to request technical assistance. To access any of these features, use the Quick Launch bar on the left-hand side of this page.

If you have any SharePoint questions or want to add a user, please contact Lauren Bernstein at [lbernstein@mathematica-mpr.com](mailto:lbernstein@mathematica-mpr.com).

#### Announcements

## Evaluation Technical Assistance for OAH and ACYF Teenage Pregnancy Prevention Grantees > Evaluation Technical Assistance for OAH and ACYF Teenage Pregnancy Prevention Grantees - TA Requests

### TA Request System Description

This TA Request Site provides grantees and evaluators with a system where evaluation TA can be requested securely and privately. Other grantees and evaluators will not be able to see your requests - only the Evaluation TA team and OAH/ACYF staff will have access to this information.

The Frequently Asked Questions (FAQs) will contain general questions and answers that may be relevant to a broad set of grantees (see below), and will not contain any identifying information about any particular grantee/evaluator request.

This system requires javascript - please visit <http://support.microsoft.com/gp/howtoscript> for instructions on how to enable scripting in your browser if you are having any difficulties with this site.

### 3 Easy Steps for Making a TA Request

- Click on the "Create a TA Request" link under "Common Actions." (The links run vertically down the left side of the screen.) You will then see a brief form to complete.
- Complete the four fields in the form (the first three are required):
  - TA Request Title. Enter your TA question.
  - TA Request Detail. Enter any details that will help us understand your TA question.
  - Requestor. There are two ways to complete this field:
    - Enter your username (your log-in ID - this is most likely in the format "firstname.lastname") and click on the  icon. The system will return a line under your username indicating that it accepts you as a registered user.
    - Or
    - Click on the  icon and search for your full name in the new window. Select the appropriate username and click "OK" to return to the TA Request form.
  - Grantee. Select the grantee from the pull-down list associated with this TA request.
- Click "OK." Your request will be submitted immediately to the TPP Evaluation TA team. Within two business days, you will receive a contact from the team confirming your request and describing our process for responding to it.

*Note: There is an option in the form to attach a file associated with the request. Please feel free to include additional information as attachments as necessary.*
