

INSURANCE-WORK ON A GOVERNMENT INSTALLATION - CONSTRUCTION (July 2006)

(a)(1) The Seller shall, at its own expense, provide and maintain during the entire performance period of this Agreement at least the following kinds and minimum amounts of insurance:

Type	Amount
Workers' Compensation	As required by applicable federal and state workers' compensation and occupational disease statutes
Employers' Liability	\$1 million
Comprehensive General Liability	Bodily injury liability of at least \$1 million per occurrence
Comprehensive Automobile Liability	Minimum of \$500,000 per person and \$1 million per occurrence for bodily injury and \$500,000 per occurrence for property damage

(2) If the Seller is a state agency, such as an educational institution, and is not insured because of constitutional or statutory prohibition, the state law governing liabilities and remedies in these areas shall apply.

(3) The Seller may, with approval of the Subcontract Administrator, maintain self-insurance for insurance requirements herein.

(b) At least 10 days before commencing any work on the government installation under this Agreement, the Seller shall furnish the Subcontract Administrator certificates of insurance, identified by Agreement number, as evidence of insurance coverage of the type and in amounts not less than specified above. The policies evidencing required insurance shall contain an endorsement to the effect that any cancellation or any material change adversely affecting the Government's interest shall not be effective (1) for such period as the laws of the State in which this Agreement is to be performed prescribe or (2) until 30 days after the insurer or the Seller gives written notice to the Company, whichever period is longer.

(c) The Seller shall insert the substance of this clause, including this paragraph (c), in subcontracts under this Agreement that require work on a Government installation and shall require lower-tier subcontractors, at any tier, to provide and maintain the insurance required in paragraph (a) above. At least 5 days before entry on the Government installation by any lower-tier subcontractor personnel the Seller shall furnish (or ensure that there has been furnished) to the Subcontract Administrator a current certificate of insurance, meeting the requirements of paragraph (b) above, for each such lower-tier subcontractor.
