

**SPECIAL FILING INSTRUCTIONS**  
**2013 - 2013**  
**ABILITY ONE**  
**(National Industries for the Blind & Severely Handicapped)**

**SECTION 1**  
**TERMS AND CONDITIONS**

**GENERAL:** The following Request for Offers (RFO) and its Filing Instructions (FI) are provided in addition to the terms and conditions of the General Services Administration's (GSA's) Standard Tender of Service (STOS), General Freight Traffic Management Program, GSA General Freight Tender of Service No. 1-F (GSA TOS No. 1-F) dated December 04, 2001, supplements and reissues thereto. However, certain provisions and requirements of this RFO and this FI may deviate from and supersede those published in the STOS, GSA TOS No. 1-F.

Traffic to be included under this RFO and this FI will be freight-all-kinds (FAK) shipments moving via closed van for all less than truckload (LTL) (0 pounds to 19,999 pounds) shipments and all truckload (TL) (20,000 pounds to 40,000 pounds and over) shipments. Rates will be applicable only to interstate shipments moving in the Continental United States (CONUS) and the identified intrastate shipments within CONUS.

Non-alternating Standing Route Orders (SRO) rate offers are being requested where SRO is defined as the normal, repetitive movement of two or more shipments per month of specific items between specified points. The non-alternating SRO rate offers being requested will apply specifically to those agencies/locations identified in Section 8, of this RFO and this FI and WILL NOT alternate with any other accepted rate offer and the accepted rates and charges MAY NOT be used in the construction of combination through rates, charges or other provisions.

Non-alternating SRO rate offers will be accepted for the following facilities:

1. Section 8 Non-alternating SRO's for the ABILITY ONE:

Various ABILITY ONE work shops located within CONUS shipping to the Western Distribution Center, French Camp, CA, Eastern Distribution Center, Burlington, NJ, CONUS, and Intrastate.

1-1. **EFFECTIVE PERIOD:** Acceptable rate offers submitted in response to this RFO and this FI for Section 8 will be for the period **November 1, 2012 through October 31, 2013.**

1-2. **FILING PERIOD:**

A. **INITIAL FILINGS:** Rate offers made by Transportation Service Providers (TSPs) approved to participate in GSA's Freight Management Program are due by 4:30 p.m. Central Standard Time, **August 27, 2012**, and will be processed in accordance with 1-2.C.

B. **REFILINGS OF ELECTRONICALLY SUBMITTED FILING DEFICIENCIES:** Electronic rate filings received between **August 06, 2012, through August 27, 2012**, which do not meet the requirements as stated in this RFO and this FI will be considered unacceptable and rates will not be included in GSA's Transportation Management Services Solution (TMSS) system. TSPs utilizing the JUPLOAD will be notified daily of any deficiencies submitted per **Section 11-5** by an e-mail confirmation acknowledging the receipt and processing of the file. The e-mail will contain the number of records processed and the number of errors encountered. If a firm's rate offer is submitted in accordance with this RFO and this FI by a Rate Filing Service Provider (RFSP), the RFSP will be notified of the deficiencies and not the firm. Corrected rate offers **must be** resubmitted no later than **August 27, 2012**. In those instances where corrections are not received by **August 27, 2012**, rate offers will be considered unacceptable and the firm will not be allowed to re-file. TSP's utilizing TMSS online rate filing will **NOT** receive error reports on the JUPLOAD since the validation notifies the TSP in real time of any errors encountered.

**RATE OFFERS CREATED USING THE TMSS ONLINE RATE FILING MODULE WILL BE PROCESSED AT 10:00AM, 2:00 PM, 6:00PM AND 10:00PM CST. TSPs AND RFSPs MAY CONTINUE SUBMITTING CORRECTIONS UNTIL ALL ERRORS ARE CORRECTED OR UNTIL THE CLOSING DATE OF August 27, 2012.**

C. ACCEPTED/EFFECTIVE DATE: Initial rate offers allowable under Paragraph 1-2.A. will be accepted into TMSS by **August 27, 2012**, except in those instances of a failure to meet the resubmission requirements of corrected Rate Filing Deficiencies as identified in Paragraph 1-2.B

D. TSP NOTIFICATIONS: If the submitting TSP or RFSP receives no communication from GSA pursuant to Paragraph 1-2.B. by October 5, 2012, the TSP or RFSP is on notice that its rate offer(s) has been offered to GSA’s Office of Transportation Audits.

E. ACCEPTED/EFFECTIVE DATE: Rate offers will be accepted and entered into TMSS on the date indicated below or the first working day of the month, whichever occurs later.

F. INITIAL FILINGS: Initial rate offers allowable under Paragraph 1-2.A. will be processed as shown below, except in those instances of a failure to meet the resubmission requirements of corrected Rate Filing Deficiencies as identified in Paragraph 1-2.B:

SRO	DATE RECEIVED	COMPUTER ENTRY DATE	ACCEPTED/EFFECTIVE DATES
Section 8 ABILITY ONE	08/06/2012 through 08/27/2012	11/01/ 2012 or before	11/01/2012 through 10/31/2013

1-3. APPLICABILITY OF RATE OFFERS: By submission of a rate offer to GSA for the traffic identified in this RFO and this FI, the offeror agrees that it can and will service the identified origin facility for which a rate is offered and all points within each identified destination State and/or destination service area for which a rate is offered.

**Note: As a TSP submitting a rate offer in accordance with this RFO and this FI for the support of ABILITY ONE traffic, you are stating you will honor that rate. Failure to do so could result in Temporary Nonuse, Debarment, or Suspension within GSA’s Freight Management Program.**

1-4. OPTION TO EXTEND: The Government reserves the right to extend the expiration date of all or part of the rate offers accepted in accordance with this RFO and this FI for up to one year (365) days.

1-5. TERMINATION:

A. The following provision will apply in addition to Item 18.e. of the Optional Form 280 (REV. 6/2003):

1. Accepted rate offers may be terminated upon determination that a TSP has failed to satisfactorily respond to a show cause notice(s); and accepted rate offers may be terminated by the Government immediately upon the debarment or suspension of the TSP in accordance with the 41 Code of Federal Regulation (CFR) 102-117.

B. Upon termination of the rate offer under 1-5.A.1 and/or 2 above, the TSP shall be paid any sum due the TSP for services performed under this RFO and this FI to the date of such termination; and in the event of partial termination, shall be paid in accordance with the terms of this rate offer for any services furnished under the portion of the rate offer that is not terminated; provided any such payments shall be without prejudice to any claim which the Government may have against the TSP and the Government shall have the right to offset any such claims against such payment.

1-6. **TERMINATION FOR CONVENIENCE OF THE GOVERNMENT:** The Government, by written notice, may terminate all or part of the rate offers accepted in accordance with this RFO and this FI when it is in the Government's best interest. If a rate offer(s) is terminated, the Government shall only be liable for payment for services rendered before the effective date of the termination.

1-7. **CONTACTS:** Questions dealing with the identified ABILITY ONE traffic should be directed to Yvonne Johnson (703) 605-9241 or by e-mail at [yvonne.l.johnson@gsa.gov](mailto:yvonne.l.johnson@gsa.gov). Questions dealing with the submission of electronic rate offers should be directed to Jim Stroup at (816) 823-3648, [jim.stroup@gsa.gov](mailto:jim.stroup@gsa.gov) or Thomas Hendershot at (703) 605-2528 or via email at [thomas.hendershot@gsa.gov](mailto:thomas.hendershot@gsa.gov).

1-8. **MANDATORY REQUIREMENTS:** To participate in TMSS all TSP's are now required to sign up with the Central Contractor Registration (CCR) at <https://www.bpn.gov/ccr/>. All TSPs are required to participate in GSA's PayPort Express, a third party payment service, provided by Citi Bank NA using the Syncada network. TSPs must participate in the PayPort Express to receive payments for invoices from any agency that elects to use GSA's PayPort Express to process their invoices. Payments made to TSP's through PayPort Express will be net of Industrial Funding Fee (IFF) owed to GSA. TSPs providing services to non-participating agencies under STOS, are still REQUIRED to submit copies of all agency final invoices to Syncada. The invoicing procedures for these agencies remain unchanged. This submission is effective November 1, 2011. Subsequently if the agency decides to participate, the procedures for participating agencies will be applicable. Additional details including on-boarding, setup packages, training and invoice submission instructions, can be obtained from Citi Bank NA at [1-888-617-7173](tel:1-888-617-7173) or by email to [payportexpress@citi.com](mailto:payportexpress@citi.com). You may also contact Sang Lee at 212-816-6618 or [Sang.Lee@citi.com](mailto:Sang.Lee@citi.com), or Vasilios Kontogianis at 212-816-7096 or [Vasilios.Kontogianis@citi.com](mailto:Vasilios.Kontogianis@citi.com) for any additional questions or information.

**TSPs must be registered in PayPort Express (PPE) prior to filing rates. If the TSP is not registered in PPE by RFO closing date, the TSP's rates will not be activated on the effective date. The TSP will not have another opportunity to file rates until the next Rate Filing cycle.**

## SECTION 2 EVALUATION AND ACCEPTANCE

2-1. **EVALUATION:** The GSA Global Supply Service, Arlington, VA, will conduct all evaluations of rate offers submitted for the identified ABILITY ONE traffic. The General Services Administration's (GSA) Freight Management Program will be evaluated by the Freight Program Management Office (FPMO) for all rate offers submitted for the identified traffic. TSP notification of acceptance will be in accordance with Paragraph 1-2.D.

2-2. **ACCEPTANCE:** Accepted rate offers will be contained in GSA's Transportation Management Services Solution (TMSS) system. When identified in TMSS, the acceptable rate offers will be listed based on price only. The listing of TSP's and their rate offers will be based on the anticipated shipping date, the origin of the shipment, the destination of the shipment, the weight of the shipment, the number of miles between the origin and destination of the shipment, and any accessorial services requested by the customer agency. TSP's with applicable rates for the requested shipment will be listed on the cost comparison in cost ascending order. In the case of brokers and shippers agents/Intermodal Marketing Companies, please note that the broker's name and/or the shipper agent's/Intermodal Marketing Company's name and not the names of its underlying TSP's will be identified on cost comparisons. However, when rate information is made available to GSA's Office of Transportation Audits, rate information will be submitted in the name of the broker's and/or a shipper agent's/Intermodal Marketing Company's underlying TSP's and not in the name of the broker and/or the shipper agent/Intermodal Marketing Company. If the occasion arises when two or more TSP's have offered the exact same rate offer (both for transportation and the requested accessorial services), then the TSP's will be listed on the cost comparison in alphabetical order according to the TSP's names.

**PLEASE NOTE:** The GSA Global Supply Service, Arlington, VA, may consider other factors when routing shipments other than just price. As a result, the listing of TSP's on a cost comparison is for viewing/verification purposes only and does not guarantee any traffic will be awarded.

**SECTION 3  
LETTER OF INTENT CERTIFICATION**

By the submission of a rate offer to GSA in accordance with this RFO and this FI, the submitting TSP certifies that:

I have read and will comply with all the provisions contained in this request dated September 6, 2012, as well as any supplements, changes, and/or reissues thereto and the GSA Standard Tender of Service (STOS), GSA General Freight Tender of Service No. 1-F, the GSA National Rules Tender No. 100-D, and the GSA Baseline Rate Publication No. 1000-D, all effective December 4, 2001, as well as any supplements, changes, and/or reissues thereto and I further certify that the company for which rate offers have been submitted has the operating authority and insurance required by Item 1-6 (See Below) and Section 2 of the GSA General Freight Tender of Service No. 1-F.

Item 1-6 of the GSA General Freight Tender of Service No. 1-F reads as follows:

“LAWFUL PERFORMANCE, OPERATING AUTHORITY, AND INSURANCE. All service shall be performed in accordance with applicable Federal, State, and local laws and regulations. **SECTION 4  
SUBSTITUTED SERVICE - RAIL FOR MOTOR**

If a TSP utilized Item 1125, Substituted Service – Rail for Motor, of the GSA National Rules Tender No. 100-D for shipments moving under this RFO and this FI, the submission of a rate offer(s) constitutes agreement to the terms and conditions of Item 1125 and that rates submitted include for the proper blocking and bracing by the TSP for Trailer-On-Flat-Car (TOFC) or Road Railer movement to preclude damage to the material.

**SECTION 5  
TERMS & CONDITIONS OF THE UNIFORM TENDER OF RATES AND/OR CHARGES FOR  
TRANSPORTATION SERVICES**

By submission of a rate offer(s) to GSA in accordance with this RFO and this FI, the submitting TSP agrees to and/or meets the terms and conditions of the Uniform Tender of Rates And/Or Charges For Transportation Services, Optional Form 280 (REV. 06/2003), except as provided in Paragraph 1-5.

**SECTION 6  
TERMS AND CONDITIONS FOR BILLS OF LADING ISSUED FOR GOVERNMENT SHIPMENTS**

Per this RFO and this FI, all Government shipments handled pursuant to the STOS will be subject to the terms/conditions contained in 41 CFR §§102-117 and 102-118. These terms and conditions have been incorporated into the Optional Form 280 (OF280). Therefore, any shipment moving under an accepted rate offer submitted on an OF280 is automatically subject to the Government’ s shipping “terms and conditions.” In accordance with Section 5 rate offers accepted in accordance with this RFO and this FI are also automatically subject to the Government’ s shipping “terms and conditions.” The bill of lading for any such shipment must contain the statement “This is a U.S. Government shipment.” For a complete description of the Government’ s shipping terms/conditions, please visit <http://www.gpoaccess.gov/cfr/> search for “Transportation Management” (41 CFR § 102-117) or “Transportation Payment and Audit” (41 CFR § 102-118), as appropriate.

## SECTION 7 BASIS FOR DETERMINING APPLICABLE DISTANCE/MILEAGE

Per this RFO and this FI, auditing of freight shipments identified herein and handled pursuant to the STOS will be based on mileage provided by **ALK Technologies, Inc., 5 digit Zip Code, Web Version 25** ALK Technologies, Inc., **5 digit Zip Code, Web Version 25** will be used to determine highway mileages for all surface freight shipments between any two locations within the Contiguous United States (CONUS) (i.e., the lower 48 states and the District of Columbia). Exceptions to the use of ALK Technologies, Inc., mileage are domestic non-express small package shipments. The TSP industry will be notified of any future Version updates. Below is the basis to be used when constructing mileage for shipments moving within the contiguous United States:

## SECTION 8 APPLICATION OF 6 % TRANSACTION FEE

TSPs will be required to remit directly to GSA a 6% Transaction Fee based on the total transportation charges paid, **(excluding the fuel surcharge)** to GSA for all shipments subject to these rate offers identified in this RFO and its FI, no **later than thirty (30) calendar days upon receipt of payment**. The checks must be made payable to the “General Services Administration” and reference on the check, **“GSA-GL 474.2 TMSS, company name, SCAC code. Bill of Lading number(s) to support check amount”**. When using regular USPS mail, send the check to the General Services Administration, Miscellaneous Receipts for Non-Federal Claims, P.O. **GSA may adjust the 6% Transaction Fee during the effective period of this RFO and its FI. If an adjustment is required, GSA will provide notification to TSPs with acceptable rate offers on file and will allow them the opportunity to make any necessary rate modifications prior to the effective date of the Transaction Fee adjustment.**

# SECTION 10

## FORMAT REQUIREMENTS FOR THE SUBMISSION OF ELECTRONIC RATE OFFERS

**10-1. FILE FORMAT REQUIREMENTS FOR THE SUBMISSION OF ELECTRONIC RATE OFFERS:** TSPs submitting rate offers for this RFO and its FI, **MUST** submit their rate offers electronically per instructions located in Section 11, or via the rate filing capabilities of the Transportation Management Services Solution (TMSS) system. TSPs or RFSPs submitting rate offers via GSA-supplied Java Upload Client (JUupload), must also adhere to format requirements contained in this Section 10. TSPs filing rate offers via TMSS can use the TMSS help screens. Please note that this Section 10 can also provide general information to those TSPs utilizing TMSS to create their rate offers within TMSS online rate filing. Submissions received from TSPs or RFSPs not conforming to JUupload or TMSS record requirements will not be accepted by TMSS and the TSP or RFSP will be notified as identified in Section 1-2.B.

**10-2. HEADER RECORD FORMAT REQUIREMENTS:** In addition to each TSP’s rate records, for all rate offers filed in accordance with this RFO TSP’s must file ONE SET of the following “F Records” at the beginning of EVERY RATE FILE submitted to GSA.

**> Important Notes:**

Mandatory E-mail Address: Booking office e-mails contained in the rate offer have become **MANDATORY** for the purpose of online booking within TMSS;

The TSP must provide an Email address and are encouraged to provide a fax number for each rate record. The e-mail address provided in the rate record will be used by TMSS for automated booking notification. The e-mail is expected to be associated with the booking office at the route level. If no such e-mail can be provided at the route level, a corporate level e-mail must be provided in this record. For automated booking notifications to be sent by TMSS to the TSP’s, the government will consider offering a system-to-system level information exchange between TMSS and the TSP’s system, in lieu of sending a booking request via e-mail. TSP’s interested in this feature of TMSS are required to contact GSA’s program office (FBL) at (703) 605-5618 and the Government will evaluate such requests for implementation.

**NOTE: When the rate file is complete, it MUST be saved as an unformatted ASCII (Text Only) flat file (e.g. no tab characters, etc.) before attempting to transfer the file.**

If offering different percentages, use positions (124-252), enter the percentage for each Required Item in ascending order as they appear in the No. 100-D and Item 3-2.A.1 of the TOS 1-F. <b>DO NOT USE COMMA DELIMITERS</b> The first three positions (121-123) must be zeros (000). For example, the beginning of your entry could be: 000095077110. For those Required Items identified by ** in Item 3-2.A.1. of the TOS 1-F, TSP's are not required to offer a percentage unless they choose to do so. If not offering a percentage for these items, enter zeros (000) in the appropriate positions for those items. Percentages <b>must</b> be offered for all Required Items not indicated with. **.

## SECTION 11

### ELECTRONIC RATE TRANSMISSION SPECIAL INSTRUCTIONS

**11-1. SUBMISSION INSTRUCTIONS:** All electronic rate transmissions submitted in accordance with Sections 9, 10, & 11 of this RFO and its Filing Instructions (FI) **MUST** be via the rate filing capabilities of TMSS or via the Internet, utilizing the GSA-supplied Java Upload Client (JUpload). Below are the instructions for accessing the JUpload module.

NOTE: If your company intends to transmit its rate offer(s) via JUpload without utilizing the services of a Rate Filing Service Provider (RFSP) and your company does not already have an assigned **User ID and Password** to access the JUpload, you will need to notify the PMO in order to receive a User ID and Password to access the JUpload. Requests for a User ID and Password may be emailed or faxed to the attention of Jim Stroup at [jim.stroup@gsa.gov](mailto:jim.stroup@gsa.gov) or (816) 823-3656. The response from GSA assigning your company a User ID and Password will be emailed, so please be sure to include your company's email address when submitting your request. Please be aware that it will take several days upon the receipt of your request to process and assign a User ID and Password to the JUpload.

**A. FORMAT REQUIREMENTS:** Electronic format requirements as set out in this RFO and this FI must be strictly adhered to. Submissions received from TSPs and RFSPs not conforming to format requirements identified in Section 9, 10, and 11 will be found unacceptable.

**B. FILE PREPARATION:**

In order to transfer the file via the JUpload, the file must be saved and transmitted as an unformatted ASCII (TEXT ONLY) flat file (i.e. no tab characters, etc.). The file must not have a top, bottom, right, or left margin.

**The TSPs will file one percentage value per Accessorial that will apply across all lanes on that SRO. For example: the TSP submits 121% for item 425 for the General CV SRO, this will apply for all destinations (49 states) and all origins for General FAK, closed van. If the TSP files more than one percentage value, the highest percentage will default/apply to all destinations on the SRO. This practice will be applied to all the SROs effective with the August 2012 rate filing.**

**11-2. FILE NAMING CONVENTION:**

Implementation of the Transportation Management Services Solution (TMSS) has created the need for the development of a File Naming Convention. This File Naming Convention applies to any initial, new, late, or supplemental rate offer(s) transmitted in accordance with this RFO and this FI. Extensions like **.FRT** to file names are **NOT** permitted.

FILE NAME	MAXIMUM POSITIONS	POSTIONS	CONTENTS
Prefix	3	1-3	Must be FRT
TSP' s SCAC	4	1-4	<b>RFSP:</b> If transmitting rates on behalf of a TSP, enter TSP's SCAC. Do not append any characters if the SCAC assigned to you is less than four (4) positions.
Rate File Number	3	5-8	A running serial number starting with 001
Extension			<b>File Extensions will NOT be supported.</b>

Examples of filenames for SCAC with different number of positions:

File name where assigned SCAC has four positions: FRTABCD001 where "ABCD" is the SCAC

File name where assigned SCAC has three positions: FRTABC001 where "ABC" is the SCAC

File name where assigned SCAC has two positions: FRTAB001 where "AB" is the SCAC

The TSP can send one or more files for rate filing. The TSP can send one or more rate types in a single file. It is strongly recommended that the number of files be kept to a minimum by combining multiple rate types. Irrespective of the number of files transmitted a 3-digit file number is required.

Examples of multiple filenames for a SCAC:

TSP transmitting only one file: File Name: FRTABCD001

TSP transmitting two files: First File Name: FRTABCD001, Second File Name: FRTABCD002

TSP transmitting three files: First File Name: FRTABCD001, Second File Name: FRTABCD002,

Third File Name: FRTABCD003.

If as a TSP or RFSP, you are unsure as to your TSP's SCAC/RFSP Code (up to 4 positions) in GSA's Freight Management Program, please contact Jim Stroup at (816) 823-3646 or via e-mail at [jim.stroup@gsa.gov](mailto:jim.stroup@gsa.gov), or Thomas Hendershot at (703) 605-2528 or via email at [thomas.hendershot@gsa.gov](mailto:thomas.hendershot@gsa.gov) respectively, for verification.

**The file naming convention identified above MUST be strictly adhered to. Failure to do so will result in the rate offer(s) not being picked up from your TSP's directory on the JUPLOAD and/or automatic rejection of the rate offer(s). Furthermore, if your company submits multiple rate files on the same day, files named the same will be overwritten; therefore, it is extremely important that files submitted on the same day have different names.**

### 11-3. ACCESSING THE JUpload:

If TSPs choose not to use the rate filing module within TMSS to file rate offers under this RFO and its FI, then TSPs must use the GSA supplied Java Upload Client (JUpload) function contained within TMSS. GSA "WILL NOT" accept or process rate offers submitted via FTP.

- A. In order to access the Rate File Upload module, your TMSS administrator must first designate who will have access to this module and grant them access via TMSS. The administrator can do this by selecting the Account Info link from the Main screen. This takes them to the Account Info - Update Profile screen, where they can select the User List. They will then be able to select the applicable user(s) and check the "Allow Upload" toggle button from the available menu. They will also need to ensure the "Rate File" toggle button is also checked.
- B. Once access has been granted and the Rate Filing window has been opened, the specified user(s) will have the Upload Rate File link available from the Review/Edit Freight Rates screen.

**Please Note: If the TSP currently has ABILITY ONE rate offers on file within TMSS, the user will receive a pop-up window when they first access the "Freight Rate Filing" link stating "I would like to transfer the following rates in the current rate cycle to the next rate cycle: Agency Specific Rates for ABILITY ONE." The user should select "Accept" if they want the identified rate offers copied over. If the user plans on re-filing the identified rate offers via the new JUpload function, the user should select "Reject." If "Accept" is selected, TMSS must process the request and notification will be sent once it is completed. The user will not be able to continue until processed. If "Reject" is selected, the user may continue with the JUpload process.**

- C. When your rate files are ready for submission, the User will click on the Upload Rate File link. At that point, the module will load and bring you to a login screen to authenticate to the server.

**Please Note: The User's system must have Java installed to allow for proper loading of the module. If Java is not currently installed on the system, the user will be given a link that will take them to a site for free download.**

At the login screen, you will be asked to input a User Name and Password. This User Name and Password is the same as you used for annual rate submissions. If you do not know your User Name and Password, please contact GSA as identified in this RFO. Once you have logged in, the easiest way to get acclimated with the module is to view the Help File. This will walk you through the complete file upload process.

### 11-4. DIRECTORY ACCESS:

Once you have placed a file within your TSP's directory using GSA JUpload, you may verify that your company's file was successfully transmitted by using the File Download option in the TMSS Main page. If the file doesn't appear in your directory, you will need to "Upload" the file again. This will only assist you in verifying that your rate offer/file was transferred successfully and WILL NOT verify that the contents of your rate offer/file have been formatted correctly. Please refer to the help file for further information on how to check your directory where the files are uploaded to the server and follow the instructions.

#### **11-5. CONFIRMING RATE TRANSMISSIONS:**

Every day during the rate filing window at 10:00am, 2:00pm, 6:00pm and 10:00pm CST, an automated process will search the rate files uploaded by TSPs and process them. An email confirmation acknowledging the receipt and processing of the file will be sent to the TSP's email address OR the RFSP's email address if an RFSP has filed on behalf of the TSP. The email will contain the number of records processed and the number of errors encountered. In order to receive timely notifications on the outcome of file processing it is essential that a correct email address be kept on file. Error files will be generated and placed in the TSP's or RFSP's GSA JUpload directory and will be named as FRTSCAC999ERR where SCAC is the SCAC of the TSP (Not the RFSP), 999 is the original file number assigned by the TSP. You need to connect to the "File Download" link from the TMSS main page and download the error file(s), if any. If appropriate, TSP's will receive notification of rate filing deficiencies in accordance with Section 1, Paragraph 1-2.B. of this RFO and this FI.
