

Responsibility Once Incapacitation Benefits have been Awarded

- Notes**
1. All hands are reminded to observe proper HIPAA and Privacy Act regulations while handling medical documents
  2. Disapproval message will be posted via CGMS after discussion with member's command/District (Dxr) staff or equivalent.
  3. RPM will contact DXR/DG/Command with details.
  4. Medical status updates are required to be completed every 30 day period using the Physician's Report Form and forwarded via email to RPM 3: ARL-DG-CGPSC-RPM\_RESERVE\_MEDICAL@USCG.MIL
  5. If NOE is granted, RPM will provide NOE memo to DXR/DG for further distribution. For orders, the message traffic will contain the necessary info for creation in Direct Access.
  6. Requests for extension of orders shall be made via MSG to PSC-rpm-3. Include supporting documentation for each request.
  7. All members must be cleared by a military medical officer before returning to duty.
  8. PSC-rpm-3 will document Deployment Limiting Medical Conditions (DLMC) in the Medical Readiness Reporting System (MRRS), ensuring visibility of NFFD status.
  9. Message format and additional information can be found at: <http://www.uscg.mil/psc/rpm/rpm3/medical/>
