

**Audit Report 09-12, Management letter on Veteran's Data at the National Personnel Records Center in St. Louis, MO.**

On April 29, 2009 the Office of Inspector General sent the Acting Archivist a Management Letter detailing a procedure at the National Personnel Records Center which continuously exposed a vast amount of veteran's personally identifiable information (PII) to inappropriate release. In response, management stopped the offending practice. The contents of this Management Letter and the specific procedure identified are being withheld under FOIA Exemption "high" b(2).
