

Technical Guidelines Development Committee

May 22-23, 2007, Plenary Meeting

Open Items

- CRT:
 - Changes to glossary - ramifications to changes, need to know ASAP and understand why
- STS:
 - Shall human readable on VVPR (for EBMs) be machine readable? Status on barcodes...
 - Requirements to support multi-page cut sheet VVPAT summaries - clear on that?
 - Selected material in Software Distribution, 9.3.3 - 9.3.6 goes where, in Volume 5

Technical Guidelines Development Committee

May 22-23, 2007, Plenary Meeting
