

1 QUALIFICATION STATEMENT OF

2 PAUL T. KAPTUR

3 Witness for the Bonneville Power Administration

4 *Q. Please state your name, employer, and business address.*

5 A. My name is Paul T. Kaptur. I am employed by the Bonneville Power Administration
6 (BPA), 905 NE. 11th Avenue, Portland, Oregon.

7 *Q. In what capacity are you employed?*

8 A. I am a Public Utilities Specialist in the Products, Pricing and Rates group for the Power
9 Business Line.

10 *Q. Please state your educational background.*

11 A. I received a B.A. degree in Literature from the University of Oregon in 1979, a Master of
12 Management degree from George Atkinson School of Management, Willamette University
13 in 1981. My fields of concentration were finance, economics, and accounting.

14 *Q. Please summarize your professional experience.*

15 A. In May 1981, I began work at Pacific Power and Light in the Revenue Requirements group.
16 In this capacity I was responsible for developing forecasts for operations and maintenance
17 cost for the utility operations, the development of the company's cost of equity capital
18 forecast and assisting the Load Forecast Division in developing studies for General Rate
19 Filings.

20 In subsequent positions at PacifiCorp, Portland General Electric (PGE), and First
21 Interstate Bank of Oregon, I held positions of responsibility that included, the building and
22 managing major computer modeling systems, investment analysis, corporate planning,
23 analysis of resource acquisitions and the development of rating agency reports.

24 In April 1991, I began work at BPA in the Residential Exchange Program area. In
25 this position I was responsible for the analysis of various Average System Cost (ASC)
26 filings of participating utilities.

1 In 1993, I was given the responsibility as the Lead Analyst on PGE rate filings and
2 ASC filings. The responsibility involved intervention in PGE's General Rate Case which
3 included the Trojan Termination issues and the resulting ASC filing.

4 In July 1995, I joined the Energy Efficiency group as a Public Utilities Specialist. In
5 that position I was assigned to the Planning and Forecast group. My responsibilities
6 included developing financial planning models, cost allocation models, and accounting
7 reports.

8 In August 1997, I joined the Products, Pricing and Rates group. In addition to the
9 duties described above, I have participated on the Products, PF Rate Design, and
10 Subscription teams as a member of this group.

11 *Q. Please state your experience as a witness in previous proceedings.*

12 A. I have not been a witness in previous proceedings.
