The Closing shall be held at the same location as the Merger Closing or at such other place as the Seller and the Purchaser shall mutually agree in writing.

(B) At the Closing, or simultaneously therewith, the following shall occur:

(1) the Seller shall deliver to the Purchaser one or more certificates for the Shares and the Warrant, duly endorsed in blank or accompanied by stock powers duly endorsed in blank or other required instruments of transfer;

(2) the Purchaser shall pay the Purchase Price to the Seller, by wire transfer in immediately available funds, to an account designated in writing by the Seller to the Purchaser, such designation to be made not later than two Business Days prior to the Closing Date; and

(A) Existence and Power. The Purchaser is duly organized and validly existing as a limited liability company under the laws of the State of Delaware and has all requisite power and authority to execute and deliver this Agreement and to consummate the transactions contemplated by this Agreement.

(B) Authorization. The execution and delivery of this Agreement, and the consummation by the Purchaser of the transactions contemplated hereby, have been duly and validly approved by all necessary corporate action of the Purchaser, and no other corporate or shareholder proceedings on the part of the Purchaser are necessary to approve this Agreement or to consummate the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by the Purchaser, and (assuming the due authorization, execution and delivery of this Agreement by the Seller) this Agreement constitutes a valid and binding obligation of the Purchaser, enforceable against the Purchaser in accordance with its terms, except as enforcement may be limited by general principles of equity whether applied in a court of law or a court of equity and by bankruptcy, insolvency and similar laws affecting creditors' rights and remedies generally.

(C) Non-Contravention. Neither the execution and delivery of this Agreement nor the consummation by the Purchaser of the transactions contemplated hereby will violate any provision of the charter or bylaws or similar governing documents of the Purchaser or, assuming that the consents, approvals, filings and registrations referred to in Section 3.01(D) are received or made (as applicable), applicable Law.

(D) Consents and Approvals. Except for any consents, approvals, filings or registrations required in connection with the consummation of the Merger, no consents or approvals of, or filings or registrations with, any Governmental Entity or of or with any other third party by or on behalf of the Purchaser are necessary in connection with the execution and delivery by the Purchaser of this Agreement and the consummation by the Purchaser of the transactions contemplated hereby.

(E) Securities Matters. The Shares and the Warrant are being acquired by the Purchaser for its own account and without a view to the public distribution or sale of the Shares or the Warrant.

(F) Availability of Funds. Purchaser has, and will have as of the Closing, sufficient funds available to consummate the transactions contemplated hereunder.

IV COVENANTS.

4.01. Forbearances of the Seller. From the date hereof until the Closing, without the prior written consent of the Purchaser, the Seller will not:

(A) directly or indirectly transfer, sell, assign, distribute, exchange, pledge, hypothecate, mortgage, encumber or otherwise dispose of, or engage in or enter into any hedging transactions with respect to, any of the Shares, the Warrant or any portion thereof or interest therein (other than pursuant to the Securities Purchase);

(B) exercise the Warrant, in whole or in part; or

(C) agree, commit to or enter into any agreement to take any of the actions referred to in Section 4.01(A) or Section 4.01(B).

Notwithstanding the foregoing, the Seller may undertake any of the actions set forth in Section 4.01(A) with an Affiliate of the Seller so long as this Agreement is assigned to such Affiliate in accordance with Section 7.07 of this Agreement. For the avoidance of doubt, until the Closing, except as expressly set forth in this Section 4.01, the Seller shall continue to be able to exercise all rights and privileges with respect to the Shares and the Warrant.

4.02. Further Action. The Seller and the Purchaser (i) shall each execute and deliver, or shall cause to be executed and delivered, such documents and other instruments and shall take, or shall cause to be taken, such further action as may be reasonably necessary to carry out the provisions of this Agreement and give effect to the transactions contemplated by this Agreement, and (ii) shall refrain from taking any actions that could reasonably be expected to impair, delay or impede the Closing or the consummation of the transactions contemplated by this Agreement.

4.03. Merger Agreement. The Purchaser shall not agree to any amendment or modification of any provision of the Merger Agreement to the extent such amendment or modification would materially and adversely affect the Seller, in each case, without the prior written consent of the Seller (such consent not to be unreasonably withheld).

4.04 Merger Approvals and Notice of Closing. The Purchaser shall (i) keep the Seller reasonably apprised of its progress in obtaining necessary approvals for the Merger, (ii) deliver to the Seller copies of any written notices the Purchaser and Cadence deliver to one another under the Merger Agreement to the extent such notices relate to such approvals, the failure to obtain any such approvals or the termination of the Merger Agreement; and (iii) provide at least seven (7) days' prior written notice of the Closing Date to the Seller. The Purchaser shall give the Seller prompt written notice (an "Approval Notice") of the approval of the Merger by the Cadence common shareholders. Within two weeks after receipt of an Approval Notice, the Seller shall deliver to Cadence, with a copy to the Purchaser, a written consent for all the Shares approving the adoption of the Merger Agreement as approved by the common shareholders.

V CONDITIONS TO THE CLOSING.

(B) Regulatory Approvals. All regulatory approvals required to consummate the Securities Purchase shall have been obtained and shall remain in full force and effect and all statutory waiting periods in respect thereof shall have expired or been terminated.

(C) No Injunctions or Restraints; Illegality. No order, injunction or decree issued by any court or agency of competent jurisdiction or other legal restraint or prohibition preventing the consummation of the Securities Purchase shall be in effect. No Law shall have been enacted, entered, promulgated or enforced by any Governmental Entity which prohibits or makes illegal the consummation of the Securities Purchase.

5.02. Conditions to Obligations of the Seller. The obligation of the Seller to consummate the Securities Purchase is also subject to the fulfillment, or written waiver by the Seller, prior to the Closing, of the following conditions:

(A) Other Events. None of the following shall have occurred with respect to Cadence or any of its subsidiaries:

(1) Cadence or any of its subsidiaries shall have (a) dissolved (other than pursuant to a consolidation, amalgamation or merger); (b) become insolvent or unable to pay its debts or failed or admitted in writing its inability generally to pay its debts as they become due; (c) made a general assignment, arrangement or composition with or for the benefit of its creditors; (d) instituted or have instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition shall have been presented for its winding-up or liquidation, and, in the case of any such proceeding or petition instituted or presented against it, such proceeding or petition shall have resulted in a judgment of insolvency or bankruptcy or the entry of an order for relief or the making of an order for its winding-up or liquidation; (e) had a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger); (f) sought or shall have become subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets; (g) had a secured party take possession of all or substantially all its assets or had a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all its assets; (h) caused or shall have been subject to any event with respect to it which, under the applicable Laws of any jurisdiction, had an analogous effect to any of the events

specified in clauses (a) to (g) (inclusive); or (i) taken any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the foregoing acts;

(2) a Governmental Entity in any jurisdiction shall have (i) commenced an action or proceeding against Cadence or any of its subsidiaries; or (ii) issued or entered a temporary restraining order, preliminary or permanent injunction or other order applicable to Cadence or any of its subsidiaries, which in the case of (i) and (ii) shall have had or shall be reasonably expected to have a Material Adverse Effect;

(3) any fact, circumstance, event, change, occurrence, condition or development shall have occurred that, individually or in the aggregate, shall have had or shall be reasonably likely to have a Material Adverse Effect; or

(4) any Regulatory Event not otherwise existing on the date hereof.

(B) Purchaser's Representations and Warranties Correct. As of the Closing, all of the Purchaser's representations and warranties set forth in this Agreement shall be true and correct in all material respects.

VI TERMINATION.

6.01. Termination Events. This Agreement may be terminated at any time prior to the Closing:

(A) by mutual written agreement of the Purchaser and the Seller; or

(B) by the Purchaser, upon written notice to the Seller, or by the Seller, upon written notice to the Purchaser, in the event that the Closing Date does not occur on or before March 30, 2011; *provided, however*, that the respective rights to terminate this Agreement pursuant to this Section 6.01(B) shall not be available to any party whose failure to fulfill any obligation under this Agreement shall have been the cause of, or shall have resulted in, the failure of the Closing Date to occur on or prior to such date.

This Agreement shall automatically terminate upon the termination of the Merger Agreement in accordance with its terms.

6.02. Effect of Termination. In the event of termination of this Agreement as provided in Section 6.01, this Agreement shall forthwith become void and have no effect, and none of the Seller, the Purchaser, any affiliates of the Purchaser or any officers or directors of the Purchaser or any of its affiliates shall have any liability of any nature whatsoever hereunder, or in connection with the transactions contemplated hereby, except that this Section 6.02 and Sections 7.03, 7.04, 7.05 and 7.06 shall survive any termination of this Agreement.

VII MISCELLANEOUS.

7.01. Waiver; Amendment.

Any provision of this Agreement may be (i) waived in writing by the party benefiting by the provision, or (ii) amended or modified at any time by an agreement in writing signed by each of the parties hereto. Neither any failure nor any delay by any party in exercising any right, power or privilege under this Agreement or any of the documents referred to in this Agreement shall operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege shall preclude any other or further exercise of such right, power or privilege.

7.02. Counterparts. This Agreement may be executed by facsimile or other electronic means and in counterparts, all of which shall be considered an original and one and the same agreement and shall become effective when counterparts have been signed by each of the parties and delivered to the other parties, it being understood that all parties need not sign the same counterpart.

7.03 Governing Law; Choice of Forum; Waiver of Jury Trial.

(A) This Agreement and any claim, controversy or dispute arising under or related to this Agreement, the relationship of the parties, and/or the interpretation and enforcement of the rights and duties of the parties shall be enforced, governed, and construed in all respects (whether in contract or in tort) in accordance with the federal law of the United States if and to the extent such law is applicable, and otherwise in accordance with the laws of the State of New York applicable to contracts made and to be performed entirely within such state. Each of the parties hereto agrees (i) to submit to the exclusive jurisdictions and venue of the United States District Court of the District of Columbia and the United States Court of Federal Claims for any and all civil actions, suits or proceedings arising out of or relating to this Agreement or the transactions contemplated hereby, and (ii) that notice may be served upon (A) the Purchaser at the address and in the manner set forth for notices to the Purchaser in Section 7.05 and (B) the Seller at the address and in the manner set forth for notices to the Seller in Section 7.05, but otherwise in accordance with federal law.

(B) To the extent permitted by applicable Law, each of the parties hereby unconditionally waives trial by jury in any civil legal action or proceeding relating to this Agreement or the transactions contemplated hereby.

7.04 Expenses. If requested by the Seller, the Purchaser shall pay all reasonable out-of-pocket and documented costs and expenses associated with this Agreement and the transactions contemplated by this Agreement, including, but not limited to, the reasonable fees, disbursements and other charges of the Sellers's legal counsel and financial advisors.

Upon any such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties.

7.09 No Third Party Beneficiaries. The rights created in this Agreement shall inure solely to the benefit of the Seller and the Purchaser, and nothing in this Agreement shall be deemed to confer any rights or remedies on any parties other than the Seller or the Purchaser.
