¹ Metropolitan areas used in this table are categorized into Metropolitan Statistical Areas (MSAs) and Consolidated Metropolitan Statistical Areas (CMSAs) and are based on definitions from the Office of Management and Budget Bulletin Number 93-17, June 30, 1993.

² *Standard Industrial Classification Manual*, 1987 Edition.

³ Includes fatalities to workers employed by governmental organizations regardless of industry.

⁴ Also includes fatalities occurring in nonmetropolitan areas.

NOTE: Totals for major categories may include subcategories not shown separately. Percentages may not add to totals because of rounding.

Dashes indicate no data reported or data that do not meet publication criteria.
