Conflict of Interest Disclosure Statement***

The Advisory Board on Radiation and Worker Health (the Board) is very concerned with maintaining the transparency of the compensation program created by the Energy Employees Occupational Illness Compensation Program Act of 2000. In an effort to foster a fully open and honest environment for claimants and in order to allay any concerns within the stakeholder community regarding perceived or actual conflicts of interest for Board members, the Board releases the following information:

Board Member's Name and Position: **Genevieve S. Roessler, Ph.D.**
Professor Emeritus
University of Florida
Elysian, Minnesota

Biographical Information: Dr. Roessler was on the faculty of the Department of Nuclear Engineering at University of Florida for 22 years, where she served as Head of Health Physics and Medical Physics.
