Title I - Subtitle A – Indian Health Manpower			
[Sec. 111] Community Health Aide Program (25 U.S.C. § 1616l)	Amends Sec. 119 in current law to continue the authority for operation of the community health aide program in Alaska. Directs that a study be conducted on the dental health aid therapist services provided by the community health aid program to ensure that the quality of care provided through those services is adequate. Authorizes the Secretary to establish a national community health aid program under this provision. In establishing a national program, the Secretary shall not reduce the amounts provided for the Alaska Community Health Aid Program, and shall exclude dental health aid therapists services covered under the program. An amendment in H.R. 3590 authorizes the use of dental health aid therapists where such services are authorized under State law.	Authorizes the Secretary to establish a national community health aid program as long as the Secretary does not reduce the amounts of funding provided for the Alaska Community Health Aid Program, and shall exclude dental health aid therapist services from services covered under program, except in those states that authorize such dental health aid therapists.	Self-implementing authorities. Review of Kellogg Foundation evaluation of DHAT program in progress.
[Sec. 112] Health professional chronic shortage demonstration program (25 U.S.C. § 1616p)	Amends Title I of current law by adding a new Sec. 123 to authorize Indian health programs to offer practical experience to medical students. Provides training and support for alternative provider types, such as community health representatives and community health aides. An advisory board comprised of representatives of tribal governments, Indian health boards, and Indian communities will provide guidance to the demonstration programs established under this authority.	Authorizes the Secretary to fund demonstration programs for Indian health programs to address chronic shortages of health professionals.	Demonstration programs are authorized but implementation would require additional appropriations. Implementation under review.
[Sec. 113] Exemption From Payment of Certain Fees (25 U.S.C. § 1616q)	Amends current law by adding a new Sec. 124 that extends the exemption from Federal agency licensing fees available to the Public Health Service Commissioned Corps to employees of tribal health programs and urban Indian organizations.	Extends exemption from payment of licensing fees to employees of tribal health programs and urban Indian organizations, an exemption available to Federal employees.	Self-implementing Authorities. 7/22/2010 Dear Tribal Leader Letter indicated that the DEA has notified their field offices and the IHS that it will no longer charge Tribal providers for this fee.
Title I - Subtitle B – Health Services			

Section	Description of Section	Summary	Progress
[Sec. 121] Indian Health Care Improvement Fund (25 U.S.C. § 1621)	Amends Sec. 201 of current law to authorize use of funds for Clinical care, including inpatient care, outpatient care (including audiology, clinical eye, and vision care), secondary and tertiary care, and long-term care. For Injury prevention, adds: "including data collection and evaluation, demonstration projects, training, and capacity building." Updates to include tribal organization, where tribes are mentioned. Expands the type of information that should be included in the report on the "fund", including in addition to the number of Indians using the Service resources, and to the extent available to each Service unit, Indian tribe or tribal organization, information on the waiting lists and number of Indians turned away for services due to lack of resources.	Authorizes additional uses and services paid by the "fund" and expands the requirements for information to be included in the report due 3 years after enactment. Sec. 201 (c) (2) requires Tribal Consultation on apportionment of funds.	12/30/2010 Dear Tribal Leader Letter initiated consultation on this section. Tribal Consultation input is under review.
[Sec. 122] Catastrophic Health Emergency Fund (CHEF) (25 U.S.C. § 1621a)	Amends Sec. 202 of current law by updating the CHEF threshold cost at the 2000 level of \$19,000. Maintains requirements in current law to promulgate regulations consistent with the provisions of the CHEF to establish a definition of disasters and catastrophic illnesses for which the cost of the treatment provided under contract would qualify for payment under CHEF; provide that a Service Unit shall not be eligible for reimbursement for the cost of treatment from CHEF until its cost of treating any victim of such catastrophic illness or disaster has reached a certain threshold cost which the Secretary shall establish at the 2000 level of \$19,000; and for any subsequent year, not less than the threshold cost of the previous year increased by the percentage increase in medical care expenditure category of the consumer price index for all urban consumers; establish a procedure for the reimbursement of the portion of the costs that exceeds such threshold cost incurred by the Service units or whenever otherwise authorized by the Service, non-Service facilities or providers.	Maintains the requirement in current law to promulgate regulations to implement the requirements of CHEF.	Reviewed by Tribal/Federal Workgroup as a part of consultation on improving the Contract Health Services program and implementation under review. These authorities were explained in a 2/9/2011 Dear Tribal Leader Letter.

[Sec. 123] Diabetes Prevention, Treatment and Control (25 U.S.C. § 1621c)	Amends Sec. 204 of current law to revise the wording of the section, and to clarify that diabetes screening will be done with informed consent. Adds the Medical Vanguard program to diabetes projects the Secretary shall continue to maintain, along with the model diabetes projects in existence on the date of enactment of the Act. Also, the Secretary is authorized to provide through the Service, Indian tribes, and tribal organizations, dialysis programs. To the extent funding is available, the Secretary is directed to consult with Indian tribes and tribal organizations regarding programs for the prevention, treatment, and control of diabetes. Authorizes the Secretary to establish and maintain in each area office a position of diabetes control officer. Further, provides that any activity carried out by the diabetes control officer under an ISDEAA contract/compact shall not be divisible.	Clarifies and expands authorities/requirements for diabetes programs.	<p>The informed consent provision is self-implementing and general consent during patient registration is considered sufficient to meet requirements of this section.</p> <p>Authorities for dialysis available to Tribes under P.L. 93-638. IHS implementation under review.</p> <p>Authorized but implementation would require additional appropriations. Other authorities self-implementing.</p>
[Sec. 124] Other authority for provision of services (25 U.S.C. § 1621d)	Amends Sec. 205 of current law to authorize the sharing of facilities and staff between IHS and tribally-operated long-term care programs. Also, provides authorization for hospice care, assisted living, long-term care and home-and community-based care. Also, authorizes "Convenient Care Services" through the Service, Indian tribes, and tribal organizations. Also, repeals Sec. 821 of current law which authorized home/community based demonstration projects; and amends Sec. 822 in current law to authorize the provision of long-term care services (including health care services associated with long-term care) provided in a facility to Indians. Further, authorizes sharing of staff or other services or a tribal health program and a long-term care facility owned/operated directly or through a contract/compact under the ISDEAA. Provides for the content of the agreements to provide long-term services.	Provides authority for new programs in Indian communities.	<p>Authorities for long term care services available to Tribes under P.L. 93-638.</p> <p>IHS implementation under review.</p> <p>Authorized but implementation would require additional appropriations.</p> <p>Long Term Care in Indian Country meeting in 11/2010 produced recommendations for implementation that are currently under review.</p>

Section	Description of Section	Summary	Progress
[Sec. 125] Reimbursement from Certain Third Parties of Costs of Health Services (25 U.S.C. § 1621e)	Sec. 125 amends Sec. 206 of current law to extend to tribally operated facilities the ability to recover costs from third parties, an authority that is available to facilities operated by the Service.	Authorizes recovery of reasonable charges billed for health services provided by IHS, tribal, and urban Indian operated entities.	These authorities were explained in a 7/22/2010 Dear Tribal Leader Letter and in the 8/26/2010 Dear urban Indian program director letter. Authorities are self-implementing.
[Sec. 126] Crediting of Reimbursements (25 U.S.C. § 1621f)	Amends Sec. 207 of current law to clarify crediting reimbursements for services provided by service units, the IHS, or a tribal or urban Indian organization program and identifies the Federal laws which authorize such reimbursements. Provides that the Service may not offset or limit any amount obligated to any Service Unit or entity receiving funding from the Service because of the receipt of reimbursements.	Identifies specific laws that authorize reimbursements for services provided by a service unit, the IHS or tribal or urban Indian organizations.	These authorities were explained in a 7/22/2010 Dear Tribal Leader Letter and in the 8/26/2010 Dear urban Indian program director letter. Authorities are self-implementing.
[Sec. 127] Behavioral Health Training and Community Education Programs (25 U.S.C. § 1621h(d))	Amends Sec. 209 in current law with technical updates to a provision on the training and community Education programs. Requires IHS, in conjunction with DOI, and in consultation with Indian tribes/tribal organizations to conduct a study to examine staff positions that should include/should require behavioral health and training. Further, requires that No later than 90 days after the date of enactment, the Secretary shall develop a plan whereby the Service will increase the health care staff by at least 500 positions within 5 years after the date of enactment, with at least 200 of such positions devoted to child, adolescent, and family services.	Updates provision in current law.	<p>This provision requirement for a behavioral health hiring plan was described in the 7/22/2010 Dear Tribal Leader Letter and update in a 5/5/2011 Dear Tribal Leader Letter. The initial hiring plan was completed and implementation includes the need for Tribal consultation.</p> <p>Implementation of other provisions is in progress.</p> <p>Hiring is authorized but implementation would require additional appropriations.</p>
[Sec. 128] Cancer Screenings (25 U.S.C. § 1621k)	Amends Sec. 212 in current law by inserting “and other cancer screenings” before the end of the period at the end.	Expands the variety of authorized cancer screenings to other types of cancer screenings.	Self-implementing authorities.

Section	Description of Section	Summary	Progress
[Sec. 129] Patient Travel Costs (25 U.S.C. § 1621l)	Amends Sec. 213 in current law by authorizing use of funds for travel costs of patients receiving health care services provided either directly by IHS, under contract health care, or through a contract or compact. In addition, this section authorizes funds for qualified escorts and transportation by private vehicle (where no other transportation is available), specially equipped vehicle, ambulance or by other means required when air or motor vehicle transport is not available.	Expands authorities for payment of certain patient travel costs that a patient may need when being transported for health care services.	These authorities were explained in a 7/22/2010 Dear Tribal Leader Letter and authorities are self-implementing. Payment of patient travel costs depends on local availability of funds and funding priorities.
[Sec. 130] Epidemiology Centers (25 U.S.C. § 1621m)	Amends Sec. 214 in current law to continue authority for operation and funding of tribal epidemiology centers and gives the centers status as public health authorities for purposes of the Health Insurance Portability and Accountability Act of 1996, which may allow them to access certain data needed to perform their mission.	Designates epidemiology centers with the status of public health authorities for purposes of the Health Insurance Portability and Accountability Act of 1996.	Self-implementing authority which was explained in a 12/7/2010 Dear Tribal Leader Letter.
[Sec. 131] Indian Youth Grant Program (25 U.S.C. § 1621o)	Amends Sec. 216 (b) (2) in current law to re-designate the section number.	Technical change to change section number.	Self-implementing authority.
[Sec. 132] American Indians Into Psychology Program (25 U.S.C. § 1621p)	Amends Sec. 217 in current law to require the Secretary, through the Service, to make grants of not more than \$300,000 to each of 9 colleges and universities for purposes of developing/maintaining Indian psychology career recruitment programs to encourage Indians to enter the behavioral field. The programs shall be located at various locations throughout the country to maximize their availability to Indian students and new programs shall be established in different locations from time to time. Provides for a specific section (b) for the Quentin N. Burdick Program Grant.	Increases the number of college and universities that will be awarded grants to administer the American Indians Into Psychology program and increases the amount each college is authorized to receive to make the program accessible to more Indian students who wish to enter the behavioral health field.	Authorities explained in 12/7/2010 Dear Tribal Leader Letter. Three programs currently funded and additional sites authorized but implementation would require additional appropriations.

Section	Description of Section	Summary	Progress
[Sec. 133] Prevention, Control, and Elimination of Communicable and Infectious Diseases (25 U.S.C. § 1621q)	Amends Sec. 218 in current law by (1) expanding the communicable diseases from tuberculosis to other communicable and infectious diseases; (2) encouraging, rather than requiring, that entities funded under this section coordinate with the Centers for Disease Control and Prevention and state and local health agencies; and (3) requiring biennial reporting on the progress made towards the prevention, control, and elimination of communicable/infectious diseases made among Indians and urban Indians.	Authorizes grant program to prevent, control, and eliminate communicable/infectious diseases.	12/7/2010 Dear Tribal Leader Letter explains authorities and indicates IHS will work with CDC to advocate for Tribes to qualify for these grants.
[Sec. 134] Methods to increase clinician recruitment and retention issues (25 U.S.C. § 1621t)	Amends Sec. 221 of current law to exempt a health care professional employed by a tribally operated health program from state licensing requirements if the professional is licensed in any state, as is the case with IHS health care professionals. Amends Sec. 106 of current law by authorizing the Secretary to provide allowances for professional development or to establish programs for this purpose to encourage scholarship and stipend recipients under sections 104, 105, 115 and health professionals, including community health representatives, CHRs and EMT, to join or continue in an Indian health program and to provide services in rural /remote areas in which a significant portion of Indians reside.	Stipulates health care professionals employed by tribally operated health programs will be eligible for state licensure exemptions that are similar to exemptions available to Federal employees.	These self-implementing authorities were explained in a 12/7/2010 Dear Tribal Leader Letter.

Section	Description of Section	Summary	Progress
[Sec. 135] Liability for Payment (25 U.S.C. § 1621u)	Amends Sec. 222 of current law by adding a section (c) titled "No Recourse" that clarifies a contract care provider has no further recourse against the patient where the provider has received notice that any patient who receives contract health care authorized by the Service is not liable for payment of any costs or charges; or if the claim has been deemed accepted where the Service fails to respond to a notification of a claim in accordance with Sec. 220 (a) of current law, which requires the Service to respond to a notification of a claim by a provider of contract health services with either an individual purchase order or a denial of the claim within 5 working days after the receipt of such notification.	Stipulates contract health providers do not have recourse against patients where the claim has been accepted by the Service under a variety of claim acceptance procedures.	These self-implementing authorities were explained in a 7/22/2010 Dear Tribal Leader Letter. A sample notification letter was recently distributed to Contract Health Service programs.
[Sec. 136] Office of Indian Men's and Indian Women's Health (25 U.S.C. § 1621v)	Authorizes the Secretary to establish within the IHS an Office of Indian Men's Health to complement the Office of Indian Women's Health that exists in current law. Report to Congress no later than 2 years after date of enactment of this Act to include any activity carried out by the director as of the date on which the report is prepared, and any finding of the director with respect to the health of Indian men.	Authorizes establishment of an office to focus on Indian men's health and maintains current law on the office of Indian women's health.	Implementation is under review. Authorized but implementation would require additional appropriations.
[Sec. 137] Contract Health Service Administration & Disbursement Formula (25 U.S.C. § 1621y)	Directs the Comptroller General of the United States as soon as practical to submit a report describing the funding of the contract health service program (CHS), including historical funding levels and a recommendation of the funding level for the program and the administration of the CHS program. After the report is submitted to the Secretary, the Secretary shall consult with tribes regarding the CHS program to consider what changes need to be made to the distribution formula. After consultation with tribes, the Secretary may initiate procedures under the negotiated rule-making authority to establish a distribution formula.		GAO study in progress.
Title I - Subtitle C – Health Facilities			

Section	Description of Section	Summary	Progress
[Sec. 141] Health Care Facility Priority System (25 U.S.C. § 1631(c))	Amends Sec. 301 of current law to direct the Secretary, through IHS, to maintain a health care facilities priority system which shall be developed in consultation with tribes and tribal organizations; with opportunity for nomination to the priority list at least once every three years or other appropriate frequency; the Service/non-Service facilities operated under contracts/compacts pursuant to ISDEAA are fully and equitable integrated into the health care facilities priority system. Includes reporting requirements to Congressional authorizing committees no later than 1 year after the date of enactment of this Act describing the comprehensive, national, ranked list of all health care facilities.	Amends current law by directing the Secretary to maintain a facilities priority system and sets certain requirements for the priority system. Also amends current law to include new report requirements.	These authorities were explained in a 5/5/2011 Dear Tribal Leader Letter. IHS submitted a report to Congress on 3/23/2011 based on available information and previous Tribal consultation input. A more extensive report would require additional appropriations.
[Sec. 142] Priority of Certain Projects Protected (25 U.S.C. § 1631(g))	Sec. 301 in current law is amended to protect certain projects on the priority list on the date of enactment of this Act.	Stipulates the priority status of projects on the facilities construction priority list on the date of enactment (March 23, 2010) is not affected by any changes made to the priority system thereafter.	Self-implementing authority.
[Sec. 143] Indian Health Care Delivery Demonstration Projects (25 U.S.C. § 1637)	Amends Sec. 307 of current law to authorize the development of new health programs offering care outside of regular clinic operational hours and/or in alternative settings, and to use alternate or innovative methods of delivering health care services to Indians (including primary care services, CHS, or any other program or services authorized by this Act, through convenient care services.)	Authorizes the Secretary to carry out or enter into contracts or compacts with Tribes and Tribal Organizations pursuant to ISDEAA to test new models/means of health care delivery. Permits the use of other Federal funds, third party collections, and non-Federal funds to support these programs.	Demonstration projects authorized but implementation would require additional appropriations.
[Sec. 144] Tribal Management of Federally Owned Quarters (25 U.S.C. § 1638a)	Amends Title III of the current law to add new authority authorizing tribes and tribal organizations that operate a health facility and Federally-owned quarters associated with such facility under the Indian Self-Determination and Education Assistance Act to set rental rates and collect rents from occupants of the quarters.	Tribes and Tribal Organizations operating programs under ISDEAA are authorized to manage their own staff quarters including setting and collecting rents from occupants of staff quarters.	Implementation in progress.

Section	Description of Section	Summary	Progress
[Sec. 145] Other - Funding, Equipment and Supplies for Facilities (25 U.S.C. § 1638e)	Amends Title III of the current law to allow for the transfer of funds, equipment or other supplies from any source, including federal or state agencies, to HHS for use in construction or operation of Indian health care or sanitation facilities. Secretary is authorized to accept from any source, including Federal and State agencies, funds, equipment or supplies that are available for the construction or operations of health care or sanitation facilities.	New authority to allow transfer, acceptance of funds, equipment, and supplies for facilities for planning, design, construction, or operation of health care or sanitation facilities. Receipt of funds under this section shall not affect any priority established under Sec. 301.	Implementation under review.
[Sec. 146] Indian Country Modular Component Facilities Demonstration Program (25 U.S.C. § 1638f)	Directs IHS to establish a demonstration program for construction of health care facilities using modular component construction. When funds are appropriated for this program, a report is required on the implementation of the program one year later, then annually afterwards.	Expands authorities for construction of new types of health care facilities.	Demonstration projects authorized but implementation would require additional appropriations.
[Sec. 147] Mobile Health Stations Demonstration Program (25 U.S.C. § 1638g)	Directs IHS to establish a demonstration program to provide funding to consortia of two or more service units to purchase a mobile health station to provide specialty health care services such as dentistry, mammography and dialysis. The Secretary is directed to establish at least 3 mobile health station demonstration projects. No later than 1 year after the date of the establishment of the demonstration program, and annually thereafter, a report is required on the implementation of the program and potential benefits of increased use of mobile health stations to provide specialty health care services in Indian communities.	Authorizes program to fund new ways to provide health care to Indian communities.	Demonstration projects authorized but implementation would require additional appropriations.
Subtitle D: Access to Health Services (Medicare/Medicaid/Children's Health Insurance Program)			
[Sec. 151] Treatment of payments under the Social Security Act health benefits programs (25 U.S.C. § 1641)	Amends Sec. 401 in current law regarding collection of reimbursements from Medicare, Medicaid and the Children's Health Insurance Program (CHIP) by Indian health facilities, and revises the procedures which allow a tribally-operated program to directly collect such reimbursements for the services it provides.		These authorities were explained and implementation progress was described in a 7/22/2010 Dear Tribal Leader Letter.

Section	Description of Section	Summary	Progress
[Sec. 152] Purchasing Health Care Coverage: Beneficiaries (25 U.S.C. § 1642)	Authorizes tribes, tribal organizations, and urban Indian organizations to purchase health benefits coverage for their beneficiaries.	New authority for tribes, tribal organizations, and urban Indian organizations to purchase health insurance coverage for IHS beneficiaries.	Implementation under review.
[Sec. 153] Grants to and Contracts with the Service, Indian tribes, tribal organizations, and urban Indian organizations to Facilitate Outreach, Enrollment, and Coverage of Indians under Social Security Act Health Benefits Programs and other Health Benefits Programs (25 U.S.C. § 1644)	Amends Sec. 404 in current law authority for IHS to issue grants or contracts to tribes, tribal organizations and urban Indian organizations to conduct outreach to enroll eligible Indians in Social Security Act health benefit programs.		Grants or contracts authorized but implementation would require additional appropriations.
[Sec. 154] Sharing Arrangements with Federal Agencies (25 U.S.C. § 1645)	Amends sec. 405 in current law, which authorizes IHS to enter into arrangements with the Department of Veterans Affairs and Department of Defense to share medical facilities and services. These arrangements could include IHS, tribal and tribal organization hospitals and clinics. Requires consultation with Indian tribes which will be significantly affected by the arrangement. The Service, Indian tribes or tribal organizations shall be reimbursed by the Department of Veterans Affairs or the Department of Defense where services are provided through the Service/tribe, or a tribal organization to beneficiaries eligible for services from either VA/DOD, notwithstanding any other provision of law.		The 12/7/2010 Dear Tribal Leader Letter indicates plan to consult with Tribes; Tribal consultation input under review and implementation is in progress.

Section	Description of Section	Summary	Progress
[Sec. 155] Eligible Indian Veteran Services (25 U.S.C. § 1647)	Directs the Secretary to provide veteran-related expenses incurred by eligible Indian veterans at a facility of the Service pursuant to a local memorandum of understanding with the Department of Veterans Affairs.	Refers to funding of veteran-related expenses and payments to the Secretary of VA by the Secretary of HHS; requires implementation of the 2003 MOU through a local MOU between the Secretary (or a designee, including the director of any area office of the service) and the Secretary of Veterans Affairs (or a designee). The Secretary shall provide for veteran-related expenses incurred by eligible Indian veterans pursuant to a local memorandum of understanding with the Department of Veterans Affairs. The Secretary shall also establish guidelines as the Secretary determines to be appropriate regarding the method of payments to the Secretary of Veterans Affairs.	The 12/7/2010 Dear Tribal Leader Letter indicates plan to consult with Tribes; Tribal consultation input is under review and implementation in progress.
[Sec. 156] Nondiscrimination under Federal Health Care Programs In Qualifications For Reimbursement For Services (25 U.S.C. § 1647(a))	Provides that IHS, tribal and urban Indian organization programs shall be eligible for participation in any Federal health care program to the same extent as any other provider, if the Indian program meets the generally applicable State or other requirements for participation.		These authorities were explained in a 7/22/2010 Dear Tribal Leader Letter and are self-implementing.
[Sec. 157] Access to Federal Insurance (25 U.S.C. § 1647(b))	Authorizes a tribe or tribal organization carrying out a program under the Indian Self-Determination and Education Assistance Act and an urban Indian organization carrying out a program under Title V of IHCIA to purchase coverage for its employees from the Federal Employees Health Benefits and Federal Employees' Group Life Insurance Programs.		These authorities were explained in a 7/22/2010 Dear Tribal Leader Letter and in the 8/26/2010 Dear urban Indian program director letter. Consultation was initiated in a 10/5/2010 Dear Tribal Leader Letter. OPM sent a letter to Tribes on 5/6/2011 with an update on implementation and a plan for consultation with Tribes.

Section	Description of Section	Summary	Progress
[Sec. 158] General Exceptions (25 U.S.C. § 1647(c))	Provides that special purpose insurance products (such as those that provide compensation to a victim of a disease) are not subject to IHCIA Title IV provisions.		Self-implementing authority.
[Sec. 159] Navajo Nation Medicaid Agency Feasibility Study (25 U.S.C. § 1647(d))	Directs the Secretary to determine the feasibility of treating the Navajo Nation as a state for purposes of title XIX of the Social Security Act to provide services to Indians living within the boundaries of the Navajo Nation. No later than 3 years after the date of enactment, the Secretary shall submit to the relevant committees of jurisdiction a report on the results of the study required under this section, including a summary of any consultation that occurred between the Secretary and the Navajo Nation, other tribes, the States of Arizona, New Mexico, and Utah, counties which include Navajo lands and other interested parties to the study.	The Secretary is required to submit a feasibility study to Congress on treatment of the Navajo Nation as a state for the purposes of title XIX of the Social Security Act.	Implementation in progress.
Subtitle E: Health services for urban Indians			
[Sec. 161] Facilities Renovation (25 U.S.C. § 1659)	Amends Sec. 509 of current law to add “or construction or expansion of facilities” as an allowable renovation facilities option. Current law authorizes minor renovations to allow urban program recipients to maintain accreditation.	Title V, urban Indian organizations are authorized to receive funding from IHS for minor renovations and to construct or expand urban Indian health facilities.	These authorities were explained in the 8/26/2010 Dear urban Indian program director letter. Authorities are self-implementing and would require additional appropriations.
[Sec. 162] Treatment of Certain Demonstration Projects (25 U.S.C. § 1660b)	Amends Sec. 512 of current law to make permanent the Tulsa Clinic and the Oklahoma City Clinic demonstrations within the Services direct care program. They shall continue to meet the requirements and definitions of an urban Indian organization in this Act and shall not be subject to the provisions of ISDEAA.	These programs will permanently be treated as service units. They cannot be contracted pursuant to the ISDEAA.	These authorities were explained in a 7/22/2010 Dear Tribal Leader Letter and in the 8/26/2010 Dear urban Indian program director letter. Authorities are self-implementing. Tribal consultation on this provision conducted in Oklahoma Area.

Section	Description of Section	Summary	Progress
[Sec. 163] Requirement to Confer with urban Indian organizations (25 U.S.C. § 1660d)	Directs the Secretary to “confer” to the maximum extent practical with urban Indian organizations in carrying out this Act. “Confer” means to engage in an open and free exchange of information and opinions that leads to trust, understanding, respect, and shared responsibility. Amends Sec. 502 of current law to add a separate section (b) Conditions. Conditions remain the same as in current.	Defines how the Secretary will engage urban Indian organizations in discussions on matters/issues related to the Title V, urban Indian health programs.	8/26/2010 Dear urban Indian program director letter referenced this provision and implementation is in progress.
[Sec. 164] Expanded Program Authority for urban Indian organizations (25 U.S.C. § 1660e)	Authorizes IHS to establish programs, including programs for awarding grants for urban organizations, that are identical to any programs established pursuant to Sections 218, 702, and 708(g).	Expands authorities to urban organizations to receive grants for additional health related activities.	8/26/2010 Dear urban Indian program director letter describes this provision. Grants authorized but implementation would require additional appropriations.
[Sec. 165] Community Health Representatives (25 U.S.C. § 1660f)	Authorizes the establishment of a Community Health Representative (CHR) program for urban Indian organizations to train and employ Indians to provide health care services.	Urban organizations now have authority to establish a CHR program.	8/26/2010 Dear urban Indian program director letter describes this provision. Authorized but implementation would require additional appropriations.

[Sec. 166] Use of Federal Government Facilities and Sources of Supply; Health Information Technology (25 U.S.C. § 1660g)	Title V of current law is amended by adding a new Sec. 517 that authorizes the Secretary to permit an urban Indian organization that has entered into a contract or grant under this title to use any existing facility under the jurisdiction of the Secretary; all equipment in or pertaining to such existing facility and any other personal property of the Federal Government under the jurisdiction of the Secretary of HHS. Also, authorizes the Secretary to donate personal/real property determined to be in excess to the needs of the Service or the GSA for purpose of carrying out the Title V grant/contract. Adds a new Sec. 518 to Title V authorizing the Secretary to make grants to urban Indian organizations to develop, adopt, and implement health information technology (HIT).	Authorizes access to real and personal property under the jurisdiction of the Secretary of HHS to meet the needs of urban Indian organizations.	8/26/2010 Dear urban Indian program director letter describes this provision. Implementation is under review.
Title I - Subtitle F: Organizational Improvements			
[Sec. 171] Establishment of the Indian Health Service as an Agency of the Public Health Service (25 U.S.C. § 1661)	This section amends Sec. 601 of current law to expand responsibilities and authorities of the IHS Director, including the responsibility to facilitate advocacy and promote consultation on matters relating to Indian health within HHS.	Expands the duties of the IHS Director by authorizing the Director to facilitate advocacy for the development of appropriate Indian health policy and to promote consultation on matters related to Indian health.	These authorities were explained in a 7/22/2010 Dear Tribal Leader Letter and in the 8/26/2010 Dear urban Indian program director letter. Authorities are self-implementing.
[Sec. 172] Office of Direct Service Tribes (25 U.S.C. § 1663)	A new Section 603 establishes within the Office of the Director (IHS) the Office of Direct Service Tribes to provide service-wide leadership, guidance and support for direct service tribes to include strategic planning and support and program evaluation. Provides other direction as to how IHS will work with direct service tribes, including: maximum flexibility to tribal health and related support, serve as a focal point for consultation/participation in the development of health policy.	Establishes office to support direct service tribes.	Office established within IHS Office of the Director.

Section	Description of Section	Summary	Progress
[Sec. 173] Nevada Area Office (25 U.S.C. § 1663a)	Directs the Secretary within 1 year after enactment of the Act to submit a plan, consistent with IHS's consultation policy, to Congress on how a Nevada IHS Area Office could be established, separating Indian health programs in the state of Nevada from the Phoenix Area of IHS. Failure to submit a plan would result in the withholding of operations funding reserved for the Office of the Director, but without adverse impact on the delivery of health care services.	Directs Secretary to submit a plan to Congress on establishment of a Nevada Area Office.	These authorities were explained in a 5/5/2011 Dear Tribal Leader Letter and plan was submitted to Congress on 3/23/2011. Implementation would require additional appropriations.
Title I - Subtitle H: Miscellaneous			
[Sec. 191] Confidentiality of Medical Quality Assurance Records; Qualified Immunity for Participants (25 U.S.C. § 1675)	Outlines treatment of medical quality assurance records. Allows for peer reviews to be conducted within Indian health programs without compromising confidentiality of medical records.	Provides protections for participants in the peer review process.	Implementation under review.
[Sec. 192] Arizona, North Dakota and South Dakota as Contract Health Service Delivery Areas; eligibility of California Indians (25 U.S.C. §§ 1678, 1678a, 1679)	Amends Sec. 808 in current authority to: continue the designation of Arizona as a contract health service delivery area; establishes a single contract health services delivery area consisting of the states of North Dakota and South Dakota for the purposes of providing contract health care services to members of Indian tribes located in those states; and updates and amends Sec. 809 in current law for provision of services to California Indians.	Makes North and South Dakota one CHSDA for purposes of the CHS program.	Implementation under review.
[Sec. 193] Methods to Increase Access to Professionals of Certain Corps (25 U.S.C. § 1680b)	Stipulates the Secretary cannot remove a member of the NHSC from an Indian health program or withdraw funding used to support such a member, and at the request of an Indian health program, the services of a member of the NHSC may be limited to the individuals who are eligible for services from that Indian health program.	Amends current law with technical updates.	Implementation in progress and in collaboration with HRSA.

Section	Description of Section	Summary	Progress
[Sec. 194] Health Services for Ineligible Persons (25 U.S.C. § 1680c)	Provides that IHS-operated and tribally-operated programs may provide health care services to non-IHS eligible beneficiaries so long as there is no diminution in services to eligible Indians or the provisions of such services to non-IHS eligible beneficiaries does not result in denial of services to eligible Indians, and makes non-beneficiaries liable for payment for such services. Clarifies that such services are subject to terms and conditions of ISDEAA contracts and compacts. Further, hospital privileges in health facilities operated and maintained by the Service or pursuant to an ISDEAA contract or compact may be extended to non-Service health care practitioners who provide services to individuals who are not otherwise eligible for health services. Such non-Service health care practitioners may, as part of the privileging process, be designated as employees of the Federal Government for FTCA purposes/coverage.		Implementation under review.
[Sec. 195] Annual Budget Submission (25 U.S.C. § 1680p)	Amends Sec. 826 in current law by requiring that dollar amounts to cover medical inflation and population growth be included as a part of the President's IHS budget submission to Congress beginning in fiscal year 2011.		These authorities were explained in a 5/5/2011 Dear Tribal Leader Letter and included in 2012 President's Budget request.
