

Office of the Secretary
Federal Trade Comm. Room 189
6th St. Pennsylvania, Ave NW
Washington, D. C. 20580

5/31/97

Dear Secretary:

Why you lie about free trade, Clinton, U.N. Agreement,
and say they have failed. Why are you so set on
killing this great nation? Why do you lie to
the American Public you took an oath to protect.
Make the "Made in America Label" really mean
100% made in America by Americans. It is
time to do your duty, your job, what you are
paid to do, really help and protect American
workers and industries.

Robert Vogl
