DEAR COMMISSION, I WANT THE "MADE IN USA" DEFINITION TO BE 100% RAW MATERIALS AND 100% LABOR FOR PRODUCTION. I DO NOT WANT TO LIVE ON A CHINESE STANDARD OF LIVING. WHEN I LAST PURCHASED A NEW CAR I COULD NOT FIND ONE 100% USA RAW MATERIALS AND LABOR. WHY? WE HAVE NO POWER TO PURCHASE WHEN MANUFACTURING IS SENT OUT OF THE COUNTRY, BECAUSE WE HAVE NO JOBS TO GET SALARY FROM. WHAT DO YOU PLAN TO DO TO PROTECT US FROM SHODDY CHEAP FOREIGN PRODUCTS? AND JOBS LOSS?
PLEASE LET ME KNOW. M.R. EUCALYPTUS
