

HECAT: Table of Contents

Acknowledgements	iii
Overview of the Health Education Curriculum Analysis Tool (HECAT).....	1
Introduction	1
Intended Users of the HECAT.....	1
Organization of the HECAT.....	2
Rationale for HECAT Development	2
Information about Health Education Curricula	4
Determining What is a Health Education Curriculum.....	4
Setting Direction for Health Education: Health Education Standards and Frameworks	4
Characteristics of Effective Health Education Curricula	7
Health Education Curricula and Assessment of Student Performance.....	9
Community Review of Health Education Curricula	9
Health Education as Part of Other School and Community Health Promotion Efforts	10
References	11
Chapter 1: General Instructions	1-1
Before Starting Curriculum Analysis	1-2
After Completing the Curriculum Analyses	1-7
Chapter 2: General Curriculum Information	2-1
Chapter 3: Overall Summary Forms	3-1
Chapter 4: Preliminary Curriculum Considerations	4-1
Accuracy Analysis.....	4-2
Acceptability Analysis	4-5
Feasibility Analysis.....	4-9
Affordability Analysis.....	4-10
Chapter 5: Curriculum Fundamentals	5-1
Chapter 6: Curriculum Analysis Modules.....	6-1
Module AOD: Alcohol and Other Drugs.....	AOD-1
Module HE: Healthy Eating	HE-1
Module MEH: Mental and Emotional Health	MEH-1
Module PA: Physical Activity.....	PA-1
Module S: Safety	S-1
Module T: Tobacco	T-1
Module V: Violence	V-1

HECAT: Table of Contents

Appendices

Appendix 1: HECAT Contributors	A1-1
Appendix 2: Federal Agencies' Lists of Programs Considered Exemplary, Promising, or Effective	A2-1
Appendix 3: Using the HECAT for the Review of Health Education Resources	A3-1
Appendix 4: Using the HECAT to Develop a Scope-and-Sequence for Health Education	A4-1
Appendix 5: Using the HECAT to Analyze Curricula for Early Childhood Programs	A5-1
Appendix 6: Understanding Health Education Assessment	A6-1
Glossary	G-1
