Optional State Supplementation

Administration: State Department of Social Services. State-administered in local offices for assisted living and foster care home arrangements; state-administered in state offices for independent arrangements.

Effective date: February 1, 1975.

Statutory basis for payment: South Dakota Codified Laws Annotated 28-5A-1.

Funding

Administration: State funds.

Assistance: State funds.

Passalong method: Maintaining payment levels.

Place of application: Local offices of the state Department of Social Services for individuals in assisted living facilities or in adult foster care homes. State uses information from the Social Security Administration to identify recipients who are living independently and have no other income.

Scope of coverage: Optional state supplement provided to all SSI recipients who live independently and have no other source of income and to those who

live in assisted living facilities or in adult foster care homes and whose net income is below the supplementation levels. Blind and disabled children who meet the income and resource limitations and live in assisted living facilities or adult foster care homes are eligible for optional supplementation.

Resource limitations: Federal SSI regulations apply.

Income exclusions: State excludes \$60 of the federal SSI payment to recipients in assisted living facilities or foster care homes.

Recoveries, liens, and assignments: None.

Financial responsibility of relatives: None.

Interim assistance: State does not participate.

Payment calculation method: For recipients living independently, the state supplementation is added to the federal payment. The federal SSI payment and any countable income are deducted from the state standard. The remainder is the state supplementation.
