DEC 01 2011

MEMORANDUM FOR: National Weather Service Directives System (NDS) Customers

FROM: 
R.J. LaDouce
Director, NWS Pacific Region

SUBJECT: Rescission of Pacific Region Supplement 02-2004,
applicable to NWSI 10-314 and 10-320,
Pacific Region High Surf Warning and Advisory Program

The following document is rescinded from the NDS.

NDS Title: Pacific Region High Surf Warning and Advisory Program
NDS Number: NWS PR SUPP 02-2004, applicable to NWSI 10-314 and 10-320
Effective Date: September 7, 2004
Signature Date: August 23, 2004
Certified By: W/PR1x1 (K. Waters)
Approving Authority: W/PR R.J. LaDouce, Director, NWS Pacific Region

Summary: Effective December 1, 2011 NWS PR Supplement 02-2004 is rescinded. This supplement is no longer required as the applicable directives have been updated to include Pacific Region requirements for the High Surf products.
