Made in USA Policy Comments

No. P 894219

F T C, Room 159

Fifth and Pennsylvania Ave., N W  
Washington, D C 20580

I wish to make strong objection to your attaching "Made in USA" to anything made in any other country other than our own United States of America. The tracks are full now of everything from every other country which is why so many of our own people are out of work. I search for "Made in USA" and want that to be a true statement. Please keep the current system labeling foreign-made goods as such and ours as made in our country
