

January 29, 2010

MEMORANDUM FOR: Management and Organization Division Office of the Chief Financial Officer/Chief Administrative Officer

FROM: David Caldwell
Director, Office of Climate, Water, and Weather Services

SUBJECT: Certification of NWSI 10-1310, Claims for On-the-Job Injuries to Contract/Cooperative Observers, Dated November 21, 2003

The Observing Services Division reviewed the National Weather Service Procedural Directive (NWSI 10-1310), Claims for On-the-Job Injuries for Contract/Cooperative Observers and certifies it is current and requires no updating during its FY 2010 biennial review cycle.

Responsibility for the directive is currently held by:

OPR: Tom Trunk, W/OS7

Certifier: Kevin Schrab, W/OS7

Approving Authority: David Caldwell, Director, Office of Climate, Water, and Weather Services
