Administration: State Department of Human Services, Adult and Family Services Division, Senior and Disabled Services Division (state-administered in local offices).

Effective date: January 1, 1974.

Statutory basis for payment: Oregon Revised Statutes 411.120.

Funding

Administration: State funds.

Assistance: State funds.

Passalong method: Maintaining total expenditures.

Place of application: Local offices of the Department of Human Services.

Scope of coverage: Optional state supplement provided to all SSI recipients residing in the specified living arrangements. Blind children are eligible for state supplementation; disabled children under age 18 are ineligible.

Resource limitations: Federal SSI limitations used, except that the transfer of a home may render a person ineligible after 60 months from the date of application per the Deficit Reduction Act.

Income exclusions: Federal SSI earned income exclusions used. No unearned income is excluded.

Recoveries, liens, and assignments: Assistance paid constitutes an unsecured prior claim against property or any interest therein belonging to the estate of a recipient except such portion as is being occupied as a home by the spouse, minor dependent child, or parent of deceased recipient. The Department of Human Services may compromise claim by accepting other security or may

waive payment when enforcement would be inequitable and would tend to defeat the purpose of public assistance law.

Financial responsibility of relatives: None.

Interim assistance: State participates.

Payment calculation method: The state issues a standard supplement of \$1.70 to aged individuals; \$26.70 to blind individuals; and \$25.60 to blind couples living independently in the household of another. The state no longer provides a supplement to couples who reside in adult foster care or residential care. For all benefits that qualify as special needs, a check is issued to the recipient for the amount of the supplement.

Payment levels: See Table 1.

Number of recipients: See Table 2.
