OSHA, Directorate of Enforcement Programs

April 1, 2010

10:30 A.M. – 12:30 P.M.

U.S. Department of Labor

Frances Perkins Building Auditorium

Session Overview:

- The Forum will provide an update on OSHA's green job efforts and discuss workplace hazards associated with green jobs.
- Presenters will share information on green processes and technologies that are incorporated into the construction, energy, and waste management and recycling industries.
- In addition, panelists will explore opportunities and challenges posed by green jobs and consider best practices and strategies for small businesses in reducing safety and health hazards associated with green jobs.

For questions about the Forum and to RSVP, please contact Mandi Garner at (202) 693-2234 or garner.mandi@dol.gov.
